Dear Valued Customer,

Municipal Accounting Systems, Inc. continues to be the leading brand of school software in Oklahoma. With 31 years of experience, we have been developing and supporting industry leading software since 1985. During this time we have worked closely with the State Department of Education, The WAVE and many other state agencies to ensure you are able to accurately meet new and emerging reporting requirements.

Now, just a few years after releasing our popular web hosted i-Student Information System we are excited to announce our **NEW BROWSER BASED INTERFACE** for Student Information. The new i-Student Information 2.0 starts with a task oriented concept and finishes with many new features that will give your district the ability to meet the high expectations and ever changing demands of Oklahoma school districts. As we introduce the new i-SI 2.0, we will be offering a variety of demonstrations across the state highlighting the new interface and features. **The pilot release will be July 1, 2017.** As we move forward we will keep you updated with the progress and release date.

Because the new i-SI 2.0 will continue to use the same database as the current i-SI, i-GB 2.0 and i-LR applications, there will be **NO DATA CONVERSION.** Be assured, however, that the new look and features will give your district the ability to do more with less. Additionally, there will be **NO PRICE INCREASE FOR 2017** and your users will be able to use both the current i-SI interface and the new i-SI 2.0 interface as your users make the transition.

APPLICATION/INTERFACE:

- Single-Sign On (SSO) for all Applications
- Browser-Based/Web-Based Interface with consistent and Modern Interface Design
- Accessible Anytime From Any Modern Device with Internet Connection
- No Client Software to Purchase or Manage
- Completely Integrated/Centralized Database with the Wen-GAGE i-Accounting System and Wen-GAGE i-Student Information System Product Suites.

Our desire to create a new, browser based interface Student Information System is our way of saying thanks to you, our customers, who trust in and use our products!

Sincerely,

Darrin Humphrey
VP of Sales/Marketing

- Confidential & Proprietary Information. For purposes of this Section, a Party receiving Confidential & Proprietary Information (as defined below) shall be the "Recipient" and the Party disclosing such information shall be the "Discloser."
 - Acknowledgment. Customer hereby acknowledges that the Service (including any Documentation, source code, translations, compilations, partial copies, and derivative works used in connection with the Services) is provided using confidential and proprietary information belonging

Term of Agreement: 2017-2018 Fiscal Year

exclusively to MAS or its third-party licensor (as appropriate), and MAS hereby acknowledges that Customer Data contains confidential and proprietary information belonging exclusively to Customer or relating to its affairs (in each case, "Confidential & Proprietary Information"). Confidential & Proprietary Information does not include: (i) information already known or independently developed by Recipient outside the scope of this relationship by personnel not having access to any Confidential & Proprietary Information; (ii) information in the public domain through no wrongful act of Recipient, or (iii) information received by Recipient from a third-party who was free to disclose it.

- (b) Covenant. Recipient hereby agrees that during the Term and at all times thereafter it shall not use, commercialize, or disclose such Confidential & Proprietary Information of the Discloser to any person or entity, except to its own employees and agents having a "need to know" (and who themselves are bound by similar nondisclosure restrictions), and to such other recipients as the Discloser may approve in writing; provided that all such recipients shall have first executed a confidentiality agreement in a form acceptable to Discloser. Recipient shall not: (i) alter or remove from any Confidential & Proprietary Information of the Discloser any proprietary legend, or (ii) decompile, disassemble, or reverse engineer the Confidential & Proprietary Information (and any Information derived in violation of such covenant shall automatically be deemed Confidential & Proprietary Information owned exclusively by the Discloser). Recipient shall use at least the same degree of care in safeguarding the Confidential & Proprietary Information of the Discloser as it uses in safeguarding its own confidential information, but in any event at least reasonable care. Upon termination or expiration of this Agreement, and regardless of whether a dispute may exist, Recipient shall, upon request by Discloser, return or destroy (as instructed by Discloser) all Confidential & Proprietary Information of Discloser in its possession or control and cease all further use thereof.
- (c) Injunctive Relief. Recipient acknowledges that violation of the provisions of this Section would cause irreparable harm to Discloser not adequately compensable by monetary damages. In addition to other relief, it is agreed that injunctive relief shall be available without necessity of posting bond to prevent any actual or threatened violation of such provisions.
- 10. Notices. Notices sent to either Party shall be effective when delivered in person or transmitted electronically, one (1) day after being sent by overnight courier, two (2) days after being sent by first class mail postage prepaid to a physical address provided by the Customer, or five (5) days after being sent by email from MAS to the address in the Customer account. A copy of this Agreement and notices generated in good form shall be treated as "original" documents admissible into evidence unless a document's authenticity is genuinely placed in question.
- 11. Survival. Termination shall have no effect on the Parties' rights or obligations under Section 7 ("Privacy and Personal Information"); Section 9 ("Confidential & Proprietary Information"), Section 12 ("Independent Contractor Status"), any payment obligations or any provision which by its nature should survive.
- 12. Independent Contractor Status. Each Party and its employees and agents are independent contractors in relation to the other Party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association, or employment relationship between the Parties. Each Party shall remain responsible and shall indemnify and hold harmless the other Party, for the withholding and payment of all federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies, or employee benefit requirements now existing or hereafter enacted and attributable to themselves and their respective people.
- 13. Miscellaneous. This document and the documents incorporated herein constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. MAS reserves all rights not specifically granted herein. Neither Party shall be liable for delays caused by events beyond its reasonable control, except non-payment of amounts due hereunder shall not be excused by this provision. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect. Waiver of any provision hereof in one instance shall not preclude enforcement thereof on future occasions.

The Wen-GAGE i-Student Information System (i-SIS) is a SIF Certified solution that allows your school district to share data seamlessly between Wen-GAGE i-SIS and other SIF Certified applications, such as your library automation, food service, and instructional management systems.

At the core of any SIF deployment is a Zone Integration Server (ZIS). A ZIS is software that delivers data from one application to one or more other applications. The ZIS can be setup within your school district's network or outside of your school district's network at a hosting facility. This setup is based on your agreement with your ZIS vendor. Municipal Accounting Systems, Inc. does not provide a ZIS.

Setup Information for School District

The steps required to setup the Wen-GAGE i-SIS SIF Agent for use by your ZIS vendor are outlined below.

Step 1 – Check the data objects that you want to provide to the ZIS.

LEA Info	School Info	Room Info						
Calendar Summary	Calendar Date	Term Info						
Staff Personal	Staff Assignment	School Course Info						
Section Info	Student Personal	Student Contact						
Student School Enrollment	Student Attendance Summary	Student Section Enrollment						
Student Meal	Attendance Code Info	Student Daily Attendance						
Student Section Marks	Discipline Incident							
Step 2 — Check the data objects that you want to subscribe to from the ZIS. Student Meal								

Step 3 — Create a User in i-SecurityAdmin to allow authentication to the Wen-GAGE i-SIS SIF Agent. This user should be used solely for the purpose of authenticating to the Wen-GAGE i-SIS SIF Agent.

If you want to provide all students for all sites, the User will need the following roles:

SIAdministrator

StudentSSNReader

Because the SIAdministrator role has access to all students for all sites, you do not specify the individual students to provide. By default, all students for all sites will be provided.

If you want to provide only specific students, the User will need the following roles:

Note: Do NOT assign this user the SIAdministrator role.

Account/PayStatusReaderWriter

Activity/ScheduleReader

Assignment/Elig/GradesReader

AttendanceReader

CorrespondenceReader

DemographicsReaderWriter

DisciplineReader

SIUser

SpecialNeedsReader StudentSSNReader

For this user, you must also specify the students you wish to provide.

To provide students individually, use the Edit Students option from the Main Menu. With this option, you can select one or more students to add to the User.

To provide all the students in a site, use the Edit Sites option from the Main Menu. With this option, you can select one or more sites to add to the User. Note: If you add a site to the User, all students in that site will be provided.

Step 4 – Provide Municipal Accounting Systems, Inc. with the Username and hash of the Password to authenticate to the Wen-GAGE i-SIS SIF Agent. You can get the hash of the Password from i-Security Admin by selecting the User, then selecting the Get Password Hash option from the Main Menu.

Step 5 – Specify the Zone URL and SourceID of the ZIS to which the Wen-GAGE i-SIS SIF Agent will connect. This information can be provided to you by your ZIS vendor.

Zone URL:

Step 6 – Read the following Acknowledgement, Representations, and Agreements section below. Sign and date this document and return to Municipal Accounting Systems, Inc.

TO: Members of the Board of Education and Dr. Simpson, Superintendent

FROM: Eldona Woodruff, Director of Special Education and Laura Benham, Guthrie Special

Olympics Coordinator

SUBJECT: State Special Olympics Summer Games

DATE: Feb. 24, 2017

For the past several years, some of our Special Education Students with Intellectual Disabilities ages 8 through twelfth grades along with their coaches and volunteers have attended the State Special Olympics Summer Games in Stillwater in May. The cost of this activity is paid from the Guthrie Special Olympics Activity Fund. They younger students and students with significant disabilities attend the day events only and return home to Guthrie each evening. Students in grade 4-12 stay in Stillwater at night to participate in daytime and evening events. Last school year the cost of registration, housing, and food for grade 4-12 was approximately \$6500.00, including the cost of substitutes and transportation.

For the current year, we propose that the younger students (ages 8-4th grade) and students with significant multiple disabilities continue to be transported to attend the day events only. Students in grades 4-12 will stay in Stillwater and participate in the day and evening activities sponsored by Special Olympics. This year all students spending the night will stay in the dorms at the OSU campus with their coaches and chaperones. We have four families that will by staying with their child at the Cimarron Hotel and Suite due to the amount of care needed by their child. The cost for grades 3-12 will be approximately \$5500 for housing, \$350 for registration, and \$1500 or food and drinks and snacks, for an approximate total of \$7350.00, including costs of substitutes and transportation.

The approximate number of students and adult sponsors attending the May 17th-19th, 2017 State Special Olympics Summer Games in Stillwater will be:

To Dennis Schulz,

We are recommending a \$.10 increase for all paid student lunch meals as required by USDA.

This will increase PreK-3rd Paid Student Lunch Meals to \$2.60.

This will increase 4th-6th Paid Student Lunch Meals to \$2.80.

This will increase 7th-12th Paid Student Lunch Meals to \$2.90.

We are also recommending a \$.10 increase for all paid student breakfast meals because Guthrie is low compared to other schools and we haven't raised the breakfast prices in several years.

This will increase PreK-6th Paid Student Breakfast Meals to \$1.30.

This will increase 7th-12th Paid Student Breakfast Meals to \$1.40.

Sincerely,

Jessica Callaway Director of Dining Services

Finance Committee Meeting

February 28, 2017

4:00 P. M.

In Attendance: Dr. Mike Simpson, Dennis Schulz, Doug Ogle, Eldona Woodruff, Janna Pierson, Tina Smedley and Vicki Biggs.

Mr. Schulz opened the meeting informing the committee the first pages were routine financial reports and if they had questions to contact him.

Mr. Schulz spoke on the following:

Comparison Report/Projection Report

The comparison report compares what is actually spent in February this year versus last year. The EOY projection report varies a little from last months' projections due to new cuts.

Meal Price Increase

The lunch price increase is due to USDA requirements. The request for the breakfast increase is due to not having an increase in several years. This would help offset the increase of the food and milk costs.

K-8 Summer School

This is will allow for summer school to be offered and will be paid with Title I funds.

Municipal Accounting Contract Renewal

Renewal of our accounting and student information software for 2017-18. There is a decrease in price of approximately \$900.00.

Mr. Ogle spoke on the following:

Extra Duty Contracts

These contracts are for assistant coaches for the girls track team and the Jr. High baseball team.
