

# SPEECH & LANGUAGE HOMEWORK: BOOKS

This activity focuses on the following speech and language skills: naming and identifying vocabulary, following routine, answering WH- questions and emergent literacy skills.

Materials: Simple pictures books with one picture/word per page (First Words books are great to use for this activity)

Directions:

1. Show your child the book. Practice saying "book" and "open".
2. Look at each page slowly. Point to and name the title, author, front and back of the book.
3. Point to one picture at a time, say the name of the object. Repeat the name 5-10 times while pointing to it. Encourage your child to point to the picture while you name it. Track print as you read.
4. Once your child becomes familiar with the book ask them to point to the pictures, say "Where is \_\_?".
5. Repeat.
