

SPEECH & LANGUAGE HOMEWORK: BUBBLES

This activity focuses on the following speech and language skills: joint attention, requesting more, using the b, m, g, p, w sounds, following routine, imitating words and sounds.

Materials: Bottle of bubbles with wand

Directions:

1. Show your child the bottle of bubbles.
Practice saying or signing “open” and “bubble”.
Encourage your child to imitate your words.
2. Once you have the bubbles open, dip the stick into the solution and hold it up. Say “Ready, Set, Go!” After practicing a few times, pause before “go” and encourage your child to say “go!”.
3. Blow bubbles. Say “wow” as they fall.
4. When bubbles land start popping them and say “pop!” each time.
5. Before the next round of bubbles ask “more?”
Encourage your child to say or sign “more”.
6. Repeat steps 2-5.
