

Pre-AP English 2 Lesson Plans

April 13-17, 2020

This week we will be doing a little bit of grammar and proofreading (you just thought you were getting out of correcting the paragraphs)! I know that you are terribly excited! You can print the paragraphs or just write the corrections on a sheet of paper. I will provide the answer keys for the paragraphs so that you may check your work. Set 10 minutes on the clock, correct the paragraph, and take some time to see how you did. As you check, look up the grammar mistakes you made and correct them (you can look up the grammar rules online if you have access).
