

SPEECH & LANGUAGE HOMEWORK: TOY CAR

This activity focuses on the following speech and language skills: naming vocabulary, following routine, requesting, imitating environmental noises and using the b and m sounds.

Materials: Toy cars, train or trucks

Directions:

1. Put toy cars on the ground or table. Have one car for you and one for your child. Point to and name it frequently saying "car".
2. Pretend to drive around. While you drive make the "vroommm" noise. Encourage your child to imitate your noise.
3. "Drive" your car towards your child's while saying "beep-beep!".
4. Flip cars over and say "uh-oh". Repeat several times.
5. Pretend to crash cars while saying "boom!", "bam!" or "crash!".
6. While driving stop suddenly and say "stop!", pause for 1-2 seconds and then say "go!". Repeat
7. Routines above can be completed with other vehicles, modify sounds as needed.
