# USING THIS RESOURCE:

- Print and go
- Use when you have a mixed speech and language group.
- Each page has language prompts for articulation sounds.
- Let your articulation students be the language models.
- For some tasks, the question will have the articulation target, and for others the target will be in the answer. Encourage your students to respond in complete sentences for more opportunities to practice the target sound.
- Language goals included: synonyms, antonyms, describing, wh- questions, sequencing, social skills, syntax, compare/contrast, and go-togethers
- Sounds included: /s, r, l, th, sh, ch, k, v, f, g/ in all positions of words plus /r, s, and l/ blends.
