Disciplinary Handbook  
with Rules and Guidelines***

**Board Approved on 7-11-2022**

# School Bus Rider Guidelines

**PARENT/GUARDIAN: Please keep these SAFETY guidelines for future reference.**

The Guthrie Board of Education realizes that school bus transportation is an integral part of the modern-day educational process. At the same time, the State of Oklahoma has determined that school bus transportation is to be considered a **privilege** and **not a right** of the students attending the state's public schools (70 OS 9101). Because of these two facts, and because the Board has decided to extend transportation privileges to those who are eligible, the following procedures have been established to facilitate safe transportation of the district's students.

These **safety** procedures are not in place to create a hardship on parents or guardians. They are in place to provide for the **safety** of all students that are transported by bus. They will not supersede, but are in addition to all Board adopted policies, and building level student handbooks as **the bus is an extension of the classroom**.

We carry the most precious cargo in the world: our children. We ask that you appreciate the efforts being put forth to care for your children and to cooperate with school administrators in their pursuit of **safe** transportation.

## **ELEMENTARY and SECONDARY ROUTE BUS TRANSPORTATION**

- Each student rider will be assigned a bus to the school associated with their **primary residence ONLY**.
- There will be new bus stop locations throughout the district and school boundaries for ALL route bus riders
- Walk zone to each school is 1 1/2 miles from your residence.
- **Walk distance to each stop is up to 1/2 mile from the bus stop to your residence**
- We will no longer provide transportation by shuttling students from school to school

## **Application for Student Rider(s)**

**Each student must be registered as a bus route rider before they can ride a school bus.** Proof of residency is required, see the "Parent's Backpack" on the website for more information. IF residency is not verified, students may lose rider privileges.

The GPS Transportation Department has several ways to submit a student's application.

1. **ONLINE** : We encourage each household to register their student(s) online at **<http://guthrie.ezrouting.com>**, with this option you can make any necessary changes (like phone numbers, address, etc.) that might happen during the school year without having to come into our office. You will also be required to change the information with the school site before changes can be revised in our system.

\* With this option we can have your student(s) assigned to a bus in approximately 3 days.

\* We suggest you use the same email/ID and password you used to enroll your student(s).

2. **WEBSITE** : **[www.guthrieeps.net](http://www.guthrieeps.net)** click on **Departments and drop down to Transportation**

Parents must complete this application process and submit ~~and/or return~~ it to the transportation office at least **5 days before** the student wishes to start riding the bus.

**Once** the student's application has been **approved and entered** in our routing program; you will be notified of the route number, approximate morning pickup time, and stop location via email and/or text message. **IF** the application is **denied** you will be notified via email and/or text with a brief reason as to why.

Because you requested transportation, you and your student(s) are agreeing to follow the Bus Rider **Safety & Disciplinary** Handbook approved by the GPS Board of Education.

## **Route Students**

**Students will ride only their assigned bus.** Students will only get on and off the bus at their assigned stop. If a Route student does not ride for two (2) consecutive mornings, without notifying transportation the bus will not return or stop until you notify the Transportation Office (405-282-5919) that the student(s) will again be riding.

**Students must arrive at the bus stop ten (10) minutes prior to designated bus pick-up time** and wait in a **safe** and orderly manner out of the roadway and off private

property. Students must not approach the bus until it has come to a complete stop and are signaled by the driver to board the bus.

Driver will wait two (2) minutes at residential stops & one (1) minute for group stops before pulling away from the stop. There will be no going back. However, the bus can be met at the next approved stop location.

Please wait at least ten (10) minutes after the regular pick up time before calling transportation about the bus being late.

### **RIDING A DIFFERENT BUS**

Notes to the driver or monitor are not acceptable.

ANY Students who wish to ride another bus other than their assigned bus (i.e. coming from or going to a friend or relative's house, childcare, etc.) will provide their own transportation. **This means parents are responsible for providing this type of transportation.**

Rider Waiver: In special unforeseen circumstances (i.e. medical emergency), it **MAY** be possible for a student to obtain permission to ride another bus or get off at another stop. However, the waiver will be subject to space available, and on a case by case basis. These waivers are for **ONE RIDE ONLY**. Then other arrangements need to be made.

### **BUS SAFETY & DISCIPLINE**

It is our goal at Guthrie Public Schools to provide an orderly and **safe** transportation experience. **Riding the bus is a privilege** and as such can be granted or taken away based on the student's conduct and behavior.

**Safety** is the responsibility of parents, students, teachers, bus drivers, bus monitors, and administrators.

## **BUSTER SAYS**

**SEAT TO SEAT – BACK TO  
BACK – FEET ON THE  
FLOOR – STAY SEATED--  
ARMS AROUND BACKPACK!**

The student is responsible for his/her conduct. Because not every problem that may arise can be foreseen, students should use good common sense to govern their behavior.

They should treat each other, the bus driver, faculty, staff and property with respect. They should be aware that when their behavior distracts from the ability to provide **safe** transportation services a **Safety** Violation will result.

It is the responsibility of the parent to instill in their child the value of appropriate behavior, good conduct, and to reinforce the **safety** policies and goals of the school.

It is the bus driver's responsibility to set high standards for student behavior and to enforce the rules as they relate to transporting students **safely**.

It is the responsibility of the administrator to take appropriate measures when **safety** violations, disciplinary action, and when general transportation rules and school policies have been disregarded or when crimes under Oklahoma Statutes have been committed.

The administrators will also step in; after all other possibilities have been exhausted, to administer more severe consequences to those students who continually disrupt the quality or **safety** of the transportation experience.

**The safety and disciplinary violation process are cumulative throughout the school year.**

Students are held responsible to be good bus citizens over the entire course of the school year.

Students are expected to:

- a. Behave **safely** while on the bus
- b. Board and exit the bus quietly and orderly
- c. take their assigned seats if applicable
- d. remain seated correctly
- e. converse quietly with their nearest neighbor.
- f. Behave similar to the classroom

**THE BUS DRIVER IS IN CHARGE OF THEIR BUS**

(Just like the teacher in a classroom)

Student behavior is expected to be similar to that in the classroom. The bus driver may or can assign seats by name and/or grade.

Any disrespect, defiant conduct, obscene language and/or gestures, verbal and/or physical assault, or any other serious infraction directed toward a driver, monitor, or other transportation representative by a student, his or her parent/guardian, or other representative will result in IMMEDIATE termination of riding privileges for a minimum of 5 school days up to the rest of the school year.

## The SAFETY & Disciplinary Rules

These rules are in place to provide the **safest** ride to and from school and/or school activities. Violation of safety procedures endangers everyone on the bus.

Any infraction of the following rules will place the student into the bus **safety/disciplinary** process.
