ACTIVITY FUND FUNDRAISERS PROCEDURES

All fundraisers must have the approval of the Board of Education.

The Board of Education requires a complete and accurate accounting of all inventory received for sale from the time it is received on site until the remaining product is either sold or returned for credit. These procedures must include a requirement to account for every item of product, by name of student or sponsor, from the point they receive possession to the point they turn in sales collection or unsold product.

It is a violation of Oklahoma State Law to use cash collections to purchase additional supplies and materials while conducting a school sponsored activity. All funds collected (cash & checks) must be receipted and deposited into a Board approved school activity fund. Also, all items purchased should be expended and coded through the schools' activity fund. You are not allowed to use money collected at an event (such as a car wash or carnival) to purchase additional items that are needed for that event. Although it may equal the same net profit at the end of the process, all funds must still be deposited in and out of the school activity fund in order to have a proper audit trail. It is a good practice for sponsors to prepare a purchase request in their name for misc. reimbursements at the beginning of each semester. Therefore, in the case you are at a school event and additional items are needed, we recommend that a sponsor purchase the items with their personal funds. After the event, the sponsor can submit an original, itemized receipt to obtain reimbursement from the activity fund. However, we cannot reimburse sales tax. Adhering to this policy protects teachers and sponsors from accusations of theft and/or fraud.

Additional procedures include the following:

- A Fundraiser Request Form can be found on the Bluejay Bundle on the school district website and must be completed and signed by sponsor & site principal.
- The Child Nutrition Director must review and sign all food sale fundraiser requests.
- All requests must be typed and turned into the Activity Fund Clerk 45 days prior to the date of the fundraiser.
- Request should be received by the Activity Fund Custodian no later than the last Friday of the month prior to each monthly Board Meeting.
- All Fundraisers require an After Sale Accountability Form be completed at the close of the fundraiser. If After Sale Accountability is not received by the Activity Fund Clerk within 30 days from the close of the fundraiser, no future fundraiser requests will be accepted for Board approval until form is received.
- Activity Fund money belongs to the school district and is under their guidelines for disbursement. Money earned through fund raising activities may not be earmarked as belonging to individual students. To allow students to earn money for their personal use through fundraising activities has been determined to be improper by our auditor.

SANCTIONING POLICY

The Board of Education of the Guthrie School District believes that student achievement programs and parent-teacher associations and organizations can advance the educational goals of the Board of Education and confer a benefit to the students of the School District. It is the purpose of this policy to establish guidelines for the sanctioning of student achievement programs and parent-teacher associations and organizations that raise money and collect revenues for the benefit of students. Only those student achievement programs and parent-teacher associations and organizations sanctioned in accordance with this policy

will be exempt from the statutory controls over school activity funds found in the Oklahoma School Code OKLA. STAT.tit.70, Section 5-129.

Sanctioning Procedure for Student Achievement Programs and Parent-Teacher Associations and Organizations

1. The School District may sanction student achievement programs and parent-teacher associations and organizations that according to the Board's determination, advance the educational objectives of the School District, are beneficial to students and meet the requirements of this policy.
2. In determining whether a student achievement program or a parent-teacher association or organization should be sanctioned by the School District, the Board of Education may consider: (1) if the program, association, or organization promotes activities that are an extension, expansion, or application of the School District curriculum; (2) if the program, association, or organization assists student government or activities in carrying out special projects or responsibilities; (3) if the program, association, or organization assists student clubs organizations, and other student groups in raising funds to promote activities approved by the Board of Education; and (4) supplemental information provided by the student achievement program or by a parent-teacher association or organization in support of its application.
3. An application by a student achievement program or by a parent-teacher organization to the Board of Education requesting sanctioning shall include the following: (1) a statement of its purpose, goals, organizational structure, and membership requirements; (2) a detailed statement of how the School District and its students will benefit if the organization is sanctioned; (3) a statement of nondiscrimination consistent with all Oklahoma and federal laws; and (4) financial report as defined by Board of Education regulations, which has been performed on such.
4. The application shall be submitted to the principal for preliminary review. The principal shall forward the application to the superintendent; the superintendent shall make a recommendation to the Board of Education. The Board of Education shall review the application and shall sanction or decline to sanction the applicant.
5. The decision of the Board of Education is final and non-appealable. In order to maintain the status of a sanctioned program, association, or organization in accordance with this policy, the superintendent of schools or the Board of Education may require from any such program, association by an independent accounting firm at the expense of the sanctioned program, association or organization, on an annual basis, that a financial audit be performed on the program, association, or organization by an independent accounting firm at the expense of the sanctioned program, association, or organization. If required by the superintendent of schools or the Board of Education, the audit shall be submitted to the superintendent within ninety (90) days of the superintendent's request. The Board of Education shall review the audit submitted and determine if the program, association, or organization is entitled to continue to be sanctioned in accordance

with this policy and if its funds should continue to be exempt from the statutory controls over student activity funds found in the Oklahoma School Code, OKLA.STAT. tit. 70 section 5-129. Otherwise, an annual financial report as defined by Board of Education regulations will be required. The financial report shall be submitted to the superintendent by September 1 of the year following the year of original approval and every year thereafter.

6. The superintendent of schools or the Board of Education may, at any time they deem warranted, request copies of any and all records maintained by the program, organization or association. Copies of records must be promptly provided upon request of the Board or superintendent.
7. The Board may, and non-appealable.
8. The organization may maintain bank, financial, and tax exempt status separate from the school. The organization will provide to the board of education, annually or upon request, a complete set of financial records or detailed treasurer's report.
9. Any plan, project, or movement instituted to expand, modernize, renovate, or render maintenance to school-controlled and/or owned properties, or provide academic achievement awards and other educational recognition at its discretion, withdraw sanctioning at any time it deems it is in the best interest of the School District. Any decision of the Board of Education to withdraw sanctioning is final to students or student bodies will be presented to the board of education in official session for its consideration, comment, evaluation, approval, and sponsorship. This must be done before any public announcement is made.
10. In no manner will board sanctioning of an organization preclude the organization from compliance with state and federal laws as they pertain to equal opportunity and treatment of all students. Gifts or services provided to the school should benefit both boys' and girls' activities.

What is Sanctioning?

- Allows organization to operate for benefit of students
- Board of Education has complete discretion in the sanctioning of organizations. Sanctioning Does NOT Equal control
- Board of Education does not control funds
- Board of Education does not ensure that organization complies with applicable state and federal laws
- Organizations may NOT use school district's tax-free status
Common Mistakes made by 501(c) 3
- Form 990: Sanctioned Organizations must file IRS Form 990. This is the annual "Return of Organization Exempt Form Income Tax." IRS form 990N may be filed in lieu of form 990 when gross receipts are less than \$25,000.
- Many organizations overlook the need to report compensation of \$600 or more to the IRS. Awards, fees, and similar payments must be reported on Form 1099MISC, which must be sent to the recipient no later than January 31st, and to the IRS, with a Form 1096 transmittal, no later than February 28.

The IRS may deem payments to District employees by sanctioned organizations to be taxable compensation.

- If your organization would like to make a gift of any amount to a District employee, please contact the District to ensure the gift is processed through the payroll office.

Ways to Protect Against Liability

- Insurance and bonds
- Good procedures
- Written documents to provide club “memory”
- Well thought-out activities and services
- Consider national affiliation (PTA vs. PTO)
- Remain under the control of the school activity fund

Additional recommendations

- Club Treasurer should not be the coach/sponsor of organization
- Treasurer should countersign all checks
- Keep minutes of each club meeting on file

OKLAHOMA STATE LAW & DEPARTMENT OF EDUCATION REGULATIONS

The following words and terms, when used in this section, shall have the following meaning, unless the context clearly indicates otherwise:

“School activities” means cocurricular or extracurricular activities. Cocurricular activities are school-sponsored activities, under the guidance and supervision of LEA staff, designed to provide students such experiences as motivation, enjoyment, and improvement of skills. Activities normally supplement the regular instructional program.

“Extracurricular activities” means all direct & personal services for public school pupils for their enjoyment that are managed & operated under the guidance of an adult or staff member. Extracurricular activities are usually not offered for school credit nor required for graduation; are conducted outside school hours, or a time agreed upon by the participants if partly during school hours and approved by school authorities; and their content of activities is determined primarily by the student participants.

The board of education of each school district shall exercise control over all funds on hand or hereafter received or collected, as herein provided, from student or other extracurricular or cocurricular activities conducted in the school district. Such funds shall be deposited to the activity fund. Deposit of funds subject to the requirements of school activity accounts shall be made daily; however, if cumulative deposits total less than One Hundred Dollars (\$100.00), a school district may provide for the deposit of such funds not less than one time per week. Disbursements from each of the activity subaccounts shall be by check countersigned by the school activity fund custodian and shall not be used for any purpose other than that for which the subaccount was originally created. The board of education, at the beginning of each fiscal year and as needed during each fiscal year, shall approve all school activity fund subaccounts, all subaccount fund raising activities and all purposes for which the monies collected in each subaccount can be expended. Provided, the board of education may direct by written resolution that any balance in excess of the amount needed to fulfill the function or purpose for which a subaccount was established may be transferred to another subaccount by the custodian.

The board of education of each school district may designate that any of the following revenue be deposited for the use of specific student activity subaccount, or to a general activity subaccount, within the school activity fund.

- 1. admissions to athletic contests, school or class plays, carnivals, parties, dances and promenades;*
- 2. sale of student activity tickets;*

3. *concession sales, including funds received from vending concession contracts and school picture contracts approved by the district board of education, and cafeteria or lunchroom collections;*
4. *dues, fees and donations to student clubs or other organizations, provided that membership in organizations shall not be mandatory;*
5. *income or revenue resulting from the operation of student organizations or club projects, provided such revenue is not derived from the sale of property, supplies, products, or other assets belonging to the school district;*
6. *deposit for or collection for the purchase of class pictures, rings, pins, announcements, annuals, banquets, student insurance, and other personal items; provided the cost of such items shall not be charged against other school district funds.*
7. *income collected for use by school personnel and other school-related adult functions.*
8. *all other income, revenue, deposits or collections of any nature, including, but not limited to Indian education support funds (parental cost); laboratory fees; fees for the use of equipment owned or rented by the school district; deposits or assessments for breakage or supplies used in instructional courses; sale, exchange, lease or rent of property, supplies or products originally acquired from funds belonging to the school district or through the management, use or production of property belonging to the school district shall be deposited with the school district treasure in accordance with the provision of 62 O.S. 2001~335.*

The board of education of such district may establish, by board resolution, a general fund refund subaccount within the school activity fund. The balance in the subaccount shall be determined by need, and it shall be provided by refunds and reimbursements received, including, but not limited to, rental income, reimbursements for lost and damaged textbooks, summer school and adult tuition, overpayments, and tax refunds. The subaccount may be expended only for the refund of revenues previously received and deposited either into the subaccount or activity fund be financed by depositing all or part of the applicable collections and that all refunds be made from that account. Any remaining balance in the refund subaccount shall be transferred to the school district general fund on or before June 30 each year.

The board of education of each district may establish a petty cash account to be used only for the purpose making small expenditures, such as postage, freight or express charges, provided no single expenditure from the petty cash account shall be made in excess of Seventy-five Dollars (\$75.00) and the total expenditures during any one fiscal

year shall not exceed Two Thousand Five Hundred Dollars (\$2,500.00). The school activity fund custodian shall initiate the petty cash account by filing a purchase order/encumbrance against the general fund of the school district for the authorized amount of the petty cash account which shall not exceed Two hundred Dollars (\$200.00). The general fund warrant issued in payment of said claim shall be deposit in the petty cash account in the school activity fund.

All disbursements from the petty cash account shall be made in the same manner as other disbursements from the school activity fund, except no disbursement shall be make from the petty cash account unless a prenumbered, dated receipt be obtained and signed by the person receiving payment. A school board may designate a petty cash custodian to countersign petty cash checks in place of the school activity fund custodian. The school activity fund custodian shall file claims against the general fund of the school district for reimbursement of the petty cash account whenever the need shall arise. Each reimbursement to the petty cash account shall be coded to the appropriate function/object code as appropriate. Such claims shall be itemized in the same manner as other claims filed against the general fund, and shall have attached thereto the receipts covering each of the expenditures claimed for reimbursement. The total of the petty cash account balance and the receipts on hand awaiting reimbursement should equal at all item the authorized amount of the petty cash account.” (70 O.S. Supp 2001m ~5-129)

A prenumbered receipt shall be obtained when a check is drawn against the petty cash account, and all such prenumbered receipts shall be accounted for at the end of the fiscal year. If a prenumbered receipt is spoiled it should be marked “void” and attached along with others on which reimbursement is being claimed; the copy or stub should also be marked ‘void’ if one is being used.

None of the provisions pertaining to the petty cash account shall be construed to authorize the use of one fiscal year’s funds to pay obligations of another fiscal year. Therefore, any remaining balance in each petty cash account shall be transferred to the general fund on or before June 30 of each year.

The State Board of Education shall adopt appropriate rules and regulations and design standard forms for the proper conduct of the various student activity sub-accounts. (70 O.S. Supp. 2001, ~5-129).

The board of education of each district shall exercise control over all school activity funds except those funds which are collected by organizations chartered by the Oklahoma Congress of Parents and Teacher, Junior Achievement programs, and parent-teacher associations that are incorporated as a nonprofit corporation. Board approval on school activity funds and sub-accounts shall be specific. However, the language for approval for the various methods for raising funds and the purpose for which they are to be expended can be a general nature, the board may delegate authority through a board policy to school administrators to approve specific fund-raising activities during the year to be approved by the board at the next regular board meeting.

Title 70 O.S. Supp. 2001, ~5-129.1 provides: “Those funds which are collected by programs for student achievement and by parent-teacher associations *and organizations that are sanctioned by the school district board of education shall be exempt from the provisions as outlined in Section 5-129 of this title.* Each school district board of education shall adopt policies provisions of this section. The guidelines may include but not be limited to examinations of financial and performance audits performed on each such organization and association.”

The board of education of each district may appoint a school activity fund custodian for each operational site within the district. If a school elects to have operational site school activity fund custodians, each site school activity fund custodian shall be bonded for no less than One Thousand Dollars (1,000.00). Each school activity fund custodian shall give a surety bond as determined by the board of education, but in no case less than One thousand Dollars (1,000.00). Such bond shall be filed with the clerk of the board of education (70 O.S. Supp. 2001, ~ 5-129).

Disbursements from the school activity fund shall be by check, countersigned by the school activity fund custodian and some other person or persons designated by the board of education. Deposits to or transfers from any account may be authorized by the board of education except the refund subaccount and petty cash accounts. The school activity fund custodian shall not use funds in one account for another purpose unless a transfer is granted as provide by law. Accounts may be established by the board of education of each district by whatever name or style it deems best suited to its needs for the revenue collected.

Purchases from activity funds for material or equipment shall not be paid for unless invoices or delivery tickets are furnished. Receipts for collections shall be given by the school activity fund custodian. *Pre-numbered tickets should be used for admissions in order to establish internal control. All tickets not sold by the gatekeeper should be accounted for at the end of each event and a written reconciliation made of tickets sold to actual revenues collected.* Reconciliation documents should be filed in date order as part of the documentation for the activity fund.

Standard forms are not prescribed. Many good forms are now in use and each board of education shall determine if its forms meet legal requirements. Sample forms are included in this manual as a reference only.

School districts shall report all school activity financial transactions using the Oklahoma cost Accounting System.

Specific procedures for all activity funds are as follows:

ACTIVITY FUNDS

The Guthrie Board of Education shall exercise complete control over all activity funds and shall adopt appropriate rules and regulations for handling, expending, and accounting for all such funds.

At the beginning of each fiscal year and as needed during each fiscal year, the board shall approve all school activity fund subaccounts, all subaccount fund raising activities and all purposes for which the monies collected in each subaccount can be expended.

The superintendent shall cause the activity account to be audited annually by a certified public accountant that will be selected by the board. The audit shall be furnished to the board and the cost of the audit shall be paid from the general fund.

Every teacher and/or sponsor in the school system should be informed that all money received is to be turned in to the school activity fund custodian. Every teacher and/or sponsor shall receive a Guthrie Public School Activity Fund Procedure Handbook.

No expenditures shall be made from activity funds except by check and on the authorization of the sponsor of the group to whom the fund belongs. All such checks are to be issued and countersigned by the custodian of the activity fund and some other person or persons designated by the board of education. No checks will be issued in excess of a subaccount balance.

All activity monies shall be deposited daily with the activity fund custodian. Such funds shall be deposited to the credit of the account maintained for the benefit of the particular activity within the school activity fund. Deposits of funds shall be made daily by the activity fund custodian into an interest bearing checking account.

A record of all bad checks will be kept by the activity fund custodian. If the activity fund custodian is unsuccessful in collecting funds, the bad check will be charged back to the proper subaccount.

The activity fund custodian shall furnish a report to the superintendent and board of education each month. This report shall show the previous balance in each subaccount and the total district activity fund balance. The activity fund custodian shall reconcile the report to the superintendent and board of education.

The activity fund custodian, upon approval by the board of education, shall establish a petty cash account for each site to be used only for the purpose of making small cash expenditures, such as postage, freight or express charges. This account shall not exceed two hundred dollars (\$200) at one time, and no expenditure shall exceed seventy-five dollars (\$75). The total expenditures during any one fiscal year will not exceed two thousand five hundred dollars (\$2500) per school building.

The activity fund custodian will be appointed by the board of education. The custodian will provide a surety bond in an amount determined by the board, but not less than one thousand dollars (\$1000).

These provisions shall not apply to funds collected by student achievement programs or parent-teacher associations and organizations that are sanctioned by the board of education. Guidelines adopted by the board for the sanctioning of such organizations and associations may include, but not be limited to, examinations of financial and performance audits performed on each such organization and association.

The superintendent is directed to establish regulations governing activity funds. Such regulation, when approved by the board of education, shall become policy.

SUMMARY

The goal of this manual is to provide each user of the Guthrie Public Schools Activity Fund a “how-to/hands-on” guide for collecting, depositing, and expending funds gathered for special purposes. The handling of all public funds is a sacred trust and many more audit tracks must be visible than in handling personal funds. The following are reminders to the sub-account sponsor’s for the most crucial procedures to follow:

1. All collections made by sponsors must first be receipted by the sponsor, be turned into the Site Financial Secretary each day and a receipt obtained from the secretary for all such collections.
2. There is no statutory authority for cashing personal checks from available collections, and, as a result, it is not legal to do so. Therefore, all sponsors, student groups and adult organizations who control sub-accounts within the school activity fund must clearly understand that this action is prohibited and do not cash personal checks under any circumstances.
3. Sufficient cash must be on hand to cover all outstanding checks, all unpaid bills, and all new indebtedness before any new debt can be incurred in any sub-account of the Activity Fund. If the sponsor is unsure, they must contact the School Activity Fund Custodian and acquire their net balance in the sub-account before any additional transactions or proposed new debt is incurred.
4. All bills incurred in any given sub-account of the Activity Fund should be promptly paid within one (1) month of the receipt of goods or services.
5. In the event of fund raisers, the Board of Education requires a complete and accurate accounting of all inventory received for sale from the time it is received on site until the last item is either sold or turned back in for credit. These procedures must include a requirement to account for every item or product, by name of student or sponsor, from the point they receive possession to the point they turn in sales collections or unsold product.

The school auditor will scrutinize funds very closely because most of the collections are in cash and most discrepancies that occur in school funds are within the activity fund. Spend a little more time; follow the law and this procedure manual, and fund-raising will be less stressful.
