

**Guthrie Public Schools
Student Technology Protection
Plan**

As part of the Guthrie Public Schools Distance Learning Plan, students may checkout a technology package: a Chromebook, charging cord, and protective carrying case. The Guthrie Public Schools *Student Technology Protection Plan* has been established to give parents the option to purchase protection covering the repair or replacement costs of the technology package. The cost for the protection plan during the 2021-2022 school year is **\$25 per student and is non-refundable**. *Families are strongly encouraged but not required to participate in this voluntary program.* For those who opt-in, the protection plan must be purchased **BEFORE** the student takes possession of the technology package. The plan is effective until June 30, 2022.

Protection Plan Coverage:

If purchased, the *Student Technology Protection Plan* covers damage to the technology package items as follows:

- **100%** of the **FIRST** incident of damage or theft
- **50%** of the **SECOND** incident of damage or theft
- **0%** of any additional incident of damage or theft - After two incidents, the parent/guardian is responsible for **all** repairs and replacement costs.

This plan does not cover lost equipment; only damaged or stolen equipment.

STOLEN CLAIMS MUST BE SUBMITTED WITH A POLICE REPORT.

Students may file a Police Report with the SRO at their school.

Evidence of intentional damage or signs the Chromebook was not regularly carried in the district-issued case will not be covered by the insurance.

The plan does not cover cases with stickers or carvings in the plastic
