FOR IMMEDIATE RELEASE

December 17, 2020

COVID Reporting Procedures and Testing Hub Hours of Operation During the Winter Break

Guthrie Public Schools is asking all staff, students and their families to report positive cases of COVID during the winter break which will begin on December 19th. Classes will resume on Monday, January 4, 2021. A special email address has been established for communications related to COVID. Please email covid19@guthrieeps.net if a student or staff member tests positive over the break or will be in quarantine as the Spring semester begins. This will allow our staff to assist in contact tracing if an exposure occurred at school before the Fall semester ended and also prepare our staff if a student or staff member is in isolation or quarantine as we begin the Spring semester.

Total Wellness will be open during the break if GPS families, City of Guthrie employees or Logan County first responders need to be tested. Their days of operation during the break will be December 21-23 and December 28-30. Their hours of operation will be 9:00 a.m. until 3:00 p.m.
