Enrollment Information

- Courses will be assigned on the basis of graduation requirements.
- Levels of courses will be assigned based on test scores, grades, and teacher recommendations.
- Please think of elective course selections as a “wish list”. These are classes you would want to take in addition to your core classes.
- As counselors, we review your transcripts and place you in required classes to meet graduation requirements. If there are electives you need to graduate those will take priority over other electives.
- You may be placed in an Edgenuity class to make up any required classes you have failed. This will take the place of an elective.
