

GUTHRIE PUBLIC SCHOOLS Title VI Indian Education Program

CARMEN WALTERS, EXECUTIVE DIRECTOR

March 29, 2021

Student Name: _____ Grade: _____

The GPS Title VI Indian Education is offering an opportunity to our Native American and Alaska Native students to participate in an ACT Prep Class to be given prior to the June 12, 2021 test date. It is important for the purposes of planning to get an accurate count of students interested in participating in the prep class and the ACT test. **The student must take the entire class from Monday, June 7th, 2021 through Thursday, June 10th from 1-3:30 pm each day or you will be responsible for the class fee of \$100.00.**

The class takes place over four days and is provided live via Zoom. The opportunity for students to ask questions and to review the recorded Zoom meeting afterward will be available. The class covers all four main sections of the ACT (excluding the writing portion), and includes official tests released by ACT to practice the techniques they learned in the prep class. Lectures and handouts are provided to each student digitally for download so students can review the material on their own.

The deadline for registering for the ACT on June 12th is May 21st.

Please complete the following questions *ONLY* if your student intends to participate in one or both of these options:

My child would like to participate in taking the ACT Prep Class held June 7-10th and agrees to attend virtually via Zoom each day from 1:00 PM-3:30 PM or is responsible for the \$100 class fee

I would like for my child to receive the free pre-paid ACT voucher so that he/she can register for the June 12th, 2021 ACT test by May 21, 2021. (Testing site to be determined)

Please return this form to the main office at the high school to Ms. Pollard or Ms. Coleman or to Meghan Norton in the Federal Programs Department at the GPS Administration Office at 802 E. Vilas Avenue in Guthrie by Friday, April 9th. You may also email this form to meghan.norton@guthrieeps.net
