

**GUTHRIE PUBLIC SCHOOLS**

**BLUEJAY ACADEMY**

1021 E. Perkins

Guthrie, OK 73044

Updated 8-2023

## Logging into Clever

Go to <https://clever.com/in/guthrie> to access the school's Single Sign On (SSO) process.

Click Log in with your Google Drive information. (School e-mail & password.) Do NOT choose "Save Password".

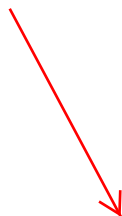

It might take a moment for Clever to load. You'll see a pencil writing in a notebook while waiting.

Clever is very intuitive, so take a moment and "look around." Additional support can be [found here](#).

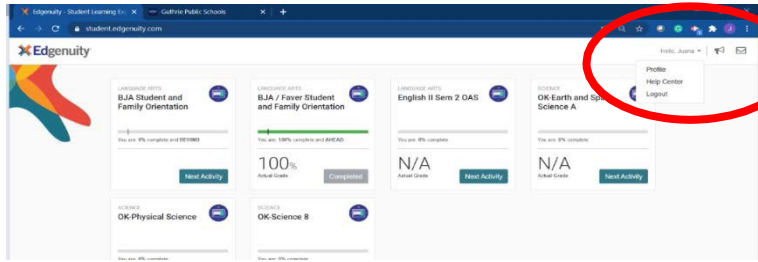

Scroll down and click on Imagine Learning / Courseware / Edgenuity.

Edgenuity will open in a new tab.

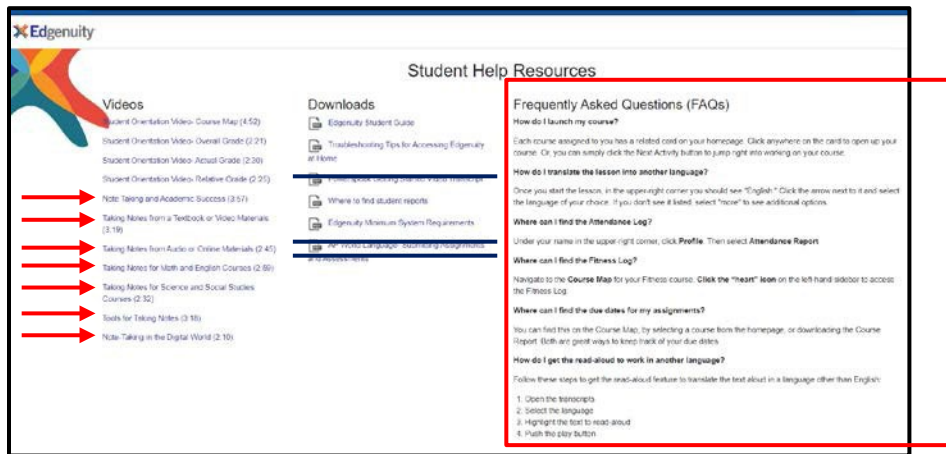

Watch the Orientation Video. Then in Edgenuity, go to the upper right corner and click on the dropdown box by your name and choose Help Center.

On the Student Help Resources pages, watch the videos shown by these red arrows, download (into your School Google Drive!!!) the documents under Downloads and read the FAQ's. (Do not download the two documents that are marked through.)

Carefully read the Downloaded documents. The Student Guide is not short, but it is VERY IMPORTANT.

You will always go through Clever for Edgenuity, G-Mail, etc.
