**MINUTES OF THE GUTHRIE PUBLIC SCHOOLS BOARD OF EDUCATION

Superintendent Simpson stated there were no citizens registered to speak to the Board.
- 6B. Vice President Plagg asked if there were any comments to the Board by Board Members.

There were no comments to the Board from Board Members.

7. **Vice President Plagg called for the Superintendent's Report.**

Superintendent Simpson reported on the following:

We had a tremendous evening for graduation on May 20th. Much thanks to the staff of the Lazy E Arena for their assistance and hospitality. In the past, their administration has been reluctant to commit the use of the building until they were sure a multi-day event was not interested in the venue. We have planned discussions with them about other options to secure a date in advance of initial communications parents may have with attendees.

Our summer meal participation is continuing to increase. We are averaging 244 breakfasts and 322 lunches served daily. Between breakfast and lunch, we have served 3402 meals over the first 6 days.

The legislative session closed since our last regular meeting. Education was given a flat budget and the Governor has called them back into a special session because he wanted significant tax cuts. The legislators that were serving during the teacher walkout have tried to tell the Governor what tax cuts mean given the high bar we have as a state to raise taxes. Despite the discussions, Governor Stitt attributed the warning signs issued from the members of the House and Senate to PTSD by those legislators. As a response today, a bill was filed in the House of Representatives by members of the governor's own party to reduce the Governor's budget by 53%. Obviously, it is an election year.

The legislature attributed the flat education budget to the federal ARPA dollars schools have received. The notion that school districts should fund recurring costs with one time funds when paired with the current rate of inflation at 8% AND the governor discussing tax cuts sends school districts toward a funding cliff that is perilous at best.

An example is our current property insurance for the district which increased 62% or \$238,000 for next year based on the latest quote. There is only one carrier in Oklahoma which will currently insure schools. We have explored other carriers and all have declined to carry our district. This was supposed to be on tonight's agenda but we are working to refine our coverage so our premium could be lowered. Because of this work, we will be required to have a special board meeting sometime between now and July 1st to approve the coverages but we were not able to formulate such a recommendation for tonight's meeting.

With all of that bad news, I can tell you that we are in a financial position where we can sustain the increased costs at this time. It ultimately becomes a decision based on needs and not wants. Fortunately, thanks to good planning, we can fund our needs at this time.

Article on school safety and work the Board has done to keep our students safe.

Clay Tarter services are scheduled for 10:30a.m. tomorrow at Community Church.

Susan Davison
Principal

August 29, 2022

Dear GUES Parents and Families,

In lieu of the traditional brochure fundraiser, this year we will be doing a "Check Fundraiser". GUES parents have always been very supportive of our GUES Fundraisers and it is our hope this fundraiser will make it much easier on everyone. This fundraiser will run through October 7.

We are raising money to help cover the cost of our online programs. There are additional programs that teachers believe will help our children master the grade level standards. We will also be looking to begin purchasing new student desks. These funds will help get us started.

By doing this fundraiser, we keep 100% of all funds. We encourage you to reach out to parents, grandparents, extended family and friends for donations. If every student earned \$10 – we would raise \$4,500. If every student raised \$20 – we would raise \$9,000. If every student raised \$50 – we would raise \$22,500. If every student raised \$100 – we would raise \$45,000. We know that not everyone will be able to raise a large amount. We do hope that every child will be able to participate – every dollar counts.

For those students who raise over \$100 – you will get to throw a pie in the face of a staff member of your choice. The student at each grade level that raises the most money will receive a pizza and ice cream lunch for themselves and three friends with the office staff.

We hope that this check fundraiser will make it easier for parents/guardians and extended family and friends to participate and contribute to our goal.

Thank you for all your support you give to your child's education.

Sincerely,

Susan Davison, Principal

Re: Willow Creek Health Care, LLC Agreement

Attached is a copy of the renewal agreement with Willow Creek Health Care, LLC for maintaining an Intergenerational Pre-K classroom for the 2022-2023 school year. This will be the eleventh year for a Pre-K classroom at the Willow Creek facility located at 2300 West Noble.

I recommend approval of the agreement between Guthrie Public Schools and Willow Creek Health Care, LLC.

AGREEMENT

THIS AGREEMENT, effective July 1, 2022, is made by and between the **WILLOW CREEK HEALTH CARE, LLC (“Willow Creek”)** and **INDEPENDENT SCHOOL DISTRICT NO. 1 OF LOGAN COUNTY, OKLAHOMA (“District”)**.

RECITALS:

A. **WHEREAS**, Willow Creek maintains a residential care facility for senior citizens located at 2300 West Noble in Guthrie, Oklahoma (the “Facility”); and

B. **WHEREAS**, the District operates and maintains early childhood educational programs for four year old children; and

C. **WHEREAS**, Willow Creek and the District wish to establish an “intergenerational” early childhood educational program (the “Program”) whereby Willow Creek’s elderly residents are given the opportunity to interact with and participate in limited aspects of the District’s Program as classroom volunteers; and

D. **WHEREAS**, Willow Creek has space in its Facility suitable for housing the Program, which Willow Creek desires to lease to the District; and

E. **WHEREAS**, the District desires to lease a portion of Willow Creek’s Facility for such purposes in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Willow Creek and the District agree as follows:

1. **Lease of Classroom.** Willow Creek hereby leases to the District, and the District hereby leases from Willow Creek, one classroom located at Willow Creek’s Facility (the “Classroom”). Willow Creek shall designate and identify the Classroom and make the Classroom available for the District’s use during regular school hours throughout the 2022-2023 school term, as defined by the District’s official school calendar.

2. **Rent.** The District shall pay Willow Creek, as rent for the lease of the Classroom for the 2022-2023 school year, the total sum of One Dollar (\$1.00), payable in advance.

3. **Term.** The term of this Agreement shall be from the effective date set forth above, through June 30, 2023, unless terminated at an earlier date as provided herein. Upon termination of this Agreement by lapse of time or otherwise, the District agrees to surrender possession of the Classroom to Willow Creek in good condition and repair, normal wear and tear excepted. The term of this Agreement is subject to renewal by mutual agreement of the parties for additional periods of one (1) year each beginning July 1 and ending June 30 of each successive year.

4. **Use of Classroom.** The District shall use the Classroom solely for the operation of an early childhood program for four year old students. The Program will incorporate collaborative activities for both students and adults to specifically include, but not be limited to, "reading time". The District shall be solely responsible for furnishing the Classroom and providing all equipment and supplies necessary to conduct its Program. The District's child care staff, including certified teachers and teacher assistants and all operations of the District's Program will meet the requirements of the Oklahoma Department of Education. The District's child care staff shall be employees of the District and shall be subject to the exclusive supervision and control of the District. The District shall provide worker's compensation insurance covering its employees while providing services on Willow Creek's premises.

5. **Alterations.** Willow Creek will provide, at its sole cost and expense, all alterations and modifications reasonably necessary to adapt the Classroom for use as an early childhood classroom. Willow Creek agrees to furnish, in or near the Classroom, an age appropriate restroom for access by four year old children. The District may make no alterations to the Classroom without the prior written consent of Willow Creek. All alterations, whether made by Willow Creek or by the District with the consent of Willow Creek, shall conform with state and local laws, ordinances and regulations including, without limitation, any local building code and fire prevention code.

6. **Utilities.** Willow Creek shall provide all utilities or services to the Classroom as may be necessary for the District's use and occupancy for the permitted purpose. Such utilities shall include water, heat, air conditioning, sewer and electricity. Willow Creek shall not be obligated to provide telephone service to the Classroom.

7. **Indemnification and Insurance.** The District, to the extent permitted by law, agrees to save, indemnify and hold harmless from injury or damages that may result to any person or property by or from any act or omission to act by the District or District's agents, employees or invitees from any cause or causes whatsoever from or concerned with the District's use and occupancy of the Classroom under the terms of this Agreement to the extent of the District's maximum liability under the provisions of the Oklahoma Governmental Tort Claims Act.

Willow Creek agrees to save, indemnify and hold harmless from injury or damage that may result to any person or property by or from any act or omission to act by Willow Creek or Willow Creek's agents, employees or invitees from any cause or causes whatsoever arising from or concerned with Willow Creek's use, operation and control of its Facility, or from Willow Creek's performance under the terms of this Agreement.

ACTIVITY FUND FUNDRAISERS PROCEDURES

All fundraisers must have the approval of the Board of Education.

The Board of Education requires a complete and accurate accounting of all inventory received for sale from the time it is received on site until the remaining product is either sold or returned for credit. These procedures must include a requirement to account for every item of product, by name of student or sponsor, from the point they receive possession to the point they turn in sales collection or unsold product.

It is a violation of Oklahoma State Law to use cash collections to purchase additional supplies and materials while conducting a school sponsored activity. All funds collected (cash & checks) must be receipted and deposited into a Board approved school activity fund. Also, all items purchased should be expended and coded through the schools' activity fund. You are not allowed to use money collected at an event (such as a car wash or carnival) to purchase additional items that are needed for that event. Although it may equal the same net profit at the end of the process, all funds must still be deposited in and out of the school activity fund in order to have a proper audit trail. It is a good practice for sponsors to prepare a purchase request in their name for misc. reimbursements at the beginning of each semester. Therefore, in the case you are at a school event and additional items are needed, we recommend that a sponsor purchase the items with their personal funds. After the event, the sponsor can submit an original, itemized receipt to obtain reimbursement from the activity fund. However, we cannot reimburse sales tax. Adhering to this policy protects teachers and sponsors from accusations of theft and/or fraud.

Additional procedures include the following:

- A Fundraiser Request Form can be found on the Bluejay Bundle on the school district website and must be completed and signed by sponsor & site principal.
- The Child Nutrition Director must review and sign all food sale fundraiser requests.
- All requests must be typed and turned into the Activity Fund Clerk 45 days prior to the date of the fundraiser.
- Request should be received by the Activity Fund Custodian no later than the last Friday of the month prior to each monthly Board Meeting.
- All Fundraisers require an After Sale Accountability Form be completed at the close of the fundraiser. If After Sale Accountability is not received by the Activity Fund Clerk within 30 days from the close of the fundraiser, no future fundraiser requests will be accepted for Board approval until form is received.
- Activity Fund money belongs to the school district and is under their guidelines for disbursement. Money earned through fund raising activities may not be earmarked as belonging to individual students. To allow students to earn money for their personal use through fundraising activities has been determined to be improper by our auditor.

SANCTIONING POLICY

The Board of Education of the Guthrie School District believes that student achievement programs and parent-teacher associations and organizations can advance the educational goals of the Board of Education and confer a benefit to the students of the School District. It is the purpose of this policy to establish guidelines for the sanctioning of student achievement programs and parent-teacher associations and organizations that raise money and collect revenues for the benefit of students. Only those student achievement programs and parent-teacher associations and organizations sanctioned in accordance with this policy

will be exempt from the statutory controls over school activity funds found in the Oklahoma School Code OKLA. STAT.tit.70, Section 5-129.

Sanctioning Procedure for Student Achievement Programs and Parent-Teacher Associations and Organizations

1. The School District may sanction student achievement programs and parent-teacher associations and organizations that according to the Board's determination, advance the educational objectives of the School District, are beneficial to students and meet the requirements of this policy.
2. In determining whether a student achievement program or a parent-teacher association or organization should be sanctioned by the School District, the Board of Education may consider: (1) if the program, association, or organization promotes activities that are an extension, expansion, or application of the School District curriculum; (2) if the program, association, or organization assists student government or activities in carrying out special projects or responsibilities; (3) if the program, association, or organization assists student clubs organizations, and other student groups in raising funds to promote activities approved by the Board of Education; and (4) supplemental information provided by the student achievement program or by a parent-teacher association or organization in support of its application.
3. An application by a student achievement program or by a parent-teacher organization to the Board of Education requesting sanctioning shall include the following: (1) a statement of its purpose, goals, organizational structure, and membership requirements; (2) a detailed statement of how the School District and its students will benefit if the organization is sanctioned; (3) a statement of nondiscrimination consistent with all Oklahoma and federal laws; and (4) financial report as defined by Board of Education regulations, which has been performed on such.
4. The application shall be submitted to the principal for preliminary review. The principal shall forward the application to the superintendent; the superintendent shall make a recommendation to the Board of Education. The Board of Education shall review the application and shall sanction or decline to sanction the applicant.
5. The decision of the Board of Education is final and non-appealable. In order to maintain the status of a sanctioned program, association, or organization in accordance with this policy, the superintendent of schools or the Board of Education may require from any such program, association by an independent accounting firm at the expense of the sanctioned program, association or organization, on an annual basis, that a financial audit be performed on the program, association, or organization by an independent accounting firm at the expense of the sanctioned program, association, or organization. If required by the superintendent of schools or the Board of Education, the audit shall be submitted to the superintendent within ninety (90) days of the superintendent's request. The Board of Education shall review the audit submitted and determine if the program, association, or organization is entitled to continue to be sanctioned in accordance

with this policy and if its funds should continue to be exempt from the statutory controls over student activity funds found in the Oklahoma School Code, OKLA.STAT. tit. 70 section 5-129. Otherwise, an annual financial report as defined by Board of Education regulations will be required. The financial report shall be submitted to the superintendent by September 1 of the year following the year of original approval and every year thereafter.

6. The superintendent of schools or the Board of Education may, at any time they deem warranted, request copies of any and all records maintained by the program, organization or association. Copies of records must be promptly provided upon request of the Board or superintendent.
7. The Board may, and non-appealable.
8. The organization may maintain bank, financial, and tax exempt status separate from the school. The organization will provide to the board of education, annually or upon request, a complete set of financial records or detailed treasurer's report.
9. Any plan, project, or movement instituted to expand, modernize, renovate, or render maintenance to school-controlled and/or owned properties, or provide academic achievement awards and other educational recognition at its discretion, withdraw sanctioning at any time it deems it is in the best interest of the School District. Any decision of the Board of Education to withdraw sanctioning is final to students or student bodies will be presented to the board of education in official session for its consideration, comment, evaluation, approval, and sponsorship. This must be done before any public announcement is made.
10. In no manner will board sanctioning of an organization preclude the organization from compliance with state and federal laws as they pertain to equal opportunity and treatment of all students. Gifts or services provided to the school should benefit both boys' and girls' activities.

Recommended Practices

- Annual election or affirmation of officers.
- Periodic meetings open to the membership
- Full financial disclosure to the membership
- Surety bonds for treasurer and others who handle money Officer liability insurance
- System of internal controls over cash, including segregation of duties as much as possible.

Segregation of Duties

Ideally,

- The person who orders/purchases an item should not be the one who pays for it.
- The person making the purchase should not be the one who approves it.

- The person who collects money should not be the one who deposits it.
- The person who reconciles the bank account should not be the one who takes the collections.
- The person who writes the checks should not be the one who reconciles the bank account.

Recommended Minimum Internal Controls-Receipts

- Money kept safe with controlled access
- Collections listed when received
- Money deposited intact by a person other than the one collecting it
- Listed collections verified to deposit total ● Bank account reconciled monthly
- Bank reconciliations reviewed by another

Recommended Minimum Internal Controls-Disbursements

- All purchases approved in advance by someone other than the person making the purchase
- Goods checked to see they are received as ordered.
- Invoice checked to items received and order pricing; signed by person who accepts responsibility
- Signature and countersignature required on checks
- Check signer reviews documentation before signing check
- Cancelled checks listed and accounted for

Good business practices protect your assets, your officers, and your members!

What is Sanctioning?

- Allows organization to operate for benefit of students
- Board of Education has complete discretion in the sanctioning of organizations. Sanctioning Does NOT Equal control
- Board of Education does not control funds
- Board of Education does not ensure that organization complies with applicable state and federal laws
- Organizations may NOT use school district's tax-free status
Common Mistakes made by 501(c) 3
- Form 990: Sanctioned Organizations must file IRS Form 990. This is the annual "Return of Organization Exempt Form Income Tax." IRS form 990N may be filed in lieu of form 990 when gross receipts are less than \$25,000.
- Many organizations overlook the need to report compensation of \$600 or more to the IRS. Awards, fees, and similar payments must be reported on Form 1099MISC, which must be sent to the recipient no later than January 31st, and to the IRS, with a Form 1096 transmittal, no later than February 28.

The IRS may deem payments to District employees by sanctioned organizations to be taxable compensation.

- If your organization would like to make a gift of any amount to a District employee, please contact the District to ensure the gift is processed through the payroll office.

Ways to Protect Against Liability

- Insurance and bonds
- Good procedures
- Written documents to provide club “memory”
- Well thought-out activities and services
- Consider national affiliation (PTA vs. PTO)
- Remain under the control of the school activity fund

Additional recommendations

- Club Treasurer should not be the coach/sponsor of organization
- Treasurer should countersign all checks
- Keep minutes of each club meeting on file

OKLAHOMA STATE LAW & DEPARTMENT OF EDUCATION REGULATIONS

The following words and terms, when used in this section, shall have the following meaning, unless the context clearly indicates otherwise:

“School activities” means cocurricular or extracurricular activities. Cocurricular activities are school-sponsored activities, under the guidance and supervision of LEA staff, designed to provide students such experiences as motivation, enjoyment, and improvement of skills. Activities normally supplement the regular instructional program.

“Extracurricular activities” means all direct & personal services for public school pupils for their enjoyment that are managed & operated under the guidance of an adult or staff member. Extracurricular activities are usually not offered for school credit nor required for graduation; are conducted outside school hours, or a time agreed upon by the participants if partly during school hours and approved by school authorities; and their content of activities is determined primarily by the student participants.

The board of education of each school district shall exercise control over all funds on hand or hereafter received or collected, as herein provided, from student or other extracurricular or cocurricular activities conducted in the school district. Such funds shall be deposited to the activity fund. Deposit of funds subject to the requirements of school activity accounts shall be made daily; however, if cumulative deposits total less than One Hundred Dollars (\$100.00), a school district may provide for the deposit of such funds not less than one time per week. Disbursements from each of the activity subaccounts shall be by check countersigned by the school activity fund custodian and shall not be used for any purpose other than that for which the subaccount was originally created. The board of education, at the beginning of each fiscal year and as needed during each fiscal year, shall approve all school activity fund subaccounts, all subaccount fund raising activities and all purposes for which the monies collected in each subaccount can be expended. Provided, the board of education may direct by written resolution that any balance in excess of the amount needed to fulfill the function or purpose for which a subaccount was established may be transferred to another subaccount by the custodian.

The board of education of each school district may designate that any of the following revenue be deposited for the use of specific student activity subaccount, or to a general activity subaccount, within the school activity fund.

- 1. admissions to athletic contests, school or class plays, carnivals, parties, dances and promenades;*
- 2. sale of student activity tickets;*

3. *concession sales, including funds received from vending concession contracts and school picture contracts approved by the district board of education , and cafeteria or lunchroom collections;*
4. *dues, fees and donations to student clubs or other organizations, provided that membership in organizations shall not be mandatory;*
5. *income or revenue resulting from the operation of student organizations or club projects, provided such revenue is not derived from the sale of property, supplies, products, or other assets belonging to the school district;*
6. *deposit for or collection for the purchase of class pictures, rings, pins, announcements, annuals, banquets, student insurance, and other personal items; provided the cost of such items shall not be charged against other school district funds.*
7. *income collected for use by school personnel and other school-related adult functions.*
8. *all other income, revenue, deposits or collections of any nature, including, but not limited to Indian education support funds (parental cost); laboratory fees; fees for the use of equipment owned or rented by the school district; deposits or assessments for breakage or supplies used in instructional courses; sale, exchange, lease or rent of property, supplies or products originally acquired from funds belonging to the school district or through the management, use or production of property belonging to the school district shall be deposited with the school district treasure in accordance with the provision of 62 O.S. 2001~335.*

The board of education of such district may establish, by board resolution, a general fund refund subaccount within the school activity fund. The balance in the subaccount shall be determined by need, and it shall be provided by refunds and reimbursements received, including, but not limited to, rental income, reimbursements for lost and damaged textbooks, summer school and adult tuition, overpayments, and tax refunds. The subaccount may be expended only for the refund of revenues previously received and deposited either into the subaccount or activity fund be financed by depositing all or part of the applicable collections and that all refunds be make from that account. Any remaining balance in the refund subaccount shall be transferred to the school district general fund on or before June 30 each year.

A school board may designate a petty cash custodian to countersign petty cash checks in place of the school activity fund custodian. The school activity fund custodian shall file claims against the general fund of the school district for reimbursement of the petty cash account whenever the need shall arise. Each reimbursement to the petty cash account shall be coded to the appropriate function/object code as appropriate. Such claims shall be itemized in the same manner as other claims filed against the general fund, and shall have attached thereto the receipts covering each of the expenditures claimed for reimbursement. A prenumbered receipt shall be obtained when a check is drawn against the petty cash account, and all such prenumbered receipts shall be accounted for at the end of the fiscal year. If a prenumbered receipt is spoiled it should be marked “void” and attached along with others on which reimbursement is being claimed; the copy or stub should also be marked ‘void’ if one is being used.

None of the provisions pertaining to the petty cash account shall be construed to authorize the use of one fiscal year’s funds to pay obligations of another fiscal year. Such bond shall be filed with the clerk of the board of education (70 O.S. Supp. 2001, ~ 5-129).

Disbursements from the school activity fund shall be by check, countersigned by the school activity fund custodian and some other person or persons designated by the board of education. 13. A general fund refund sub-account within the school activity fund may be established by board resolution.

ACTIVITY FUNDS

The Guthrie Board of Education shall exercise complete control over all activity funds and shall adopt appropriate rules and regulations for handling, expending, and accounting for all such funds.

At the beginning of each fiscal year and as needed during each fiscal year, the board shall approve all school activity fund subaccounts, all subaccount fund raising activities and all purposes for which the monies collected in each subaccount can be expended.

The superintendent shall cause the activity account to be audited annually by a certified public accountant that will be selected by the board. The audit shall be furnished to the board and the cost of the audit shall be paid from the general fund.

Every teacher and/or sponsor in the school system should be informed that all money received is to be turned in to the school activity fund custodian. Every teacher and/or sponsor shall receive a Guthrie Public School Activity Fund Procedure Handbook.

No expenditures shall be made from activity funds except by check and on the authorization of the sponsor of the group to whom the fund belongs. All such checks are to be issued and countersigned by the custodian of the activity fund and some other person or persons designated by the board of education. No checks will be issued in excess of a subaccount balance.

All activity monies shall be deposited daily with the activity fund custodian. Such funds shall be deposited to the credit of the account maintained for the benefit of the particular activity within the school activity fund. Deposits of funds shall be made daily by the activity fund custodian into an interest bearing checking account.

A record of all bad checks will be kept by the activity fund custodian. If the activity fund custodian is unsuccessful in collecting funds, the bad check will be charged back to the proper subaccount.

The activity fund custodian shall keep complete and accurate accounts of all activity funds, and shall see that monthly reports are made available to the activity fund subaccount sponsors. The activity fund custodian shall furnish a report to the superintendent and board of education each month. This report shall show the previous balance in each subaccount and the total district activity fund balance. The activity fund custodian shall reconcile the report to the superintendent and board of education.

The activity fund custodian, upon approval by the board of education, shall establish a petty cash account for each site to be used only for the purpose of making small cash expenditures, such as postage, freight or express charges. This account shall not exceed two hundred dollars (\$200) at one time, and no expenditure shall exceed seventy-five dollars (\$75). The total expenditures during any one fiscal year will not exceed two thousand five hundred dollars (\$2500) per school building.

The activity fund custodian will be appointed by the board of education. The custodian will provide a surety bond in an amount determined by the board, but not less than one thousand dollars (\$1000).

These provisions shall not apply to funds collected by student achievement programs or parent-teacher associations and organizations that are sanctioned by the board of education. Guidelines adopted by the board for the sanctioning of such organizations and associations may include, but not be limited to, examinations of financial and performance audits performed on each such organization and association.

The superintendent is directed to establish regulations governing activity funds. Such regulation, when approved by the board of education, shall become policy.

SUMMARY

The goal of this manual is to provide each user of the Guthrie Public Schools Activity Fund a “how-to/hands-on” guide for collecting, depositing, and expending funds gathered for special purposes. The handling of all public funds is a sacred trust and many more audit tracks must be visible than in handling personal funds. The following are reminders to the sub-account sponsor’s for the most crucial procedures to follow:

1. All collections made by sponsors must first be receipted by the sponsor, be turned into the Site Financial Secretary each day and a receipt obtained from the secretary for all such collections.
2. There is no statutory authority for cashing personal checks from available collections, and, as a result, it is not legal to do so. Therefore, all sponsors, student groups and adult organizations who control sub-accounts within the school activity fund must clearly understand that this action is prohibited and do not cash personal checks under any circumstances.
3. Sufficient cash must be on hand to cover all outstanding checks, all unpaid bills, and all new indebtedness before any new debt can be incurred in any sub-account of the Activity Fund. If the sponsor is unsure, they must contact the School Activity Fund Custodian and acquire their net balance in the sub-account before any additional transactions or proposed new debt is incurred.
4. All bills incurred in any given sub-account of the Activity Fund should be promptly paid within one (1) month of the receipt of goods or services.
5. In the event of fund raisers, the Board of Education requires a complete and accurate accounting of all inventory received for sale from the time it is received on site until the last item is either sold or turned back in for credit. These procedures must include a requirement to account for every item or product, by name of student or sponsor, from the point they receive possession to the point they turn in sales collections or unsold product.

The school auditor will scrutinize funds very closely because most of the collections are in cash and most discrepancies that occur in school funds are within the activity fund. Spend a little more time; follow the law and this procedure manual, and fund-raising will be less stressful.

A: ABSENCES, ATTENDANCE, & TARDIES

It is of utmost importance that students attend school every day. Irregular attendance is the most frequent cause of unsatisfactory work and school failures. When a student is unable to attend school, parents should notify the school by calling between 8:30 a.m. and 10:30 a.m. Parents should give the student's name and teacher's name.

~~Assignments not completed due to an absence are expected to be made up.~~ If a student is absent 10 consecutive days, the student will be dropped from the school roll. The parent must re-enroll the student upon return to school. It is the policy of the Guthrie Board of Education that a student is required to be in attendance a minimum of 90% of each semester.

MAKE UP WORK

Assignments not completed due to an absence are expected to be made up. Students returning from an absence will have one (1) day for each day missed plus one (1) day to turn in make up work. After the allowed number of days have passed and the student has failed to turn in the missed work, he /she will be given a zero (0) grade for the assignments. When a student is absent from class, work assignments may be gathered by utilizing the lesson plans found in the parent portal of the student information system. If the internet or printer are not available at home, parents may call the school and request to pick up work. It is the responsibility of each student to make arrangements for make up work.

TARDIES

Tardies disrupt the instructional process and the time lost from class is irretrievable, particularly in terms of opportunity for interaction and exchange between students and teachers. Therefore, classroom punctuality is considered to be an integral part of the student's course of study. Six tardies will equal one (1) absence.

EARLY CHECKOUT

Parents are discouraged from picking up students early on a regular basis as this disrupts the educational process and creates a loss of irretrievable instructional time. If a child is to be dismissed early, a written note is desired. Students WILL NOT be allowed to leave with anyone not listed on their enrollment contact list. A state ID will be required when checking out a student. Six (6) early checkouts will equal one (1) absence. Students will not be called to the office until a parent or guardian arrives.

B: BREAKFAST AND LUNCH

Guthrie Public Schools offers a breakfast and lunch program. These programs will be offered to the children without regard to race, color, or national origin. Children may eat in the lunchroom by one of the following methods:

1. He/she will pay full price.
2. He/she will pay a reduced price or no price based on submitted and approved free/reduced meal application. Applications can be picked up at the child nutrition office, front office of the school site and the Guthrie Public Schools website at guthrie.net. (The District Child Nutrition Department shall have the responsibility of approving applicant eligibility in accordance to the federal guidelines for free or reduced lunches.)

3. He/she may bring a sack lunch and may purchase milk.

CHARGING CANNOT BE ALLOWED. Students who have a negative lunch account balance will be served an alternative meal for that day and payment should be made the following day.

USDA regulations state "Schools shall make substitutions in foods listed in this section for students who are considered disabled under 7 CFR Part 15 (b) and whose disability restricts their diet. Schools may also make substitutions for non-disabled students who are unable to consume the regular lunch because of medical or other special dietary needs.

Substitutions shall be made on a case-by-case basis only when supported by a statement of the need for substitutions that includes recommended alternate foods, unless otherwise exempted by USDA Food and Nutrition Service. Such statements shall, in the case of a disabled student, be signed by a physician or, in the case of a non-disabled student, by a recognized medical authority.

School Food Service Responsibilities:

1. Required to make substitutions or accommodations for students with disabilities if meal service is normally available to the general student population and a Section 504 Plan is on file for the student.
2. Must provide additional meal services/food items not normally available for disabled students when required in an IEP, at no extra cost.
3. Must base substitutions/modifications on a prescription written by a licensed physician.
4. Must base substitutions/modifications for non-disabled students on a medical statement by a medical or health professional.
5. Must not revise or change a diet prescription or medical order.
6. May provide food substitutions or accommodations for non-disabled children with medically certified special dietary needs at no extra cost.
7. No substitutions or modifications will be made without a current doctor's prescription or medical statement. All prescriptions or medical statements must be renewed each year, as needs do change from year-to-year as students grow and mature.
8. Prescriptions or medical statements must be dated for the current school year and provided every year to the cafeteria or child nutrition department.

2. Request the amendment of the student's education records that the parent believes are inaccurate or misleading. Parents may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent, the District will notify the parent of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent when notified of the right to a hearing.
3. Consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that the Act and the regulations in this part authorize disclosure without consent; one exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. File a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

A decision as to whether to change placement will only be made by the principal after every effort has been applied to resolve the problem. Consideration will not be given until a series of meetings have been held between the parent, teacher, and the principal, and a twenty (20) day action plan has been developed and implemented.

G: DIABETES PLAN

Guthrie Public Schools provides nursing services that promote students' ability to learn. Our goals are to:

- Assist students in learning how to take care of their health.
- Ensure a safe school environment.
- Promote good control of a student's health condition so they are ready to learn.

Diabetes can affect a student's ability to learn if it is not under good control. To help us meet these goals, Guthrie Public Schools has a nurse who is trained in diabetes management in schools. The district nurse works with school, personnel, individual students with diabetes and their families, and the student's health care provider.

As a reminder, each year we need to have the following information for your child: Written diabetes management plan from your healthcare provider.

- Signed authorization by parent/guardian for medication and treatment at school.
- Diabetes Questionnaire filled out by parent/guardian/student. (Available on the district website.)

In addition, adequate supplies, as listed in the student's diabetes management plan, must be provided at school:

- Snacks or glucose tablets to treat low blood sugar
- Medications
- Blood glucose meter, strips and supplies
- Ketone testing strips and equipment
- Glucagon

We are looking forward to helping your child with diabetes be successful in school. Please feel free to contact us with any questions or concerns.

H: DISCIPLINE AND BEHAVIOR

It is our goal at GUES to provide an orderly and efficient atmosphere whereby the teaching and learning processes can take place. This can only be done through effective discipline. Discipline is the responsibility of the parents, students, teachers and administrators.

The student is responsible for his/her individual conduct. Because not every problem that may arise can be foreseen, students should use good common sense to govern their behavior. They should treat each other, faculty, staff and property with respect. They should be aware that when their behavior distracts from the basic purpose of school, which is learning, there will be consequences.

It is the responsibility of the parent to instill in their child the value of appropriate behavior, good conduct, and to reinforce the policies and goals of the school. Parents should communicate to school officials any concerns they may have regarding their child's social, as well as academic, performance while at school.

It is the teacher's responsibility to set classroom rules of conduct consistent with the goals of the school. Expectations can be communicated in writing with rules and consequences, as well as, through the general atmosphere created by handling situations that may arise in a consistent manner.

It is the responsibility of the Administrator to take disciplinary action when general school policies have been disregarded or when crimes under Oklahoma Statutes have been committed. The Administrator will also step in, after all other possibilities have been exhausted, to administer more severe consequences to those students who continually disrupt the learning environment of the classroom

HALL EXPECTATIONS

Since everyone uses the halls, there are some basic expectations:

- Walk, do not run.
- Keep to the right.
- Do not block the halls by standing in groups.
- Avoid yelling and horseplay.
- Help keep the halls clean.

Students are not permitted in the halls during class periods unless a teacher accompanies them or they have a hall pass from an authorized staff member. The pass must have your name, date, destination, time, and signature of a staff member on it. Any students in the halls without a pass during class time will be given detention.

STUDENT DISCIPLINE/SUSPENSION

If a student's conduct/behavior is not consistent with the expectations that have been set out, building discipline procedures will be used according to the severity of the rule or rules broken. Procedures **may** include:

- ~~Parents contacted by phone~~
- ~~Conference with the teacher and principal~~

Suspension

When other forms of discipline have been used and the student's behavior is not modified, suspension can occur. Anytime a student is physically endangering others or vandalizing school property, immediate suspension will occur. Field trips, special events, and parties are a privilege to attend. Students may lose these privileges if they are exhibiting negative behavior. ~~If students are suspended from school, their work may be picked up each day at 2:30 p.m. in the office or sent home with a sibling.~~ **When a student is suspended from class, work assignments may be gathered by utilizing the lesson plans found in the parent portal of the student information system. If the internet or printer are not available at home, parents may call the school and request to pick up work. It is the responsibility of each student to make arrangements for make up work.**

When returning from any suspension, the student will conference with an Administrator before returning to class.

This must be done in person and identification will be required.**

their child out of school and 3) sign their child in upon arrival at the field trip destination with the teacher or appointed staff member. If the parent wishes to transport their child from the field trip to home or back to school, they must sign out their child with their child's teacher or appointed staff member. Parents are not allowed to transport any other child but their own child. Guthrie Public Schools is not responsible for students transported by a parent to and from a school sponsored field trip. S: PROFICIENCY BASED PROMOTION

All K-12 students are eligible to advance one or more levels in designated curriculum areas if they perform at or above the 90th percentile on assessments designated by the Guthrie Public School District. This type of curriculum advancement is proficiency-based promotion. Upon the request of a student, parent, or educator, a student will be given the opportunity to demonstrate proficiency in one or more areas of the core curriculum as identified in *70.S & 11-103.6*. Proficiency will be demonstrated by testing with Test of Achievement by Woodcock Johnson

IV. . Core areas are as follows:

- Social Studies
- Language Arts
- Mathematics
- Science

Testing for proficiency-based promotion must be requested in writing by the parent/guardian to the site principal during the first month of the school year and during the month of April. Additional details can be obtained from the District policy on Proficiency Based Promotion or from the site principal.

T: READING SUFFICIENCY ACT

Students' grades Kindergarten – 3rd that do not score proficient on the beginning of the year reading assessment will be placed on an Academic Progress Plan (APP). If your

child's reading level does not improve by the end of the school year, he/she may need to attend the Summer Academy Reading Program.

3rd Grade Students:

The RSA law is intended to ensure that students have the necessary reading skills in order to be successful in grade four and beyond, where the rigors of reading in the content areas increase.

To be promoted to fourth grade, state law requires that your child must score above the Unsatisfactory and Limited Knowledge level on the reading comprehension and vocabulary portion of the Oklahoma School Testing Program test. This means your child will need to score Proficient, or Advanced in reading comprehension and vocabulary to meet RSA criteria. If your child scores Unsatisfactory or Limited Knowledge, he/she may still be promoted if one or more of the seven good cause exemptions apply. It is important to note that OSTP results are the initial determinant for promotion decisions, but not the sole determiner. Portfolio reviews, alternative assessments and additional exemptions are available to assist the school district in knowing when a child is reading at or above grade level and ready for a grade promotion.

If a student has not yet satisfied the proficiency requirements prior to the completion of third grade and still has a significant reading deficiency as identified based on assessments administered that meet the acquisition of reading skills, has not accumulated evidence of third-grade proficiency through a student portfolio, is not subject to a good cause exemption, then the student shall not be eligible for automatic promotion to fourth grade.

To be considered for "probationary promotion", a student may be evaluated by a "Student Reading Proficiency Team" composed of:

- (1) the parent(s) and/or guardian(s) of the student
- (2) current teacher responsible for reading
- (3) future teacher responsible for reading
- (4) a certified reading specialist (if available)

The student shall be promoted to the fourth grade if the team members unanimously recommend "probationary promotion" and the principal and superintendent approve the recommendation of the SRPT.

U: RELEASE OF RECORDS

The school will maintain records on all students. The signature of a parent/guardian must be obtained to request or release records to other school districts.

V: RETENTION POLICY

Recommendation for retention (declining a student the opportunity to advance to the next grade level) is a decision made carefully on an individual basis. This decision will be firmly focused on arriving at what is in the best interest of the student. The retention

of a student shall be based upon the total growth of each individual student. Such factors as social, emotional, physical and mental growth, as well as attendance, shall be taken into consideration. Meetings will be held throughout the year with the teacher(s) and administration to stay in direct communication with parents.

Whenever a teacher or teachers recommend that a student be retained at the present grade level or "not passed" in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision by complying with the district's appeal process. The decision of the board of education shall be final. The parent may prepare a written statement to be placed in, and become a part of, the permanent record of the student stating the reason(s) for disagreeing with the decision of the Board of Education.
70 O.S. 1991, Section 24-114.1

ACCIDENTS

If your child is injured at school, we will first attempt to make him/her comfortable, and then notify you. If you cannot be reached, we will attempt to contact the emergency number that you have listed on the enrollment form. We request that you adjust your child's schedule to eliminate the need to take medication during the school day. In the event it is necessary for a child to use medication

during the school day, a *parent/guardian* (not the student) is to bring all medication to the office with required documentation. A log of the student's medication will be kept at the school office. Bring no more than 1 month's supply of medication at a time.

Only medication that has been prescribed and approved for a student by a physician will be administered at school. A medication authorization form must be completed for each medication*. Medication must be in the original prescription container with the pharmacy label attached and with directions for administration clearly stated. Non-prescription medication must be in the original container, with the student's name on it, and accompanied by a physician's written request and instructions for administration at school. This includes cough drops, Tylenol, nasal spray, Lactaid, etc. It is the responsibility of the parent/guardian to maintain the supply. Any medication not picked up by parent/guardian on the last day of school will be discarded using the proper procedure. Medications will not be sent home with students. **Medication authorization forms are available on the district website and the school office. A new medication authorization form will need to be completed each school year.*

Self-Administered Medication:

Pursuant to Oklahoma law, students may be allowed to carry and self-administer prescribed asthma, anaphylaxis, and diabetes medications. A statement from the physician treating the student stating that the student is capable of and has been instructed in the proper method of self-administration must be on file in the school office. The parent must provide the school office with an emergency supply of the student's medication to keep in the office along with the one that the student may carry. The district shall not incur any liability as a result of any injury arising from the self-administration of medication by the student.

X: SCHOOL SAFETY DRILLS

All emergency drills will be performed in accordance with State Department of Education accreditation regulations. Below is a list of drills.

1. Two lockout drills referred to as “lockout” per school year. The purpose of the lockout drills is for a possible threat OUTSIDE the building.
2. Two lockdown drills per school year. Lockdown drills are conducted for the purpose of a threat INSIDE the building. Each lockdown drill shall be conducted within the first fifteen (15) days of each semester.
3. Two fire drills per school year. Each fire drill shall be conducted within the first fifteen (15) days of each semester.
4. Two tornado drills per school year with at least one drill being conducted in the months of September and March.
5. The two remaining drills will be at the discretion of the district.

Y: SEXUAL HARASSMENT

Sexual harassment is any type of verbal/physical abuse of a sexual nature. Suggestive comments, unwanted touching, obscene hand/body gestures, suggestive notes, etc., would be considered sexual harassment. Since this covers such a wide range/degree of offenses, the punishment on the first offense will range from three (3) days suspension to suspension for the remainder of the semester and the following semester.

Z: SPECIAL ACTIVITIES

Each elementary site has three scheduled classroom activities during the year: Fall, Winter, and Valentine's Day. If you do not wish for your child to participate, please inform the classroom teacher in writing and alternate activities will be provided. Parents interested in being involved with these activities should contact the classroom teacher.

AA: STANDARDS OF CONDUCT

Each student is expected to behave in a manner which will add to the educational atmosphere at Guthrie Public Schools, and anything that detracts from the spirit of dignity at our schools will be subject to disciplinary actions. Students have the responsibility to know and respect the rules and regulations of the school.

We desire that all students accept the responsibility of self-discipline. Students are to conduct themselves as young ladies and gentlemen at all times (i.e. halls, cafeteria, classrooms, assemblies, and or playground.) When a student demonstrates that he/she cannot conduct himself/herself in a positive manner and infringes upon the rights of the others to enjoy the freedom of self-discipline, he/she must face the consequences of disciplinary actions.

The responsibility and authority for classroom management rests with the teacher. Any classroom rules, which are fair and enhance the educational process, will be upheld. If problems persist to a degree that the classroom rules are being repeatedly ignored, a referral may be made to the principal where appropriate action will be taken.

When students are enrolled in school, the following obligations are assumed:

- To be present and on time each school day (attendance is a vital part of

academic growth and progress.)

- To be in the properly assigned area BEFORE the last class bell rings.
- To complete each assignment on time.
- To give complete attention in class.
- To participate in all class activities.
- To be respectful and cooperative.
- To bring the necessary equipment to participate.

Defiance of teacher authority will result in appropriate disciplinary action.

DRUGS AND ALCOHOL

It is the policy of the Guthrie Public Schools that a student shall not possess, use, transmit, share, provide, sell, conspire to sell or possess or be in the chain of sale or distribution or be under the influence of any prohibited or controlled substance including a narcotic drug, illicit drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substances, alcoholic beverage or non-intoxicating beverage (defined by law, i.e. 3.2 beer). Counterfeit drugs (turkey drugs), drug paraphernalia and chemicals which provide a mood-altering effect are included as controlled substances. Illicit drugs include steroids and prescription and over-the-counter medications being used for an abusive purpose. This prohibition applies to competitions on school transportation, or school premises, at school functions, school-sponsored activities, performances, contests, athletics competitions, during lunch, or while under the supervision of school personnel. This policy is adopted in compliance with the Drug-Free School and Communities Act Amendments of 1989.

It is the responsibility of all school personnel to report suspected violations of this policy to an administrator. The administrator will notify the parents, impose appropriate consequences according to the discipline policy and report the incident to the local authorities. School discipline will be imposed independent of any court action. A confidential drug/alcohol report, completed by the administrator, will be sent to the Superintendent or his/her designee and to the Drug Free Schools office.

Any student violating this policy and his/her parents will be provided a list of resources and encouraged to obtain drug/alcohol education, counseling, and/or chemical dependence treatment as appropriate and at the parent's expense.

CONSEQUENCES FOR STUDENT VIOLATION OF DRUG/ALCOHOL POLICY

A. Conspiracy/Chain/Sale/Distribution/Delivery of Drugs or Alcohol (for personal gain, monetary privilege or gain): Student may be suspended out of school for the remainder of the current semester and all of the succeeding semester.

B. Possession/Use/Sharing/Being under the influence of Drug or Alcohol:

1. First Offense:

90 school days out of school suspension (equivalent to 1 semester).

- a. A reduction to a 30 school days (6 weeks) out of school suspension may be

granted if the student and the parent/guardians agree to the following:

- i. To meet with the District Counseling Service representative
 - ii. To obtain, from a licensed practitioner, an alcohol/drug use assessment which may recommend counseling, education, treatment, and/or drug testing. The cost of any assessment or recommended counseling, education, treatment, etc. will be the sole responsibility of the student's parent or guardian.
- b. Nothing in this policy is intended to limit or restrict the ability of the school district to take other disciplinary action against a student in a particular case in accordance with other policies governing student discipline. A school principal or the principal's designee may devise an appropriate disciplinary plan for an individual student relating to the substance abuse in question and may submit that plan to the superintendent, superintendent's designee, or principal for approval.
 - c. If such a disciplinary plan is approved by the superintendent, superintendent's designee, or principal it may be implemented for the student in question.

2. Second Offense:

Suspension out of school for the remainder of the current semester and all of the succeeding semester.

NOTE: Procedural Due Process Rights are for ALL out-of-school suspensions. The Due Process steps are outlined in the GPS Policy Manual and this handbook will govern administrative procedures to be followed in the enforcement of this policy.

The judgment of the Administrator will take precedence on each infraction.

TOBACCO

In compliance with State Laws of Oklahoma, it shall be the policy of the Guthrie Board of Education that the use of, or possession of, tobacco products (including smokeless tobacco) in any form by students while attending school, on school premises, or at school sponsored activities, is prohibited. Any student in violation of said policy will face immediate disciplinary action:

1st Offense: Parent conference/phone contact and suspension from school for five (5) days.

2nd Offense: Parent conference/phone contact and suspension from school for ten (10) days.

3rd Offense: Suspension from school for fifteen (15) days.

DISCIPLINARY SANCTIONS: Disciplinary sanctions (consistent with local, state, and federal law), up to and including expulsion and referral for prosecution, shall be imposed on students who violate the standards of conduct.

The judgment of the Administrator will take precedence on each infraction.

BB: STUDENT DROP OFF and PICK UP

Drop Off: There will be teacher Supervision starting at 7:30 a.m.

Pick Up: Children need to be picked up by 3:30 p.m. There is No Supervision after 3:40 p.m. We know there are emergencies that may happen, please contact the school before 2:30 p.m. to make arrangements for your child's pick up.

GUES administration will reach out to parents/guardians who are consistently dropping students off before 7:30 am and/or picking up after 3:40 pm. If a solution is not found, the school will report to appropriate authorities to include Guthrie Police Department, Logan County Sheriff's Office and/or the Department of Human Services (DHS), for the welfare of the child.

CC: STUDENT ORGANIZATIONS

Guthrie Public Schools believes school sponsored student organizations can advance educational goals. A list of school sponsored clubs and organizations are on the District website and in each site handbook. If you wish to withhold permission for your student to join or participate in one or more of the clubs or organizations that are necessary for a required course of instruction, you must notify the building principal in writing and retrieve your student from such participation. 70 §24-105 via H.B. 1826 (2009)

DD: STUDENT REPORTS

Report cards are distributed at the end of each nine weeks. In addition to report cards, progress reports will be given to parents throughout the year communicating their child's progress. Parents are to take advantage of opportunities to communicate with their child's teacher through notes, email, calls, visits, or meetings at a mutually convenient time. Notes, calls, visits, and meetings will be kept in a teacher log.

Parent/Teacher Conferences are also very important for parents to attend to receive additional information about their child's progress and have one on one time with the teacher(s) for questions. Parents are encouraged to sign up and monitor their child's grades and progress through the Online Gradebook. Go to www.guthrieips.net under the Parent section and complete the request for Online Gradebook Access form.

Elementary Parent/Teacher Conferences are held at the end of the first nine weeks and after the end of the second nine weeks in the second semester period. In addition to communicating with the teacher, parents communicate an important message to their children about their interest in the child's progress and the importance of school. Our best partners in providing an outstanding educational program are our parents.

EE: STUDENT WORK

HOMEWORK

It is recommended that parents set aside a certain time each evening for the student to do his/her homework. When a child has an appointed time for homework, it helps him/her to remember to get it done. Homework should be done in a quiet setting

away from television and other distractions.

MAKE UP WORK & WORK SUBMITTED LATE

Students, upon returning from an absence, will have one (1) day for each day missed plus one (1) day to turn in makeup work. After the allowed number of days have passed and the student has failed to turn in the missed work, he/she will be given a 0 grade for the assignments.

FF: TELEPHONE

The office telephone is a business phone and is not to be used by students, except in an emergency. Students are not allowed to use the telephone to make personal arrangements (such as requesting permission to go to another student's home after school.) Parents calling to leave messages should do so by 2:30 p.m.

GG: TEXTBOOKS & LIBRARY BOOKS

Textbooks are loaned by the Guthrie Board of Education without charge. Teachers will distribute textbooks during the first few days of school. At the end of the year, all textbooks will be returned to the teachers. Replacement costs will be assessed for lost textbooks and/or library books and for damage through negligence or vandalism to books or other school property. If a student accidentally causes damage, they should report it to their teacher immediately so that the damage is not misconstrued as vandalism. If fines have been paid on books that are later found during the current school year, the money will be refunded to the student. (See Refund Policy)

REFUND POLICY

For auditing purposes, refunds must be approved and a check issued from the Board Office. Parents should receive a check within two weeks of the request. Cut-off date for all refunds is May 15.

HH: VANDALISM

Vandalism and defacing of property are prohibited. Any student committing an act of vandalism is subject to suspension.

II: VISITORS

Guthrie Public Schools welcomes and encourages parents to visit our schools. All visitors, parents, and guests need to report to the main office upon arrival to the school. ~~and issued a visitor badge if they will be remaining in the building.~~ **A state issued ID will be required to obtain a visitor's badge before leaving the office.**

JJ: WEBSITE

Guthrie Public Schools has created a website for students, parents, teachers and community members to access. The web address is www.guthriepps.net. The website contains district information, school calendar, lunch menus, publications, school news, and teacher web pages.

KK: WELLNESS POLICY

Healthy eating and activity patterns are essential for students to achieve their full academic potential, full physical and mental growth, and lifelong health and well-being. All students enrolled in Guthrie Public Schools shall possess the knowledge and skills necessary to make nutritious food choices and enjoyable physical activity choices. All playground and physical education equipment will meet the recommended safety standards for design, installation and maintenance. Classroom teachers and administrators will be encouraged not to use candy, sweets or gum as a reward. Guthrie Public Schools respectfully requests that parents and teachers who wish to provide snacks for students provide healthy choices. A recommended list of healthy snack options may be accessed on the Guthrie Public Schools website.

LL: WIRELESS COMMUNICATION DEVICES

Students may possess a cellular telephone or other electronic communication devices while on school premises or in transit under the authority of the school provided the device is turned off and out of sight during class time and during all school or school related activities. Students found to be using any electronic device for any illegal purpose, in a manner which violates privacy, or to in any way send or receive personal messages, data, or information that would constitute cheating on tests, or to harass or intimidate students or staff members shall be subject to discipline and the device shall be confiscated and not returned until a parent conference has been held. School personnel have the authority to detain and search or authorize the search of any student upon suspicion that the student is in violation of district policy. If a student violates district policy they may lose the privilege to possess a wireless communication device, or be suspended from school for a period not to exceed the current school semester and the succeeding semester.

MM: DISCLAIMER

All of the preceding discipline steps within this handbook are meant as a guide only. In severe or unusual cases, the judgment of the Administrator will take precedence. The Guthrie Public School Policy Manual will also be used in regard to school-student relationships.

NN: ASBESTOS MANAGEMENT PLAN

In accordance with Federal law, Guthrie Public Schools has been inspected and approved for asbestos management.

Asbestos plans are available for viewing during regular school hours, Monday thru Friday, by contacting the Director of Operations at the Maintenance Department located at 200 Crooks Drive, Bldg. #4, Guthrie, OK.

If the student is going to eat breakfast, or enter the building before 8:00 a.m., he/she may enter only at the east door on the "A" floor. Upon verification from a parent, the student's absence will be changed to an excused absence (AB for personal business, AM for undocumented illness, AD for documented absence).

An absence is recorded when the student has missed 10 or more minutes of a class. If a student is late for class 10 minutes or more, or is checked out during a class with 10 minutes or more remaining before the bell, the student will be counted as absent.

ASSIGNMENTS WHEN ABSENT

When a student is absent from class, work assignments may be gathered by utilizing the lesson plans on teacher webpages. If internet or a printer is not available at home, parents are encouraged to contact the GJHS office.

ATTENDANCE

School is preparation for future life, and it is important that habits of regular attendance be developed. Parents are asked to telephone the attendance secretary at 282-5936 by 9:30 a.m. the morning of the absence to avoid the absence being recorded as truancy.

Students of Guthrie Junior High School are expected to maintain excellent attendance. The following criteria for attendance have been established by the Board:

1. A student must attend a minimum of 90% to receive credit for any course. Any Guthrie Junior High School student taking courses for high school credit **must** abide by the Guthrie High School attendance policy to receive credit.
2. A student is absent whenever he/she misses any 10 minutes of a class period.
3. School activities or documented absences are not included among the 9 absences allowed per semester.
4. A student will be given "no credit" in a class where the student has been absent 10 or more days.
5. Documented Absences

illness. Computer generated documentation from a doctor or dentist's office is preferred. Examples include payment receipts and patient procedure history reports. **Handwritten appointment cards will not be accepted as documentation.**

- c. Doctor's notes will only be accepted up to five days after student's absence. Anything after five days will be considered undocumented absence.

CLASSROOM BEHAVIOR

The responsibility and authority for classroom management rest solely with the teacher. Any rules which are fair and enhance the educational process will be upheld. If problems persist to a degree that the classroom rules are being repeatedly ignored, then a referral may be made to the appropriate administrator where appropriate action will be taken.

The failure to abide by school rules may result in the following CONSEQUENCES: detentions, written assignments, loss of privileges, and in-school or out-of-school suspension. The consequence will be dependent upon the severity of the problem and the decision of the administrator.

CLOSED CAMPUS

We operate a closed campus. Students will not be allowed to leave campus after arrival in the morning or during lunch time. Leaving campus will be a violation of this policy. Any violation will result in disciplinary action.

DETENTIONS

Detentions given by a teacher for classroom misbehavior will be served with that teacher before school, during lunch, or after school.

Lunch detentions given for misbehavior in the hallways or outside will be served with the lunch detention teacher. Students serving noon detentions will bring lunch from home or obtain lunch from school cafeteria.

Failure to show for detention will result in two (2) days lunch detention.

DISCIPLINE
BEHAVIOR AND CONDUCT
RESPONSIBILITIES

One of the most important lessons education should teach is discipline. It is a part of every class, and it's the training which develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration of other people.

It is our goal at Guthrie Junior High School to provide an orderly and efficient atmosphere whereby the teaching and learning processes can take place. This can only be done through effective discipline. Discipline is the responsibility of parents, students, teachers, and administrators.

The student is responsible for his/her individual conduct. Because not every problem that may arise can be foreseen, students should use good common sense to govern their behavior. They should treat each other, faculty, staff and property with respect. They should be aware that when their behavior distracts from the basic purpose of school, which is learning, there will be consequences to face.

It is the responsibility of the parent to instill in their child the value of appropriate behavior, good conduct, and to reinforce the policies and goals of the school. Parents should communicate to school officials any concerns they may have regarding their child's social, as well as academic, performance while at school.

It is the teacher's responsibility to set classroom rules of conduct consistent with the goals of the school. Expectations can be communicated in writing with rules and consequences, as well as through the general atmosphere created by handling situations that may arise in a consistent manner.

It is the responsibility of the administrator to take disciplinary action when general school policies have been disregarded or when crimes under Oklahoma Statutes have been committed. The administrators will also step in, after all other possibilities have been exhausted, to administer more severe consequences to those students who continually disrupt the learning environment of the classroom.

DISCIPLINARY ACTIONS

Disciplinary actions which may be taken by a classroom teacher may include but may not be limited to: written assignments, detaining a student after class, conferencing with the student and/or parent, loss of privileges, or detentions assigned before school, after school, or at lunch.

Disciplinary action, which may be taken by an administrator, may include but may not be limited to: conferencing with student and parent, and/or suspension. Disciplinary actions will follow a cumulative process. Regardless of offense, each disciplinary step will be visited only once before moving to the next step.

The administrator will take into consideration the severity and frequency of infractions when taking disciplinary action.

Disciplinary action to be taken:

- Conference with student and parent contact
- 1st serious infraction – 3 Lunch Detentions and meeting with counselor
- 2nd serious infraction – 5 Lunch Detentions and meeting with counselor
- 3rd serious infraction – Home Suspension - 3 days
- 4th serious infraction – Home Suspension – 5 days
- 5th serious infraction and every one thereafter – Home Suspension - 10 or more days

The proceeding discipline steps are meant as a guide only. In severe or unusual cases, the judgment of the administrator will take precedence.

DRESS CODE

Note to Parent(s)/Guardian(s): The main purpose of school is to give your student the best education possible. Trends and fashions have no bearing on this issue.

All students are expected to dress appropriately and modestly at all times during the school day and at school activities. Appropriate school clothes are conducive to better behavior in the classroom, in the halls, on campus, or any time students are actively representing the school. The dress code is applicable during the school day and at any school activity, home and away.

Examples of inappropriate attire are, **but are not limited to:**

1. Headwear worn in the building including, but not limited to: hats, bandanas, sweatbands, scarves, earmuffs, hair picks. Hats and caps are only to be worn outside the building.
2. Any clothing that exposes the midriff. Shirts need to be long enough so that they can be tucked in or drop two (2) inches below the waistline without tugging on or stretching the shirt.
3. Clothing that allows undergarments to be visible. (See #19.)
4. Clothing that has obscene, profane, or suggestive language.
5. Sunglasses (including when worn as headwear.)
6. Garments that display alcohol, drug or tobacco logos or paraphernalia.
7. Mesh jersey or fishnet type clothing.
8. **Earbuds or headphones.**
9. All sleeveless shirts, blouses, and dresses whose straps are not at least one dollar bill's width and not fitted under the arm.
10. Scooped neck and / or low cut front and back necklines that are not modest.
11. Pants below the waistline (sagging and bagging).
12. Shorts that are not closer to the knee than the mid-thigh (Bermuda short length). Boxer shorts should not be worn, other than in the appropriate athletic classes. Shorts must be hemmed.
13. Skirts/dresses that are not long enough so that the hem touches the knee (Bermuda short length). Skirts/dresses must be hemmed.
14. Bicycle pants/spandex shorts.
15. Clothing that is not worn in accordance with the design (such as both straps being worn on overalls or legs on pants being worn at their full length.)
16. Chains or "spikes" on clothing, with wallets, or worn as a necklace or bracelet.
17. Shoes must be worn at all times for health reasons. "House shoes" are not an acceptable alternative. Shoes with wheels imbedded in them are not acceptable as they are safety hazards.
18. Apparel identifying a student as "security" or "police" is not to be worn.
19. Showing of underwear (thongs/etc.) or posterior being exposed while sitting.
20. No Pajamas (**i.e. fleece/thin**, lounge pants/etc.)

21. **Blankets**
22. Leggings or jeggings worn under shorts or skirts that don't meet dress code. (If leggings/jeggings are worn as the primary attire, shirts must be long enough to fully cover all areas appropriately).

Any clothing that disrupts the learning atmosphere of the school is prohibited. Clothing with possible implied meanings, such as exist with the rebel flag, intended or not, may be offensive and will fall under this policy.

When a student has worn inappropriate clothing to school, the parents of the students will be contacted. The students will be sent home to change clothing, or parents may be requested to bring appropriate clothing to school. If parents are unavailable, the student may use sweat pants and/or a t-shirt supplied by the school. Time missed in procuring appropriate clothing will count against the student's attendance in accordance with the attendance policy.

DRUGS AND ALCOHOL

It is the policy of the Guthrie Public Schools that no student shall possess, use, transmit, share, provide, sell, conspire to sell or possess or be in the chain of sale or distribution or be under the influence of any prohibited or controlled substance including as narcotic drug, illicit drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substances, alcoholic beverage or non-intoxicating beverage (defined by law, i.e. 3.2 beer). Counterfeit drugs (turkey drugs), drug paraphernalia and chemicals which provide a mood-altering effect are included as controlled substances. Illicit drugs include steroids and prescription and over-the-counter medications being used for an abusive purpose. This prohibition applies to competitions on school transportation, on school premises, at school functions, school-sponsored activities, performances, contests, athletics competitions, during lunch, or while under the supervision of school personnel. This policy is adopted in compliance with the Drug-Free Schools and Communities Act Amendments of 1989.

It is the responsibility of all school personnel to report suspected violations of this policy to an administrator. The administrator will notify the parents, impose appropriate consequences according to the discipline policy and report the incident to the local authorities. School discipline will be imposed independent of any court action. A confidential drug/alcohol report, completed by the administrator, will be sent to the Superintendent or his/her designee and to the Drug Free Schools office.

Any student violating this policy and his/her parents will be provided a list of resources and encouraged to obtain drug/alcohol education, counseling, and/or chemical dependence treatment as appropriate and at the parents expense.

Copies of this Policy shall be provided to all students and their parents at the beginning of each school year.

The cost of any assessment or recommended counseling, education, treatment, etc. will be the sole responsibility of the student's parent or guardian.
 - b. Nothing in this policy is intended to limit or restrict the ability of the school district to take other disciplinary action against a student in a particular case in accordance with other policies governing student discipline. A school principal or the principal's designee may devise an appropriate disciplinary plan for an individual student relating to the substance abuse in question and may submit that planned of the superintendent, superintendent's designee, or principal for approval. If such disciplinary plan is approved by the superintendent, superintendent's designee, or principal it may be implemented for the student in question.
2. **Second Offense:** Suspension out of school for the remainder of the current semester and all of this is succeeding semester.

NOTE: Procedural Due Process Rights: For ALL out-of-school suspensions, the due process steps outlined in the GPS Policy Manual and this handbook will govern administrative procedures to be followed in the enforcement of this policy.

REPORTING STUDENT SUBSTANCE ABUSE

- A. The Board recognizes the complexity of problems which may be associated with student substance abuse. The concern is for the well-being and best interests of students at all times. Therefore, the following procedure will be utilized by teachers and administrators in reporting students who appear to be under the influence, as defined by law, of: low-point beer, alcoholic beverages, or controlled dangerous substances. This policy is adopted in compliance with Oklahoma Statue Title 70§24-138.

It will also describe the actions of the student or other circumstances from which the teacher or administrator concluded that the student appeared to be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances.

DUE PROCESS

A. SUSPENSION OF TEN DAYS OR LESS

1. An appeal to the building level Appeals Committee can be requested, by letter, to the school principal within five (5) calendar days after the principal's out-of-school suspension decision is received by the student and/or his or her parent. The out-of-school decision becomes final and non-appealable if a request for appeal is not received within the time frame described above.
2. Upon receipt of the appeal request, the principal shall confirm that the student's out-of-school suspension falls within the category out-of-school suspensions for which an appeal to the Appeals Committee is authorized to hear. If for any reason the short-term out-of-school suspension is extended beyond ten (10) school days prior to the committee hearing, the procedures applicable to the long-term out-of-school suspension must be followed.
3. The Appeals Committee will conduct an investigation, in an informal manner, and make a decision (by majority vote) as to the guilt or innocence of the student and the reasonableness of the term of the out-of-school suspension. **The Appeals Committee reserves the right to amend, rescind, or alter the length of suspension based on its findings.**
4. The decision of the Appeals Committee shall be final and non-appealable.

B. SUSPENSION IN EXCESS OF TEN DAYS:

4. The superintendent reserves the right to amend, rescind, or alter the length of suspension based on the findings of the investigation.

ELIGIBILITY

When co-curricular and/or interscholastic programs are scheduled during the school day, a student must be eligible according to the following guidelines of the Oklahoma Secondary Schools Activity Association:

A. ATTENDANCE REGULATIONS

1. **School Activity:** These are extra-curricular activities, whether sponsored by the school or outside agency, which removed the student from class for more than half a class period.
2. The total number of student activity absences allowed for one class period per student shall be ten.
3. Once a student has had ten student activity absences from any one class period, the student must be reported to the principal's office for consideration for further absences for student activities.
4. A student is expected to attend classes 90% of the time in order to participate in school sponsored activities.

B. SCHOLASTIC ELIGIBILITY

(Information from OSSAA RULES AND REGULATIONS)

Section 1: Semester Grades

- a. A student must have received a passing grade in all five subjects counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. This requirement would be classified as five school credits for the 7th and 8th grade students.
- b. If a student does not meet minimum scholastic standard he/she will not be eligible to participate during the first six weeks of the next semester he/she attends.
- c. A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- d. Pupils enrolled for the first time must comply with the same requirements of scholarship. The passing grades required for the preceding semester should be obtained from the records in the school last attended.

Section 2: Student Eligibility During a Semester

- a. Scholastic eligibility for students will be checked at the end of the third week of a semester and each succeeding week thereafter.
- b. A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. If a student is still failing one or more classes at the end of his/her probationary one-week period, he/she will be ineligible to participate

during the next one-week period. The eligibility periods will begin Monday and end on Sunday.

- c. A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one-week period (Monday through Sunday).
- d. "Passing grade" means work of such character that credit would be entered on the records were the semester to close at that time.

Section 3. Special Provisions

- a. An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three (3) weeks. A student may regain his/her eligibility by achieving the scholastic standard in Rule 3, Section 2-b at the end of a three (3) week period.
- b. Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision Rule 3, Section 3-c, if the incomplete grade was caused by an unavoidable hardship. (Example of such hardships would be illness, injury, death in family and natural disaster). (Board policy allows a maximum of two (2) weeks to apply this exception).
- c. Schools may choose to run eligibility checks on any day of the week. The period of ineligibility will always begin the Monday following the day eligibility is checked.

Section 4. Special Education Students

Special students who are enrolled in special education class, have an Individual Educational Plan and have been certified by the principal as doing a quality of work which may, with the approval of the Board of Directors, be accepted as eligible under this rule.

They are:

1. The right to inspect and review the student's educational records within 45 days of the day the District receives a request for access. Parents of eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Upon request of a student, parent or educator, a student will be given the opportunity to demonstrate proficiency in one or more areas of the core curriculum as identified in 70.S 11-103.6.

Proficiency will be demonstrated by testing with the Oklahoma Proficiency Tests by Riverside or with district approved, teacher-made criterion-referenced tests. Lab sciences at the high school will require performance of relevant laboratory techniques.

Core areas are as follows:

- Language Arts
- Mathematics
- Science
- Languages
- The Arts

More details can be obtained from the district policy on Proficiency-Based Promotion or from the site principal.

PROCEDURES AND RESPONSIBILITIES FOR STUDENTS IN SPECIAL AREAS

In order for students to function cooperatively, some basic procedures are needed in particular areas such as: in the cafeteria, at the lockers, in the media center, in the use of school facilities, materials, and restricted areas.

Bicycles & Skateboards

- Bikes should be parked in the bike area when school begins each day, and they should remain parked until school is dismissed. We recommend you buy a lock. We cannot assume responsibility for bicycles.
- Bike riding is appropriate for the street but not for the sidewalks surrounding the school.
- Please walk your bike so others will not be injured as they use the walks.
- Students should not congregate around the bike area. Bike riders only should use the parking space. After a bike is parked and secured, go directly to the appropriate area.
- Skateboards are not allowed at school or on school property at any time. These items will be confiscated and returned at the end of the school year unless a parent comes to the school to pick up the item during regular school hours. Repeat offenses of this policy will result in suspension and other disciplinary actions.

Library Resource Center LRC

The librarian is available to all students and will assist students as they make use of the many books that are available for studying and for recreational use. The following guidelines are important for each student to know and to follow:

- Hours: 8:10 a.m. to 3:30 p.m.

- Books circulate for two-weeks unless they are needed for a special class assignment. Some materials will be put on reserve and checked out overnight only.
- All materials have the due date stamped on them. It is the student's responsibility to return borrowed materials on the date due.
- All book fines must be cleared in order to receive your report cards.
- You assume responsibility for books or any library materials when you check them from the media center. Books or materials that may be lost, stolen, or damaged will be your responsibility since you are given the privilege of borrowing materials.
- The media center is a place to study, read, and do research, so appropriate behavior is necessary. It should be semi-quiet and should not be used as a place of visitation.

Cafeteria and Lunch

- Students may choose to purchase a lunch or bring a lunch from home.
- The cafeteria offers two (2) choices: fast food line and plate lunch. A student is expected to eat in the cafeteria. Milk may be purchased in the cafeteria. Neither food nor drinks are to be taken from the cafeteria.
- Free or reduced rate lunches are available for those who qualify. If you would like to apply, please come by the office for an application.
- The following procedures will assist students in making lunch a more pleasant experience for all concerned.
 - Eating areas should be left as clean as possible. Nothing should be left on the tables. All refuse, paper, etc. should be placed in the trash as you empty and return your tray and eating utensils.
 - All lunches are to be eaten in the cafeteria and nothing is to be taken from the cafeteria to be eaten later. Milk may be purchased if you bring your lunch from home.
 - Saving seats is not appropriate. The first person who arrives should have the seat.
 - Do not break into the lunch line. Take your turn and do not save places in line. This is unfair to those behind you.
- Please practice your good manners and be considerate of others.

SATURDAY / WEDNESDAY SCHOOL

Saturday /Wednesday School, if available, will be used as an alternative consequence for students who are in violation of school policy. Failure to serve Saturday/Wednesday School assignment will result in out of school suspension.

Wednesday School will occur for one hour immediately following the school day (3:20-4:20).

SCHOOL ACTIVITIES

Students who misbehave (i.e., run, roam, harass, fail to cooperate with school officials) at school activities will be dismissed from the activity without a refund and can face additional administrative action.

SEXUAL HARASSMENT

Sexual harassment is any type of verbal/physical abuse of a sexual nature. Suggestive comments, unwanted touching, obscene hand/body gestures, suggestive notes, etc., would be

considered sexual harassment. Since this covers a wide range/degree of offenses, the punishment on the first offense will range from three (3) days suspension to suspension for the remainder of the semester and the following semester.

SOLICITING

No soliciting or selling may be done in the school without approval of the building principal. Only fundraising activities approved by the Board of Education are allowed.

STUDENT CONDUCT

Each student is expected to behave in a manner which will add to the educational atmosphere at Guthrie Public Schools, and anything that detracts from the spirit of dignity at our school will be subject to disciplinary action. Students have the responsibility to know and respect the rules and regulations of the school.

We desire that all students accept the responsibility of self-discipline. Students are to conduct themselves as young ladies and gentlemen at all times (i.e. halls, cafeteria, classrooms, assemblies, and extra-curricular activities). When a student demonstrates that he/she cannot conduct themselves in a positive manner and infringes upon the rights of others to enjoy the freedom of self-discipline, he/she must face the consequences of disciplinary action.

The responsibility and authority for classroom management rests solely with the teacher. Any classroom rules, which are fair and enhance the educational process, will be upheld. If problems persist to a degree that the classroom rules are being repeatedly ignored, a referral may be made to the discipline principal where appropriate action will be taken.

When students enroll in classes, the following obligations are assumed:

- To be present and on time each school day. (Attendance is a vital part of academic progress.)
- To be in the properly assigned area BEFORE the last class bell rings.
- To complete each assignment on time.
- To give complete attention in class.
- To participate in all class activities.
- To be respectful and cooperative.
- To bring the necessary equipment to participate.

Defiance of teacher authority will result in appropriate disciplinary action.

STUDENT SEARCH

School personnel have the authority to detain and search or authorize the search of any student upon suspicion that the student is in violation of district policy.

STUDENT WELFARE / CHILD ABUSE

Employees of the Guthrie Public Schools are required by law to report suspected child abuse victims to the Department of Human Services. In suspected cases of physical and sexual abuse,

local authorities may question the victim at the school site without the principal obtaining permission from the victim's parent/guardian.

SUBSTITUTE POLICY

Since our school is judged by the way we act in class, substitutes can either take a positive or negative impression of our school with them when they leave. You are expected to conduct yourself as a host to these substitute teachers and show them the same respect expected of your regular teachers. Failure to comply with school rules while under the direct supervision of a substitute will result in immediate administrative disciplinary action.

SUSPENSIONS

It is the philosophy of the Guthrie Public Schools that no student be permanently suspended from school unless every means has been exhausted in trying to teach the student respect for policies and guidelines of the school.

However, when it is evident that a student has no interest in education, is a behavior problem, or is a chronic truant, the Administration must take action in suspending said student in the best interest of the school as a whole.

Any student who has accumulated in excess of three (3) suspensions for attendance or disciplinary action may be suspended for the remainder of the semester, for the following semester, or longer if allowed by law in extreme cases.

While serving a suspension, a student will not be allowed on campus or to attend or participate in any school sponsored activity. If this policy is violated, a suspension of three days, the remainder of the current semester and/or the following semester will be added to the current suspension. While suspended, a student may not attend or take part in any school activity, including extracurricular practices.

A student will not be allowed to participate in any school activity during the time of a suspension and until the day following the last day of the suspension.

TARDIES

Punctuality is an important part of maturity and reflects an attitude of courtesy toward others (oversleeping and missing the bus are examples of unacceptable reasons for being tardy to school). A student will be considered tardy if he or she is not in his or her properly assigned area when the class bell rings.

Tardiness to classes is not acceptable; however, there are times when it will occur. After ten (10) minutes the tardy will be counted as an absence.

Each teacher will keep a log for each semester of student tardies per class period. After the first tardy, the teacher will email administration and amount of tardies for student. The teachers will

discuss in their daily team meeting which students on their team have a tardiness problem. Administration will contact parents and follow discipline plan.

At that time, the following disciplinary actions will be taken:

- First offense: Warning by teacher
- Second offense: 1 Day Lunch Detention
- Third Offense: 3 Days Lunch Detention
- Fourth Offense: 1 Week Lunch Detention

If a student continues to be tardy after 4 tardies, out of school suspension will occur.

THREE tardies equals one unexcused absence.

TELEPHONE

The telephone is available for “EMERGENCY USE ONLY.” Students should not rely on using the school phone for making plans that can be arranged before or after school.

Basic phone procedures are:

- Student phone calls should be made in the “B” floor office.
- Students will be required to sign a daily log sheet when making telephone calls at school.
- You must have permission from your teacher and a hall pass to use the phone during school hours.
- DO NOT PLAN to make your personal after-school arrangements on the phone at school. Make pre-arrangements for after-school activities when transportation or other considerations will be necessary. Students should communicate with friends at home and only unusual situations should require “last minute” planning by phone.
- Calls are to be limited to two (2) minutes.
- If someone should call for you at school, you will not be brought from class to answer the phone. The person may leave a message, and the message will be delivered to you.

TEXTBOOKS

Textbooks will be issued through the teacher in your different classes. Textbooks are provided to the school through state funding, which means books must be utilized by the school for multiple years; therefore, it is your responsibility to treat books with care. Once you have been given books to use, you will be responsible for the books assigned specifically to you until you complete the school term or until you withdraw from school. A textbook which may be lost or damaged will be your responsibility. You must take care of replacement or damage costs before you receive your final grades. The school may hold grades and records if fines or replacement costs are not resolved.

THEFT

Theft will not be tolerated. Replacement and/or reimbursement will result as well as Administrative disciplinary action.

- 1st Offense: Parent conference and suspension from school for three (3) days.
- 2nd Offense: Parent conference and suspension from school for five (5) days.

3rd Offense: Suspension for the remainder of the semester and for the following semester.

THROWING OBJECTS

Due to the obvious danger, throwing of any objects will not be tolerated. If an item is thrown that could cause damage or injury, the penalty will be the same as fighting (the exception is if a serious injury is caused then the student may be suspended for the remainder of the semester and/or for the following semester.)

TITLE IX

The Guthrie Public School system hereby agrees that it will comply with Title IX of the Educational Amendments of 1972 which states that no person in the United States shall, on the basis of sex, be excluded from participation in, denied benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. The School District is an equal opportunity employer.

It is, therefore, the policy of the Guthrie Independent School District No. I-1, Logan County, to provide equal opportunities without regard to race, color, national origin, sex, age, qualified handicap, or veteran status in its educational programs and activities. This includes, but is not limited to, admissions, educational services, financial aid, and employment. Inquiries concerning application of this policy may be referred to the Title IX Coordinator, Guthrie Public School Administration Building, 802 East Vilas, Guthrie, Oklahoma, 73044; telephone (405) 282-8900.

TOBACCO

In compliance with State Laws of Oklahoma, it shall be the policy of the Guthrie Board of Education that the use of, or possession of, tobacco products (including smokeless tobacco), including paraphernalia, in any form, by students while attending school, in/on school premises, and at school sponsored activities is prohibited. Any student in violation of said policy will face immediate disciplinary action:

1st Offense: Parent conference/phone contact and suspension from school for five (5) days.

2nd Offense: Parent conference/phone contact and suspension from school for ten (10) days.

3rd Offense: Suspension for the remainder of the semester, or suspension for the remainder of the school year.

TRANSPORTATION

Registration of Riders

Each student must be registered as a bus rider before they can ride the school bus. The GPS Transportation Department Student Bus Rider Registration Form is available at the Transportation Office and on the school website (<http://www.guthrieps.net>). Proof of residency is required, see the "Parent's Backpack" on the website for more information. Parents must

complete this form and return it to the transportation office. Once the form is entered the students will be issued a bus rider pass. They will need the bus pass to board the bus.

Transportation Transfers and Students Not Riding

In order to provide the safest possible care for your students while they ride the bus, and to control the number of students riding any given bus, *students will ride only their assigned bus*. Students who live in town are in the “no ride zone” and are not assigned to any bus; therefore in-town students may not ride a school bus to another person’s address. Students will also get on and off the bus only at their assigned stop. Students are not permitted to ride home to a friend or other students home.

If a student does not ride for **two** (2) consecutive days, the bus will not return or stop until you notify the Transportation Office (405-282-5919) that the student will again be riding.

TRUANCY

Any student is considered truant when absent from the school grounds without approval of the school and the permission of the parent or guardian. A student who fails to report to class or check out when leaving school anytime during the school day is subject to discipline for truancy.

TRUANCY LAW

Parents can be fined if they allow students to remain absent from school. Under the State Truancy Law, the district must report truancy to the District Attorney. Penalties may be assessed by the Logan County District Court.

UNWRITTEN REGULATIONS

Each year, there are a few things including some "fads" that appear on our campus. We are not listing any of these, nor are we making a regulation to cover all of the problems that may arise. When a fad begins on the campus and a "nuisance" develops, we shall immediately eliminate the nuisance.

VANDALISM AND OTHER OFFENSES

Any student committing an act of vandalism, theft, gambling or forgery is subject to suspension. Damaged or stolen school property must be paid for or replaced by the offending student. The use or possession of stink bombs and/or any other object that would be detrimental to the educational process or that might disrupt any event, class, etc., will also be considered vandalism. Offenses of the above may result in more severe penalties of suspension. Suspensions may range from ten (10) days to the remainder of the semester and the following semester, and/or appropriate Civil Action.

VISITORS (All visitors must report to the office)

We cannot accommodate student visitors during the school day. Parents are always welcome to visit the school but are asked to check in at the “B” floor office first. Parents, if you need to talk with your child, stop by the “B” floor office for a visitor’s pass.

WEAPONS

Students should not bring any type of instrument to school that is likely to be used as a weapon or tool which could be used to deface or vandalize school property. The following instruments may be considered weapons:

1. Knives
2. Firearms and/or facsimiles (including cap guns, etc.)
3. Explosives and/or facsimiles
4. Metal Objects (chains, brass knuckles, etc.)
5. Clubs
6. Sharp or pointed instruments
7. Stun guns
8. Chemical sprays

Violations of this policy will result in administrative action. See Oklahoma Statutes section. Students may be suspended for up to one (1) calendar year for violation of this policy.

WEATHER

In the event school is closed or starting late because of inclement weather, parents are asked to listen to local radio and television stations. When possible, the District's website will also be updated to include the newest information.

If weather conditions deteriorate during the school day and it becomes necessary to dismiss school early, the Superintendent will notify the local radio and television stations. When possible, the update will also be included on the District's website. Please remember not to phone the school to ask about closing or dismissal information. This will keep our telephone lines open in case of an emergency.

WIRELESS COMMUNICATION & ELECTRONIC DEVICES

Students may possess a cellular telephone while on school premises and while in transit under the authority of the school. The term "cell phone" includes but is not limited to cellular phones, mobile phones, VoIP, iPhone, smart phones, internet phones or similar devices. Students will keep cellular telephones turned off and out of sight during class time and during all school or school related activities. During these times students shall be restricted from text or picture messaging, calling electronic mailing, instant messaging, uploading, downloading, gaming, web-surfing, accessing social networking sites, or using any features or applications installed on communication devices. Students may only use cellular telephones before and after school and at lunch or during break periods. Likewise, students may have pagers and cellular telephones while attending a function sponsored or authorized by the school, subject to the same restrictions applicable to instructional periods.

Telecommunication devices shall be turned off and out-of-sight in locations deemed "private areas." "Private areas" include but are not limited to restrooms, changing rooms, and locker rooms or similar areas. The use of audio/video recording and camera features is strictly prohibited in these areas. A student who witnesses a cell phone or other telecommunication device out in a "private area" shall immediately report this behavior to a teacher or administrator.

The district has adopted policies regarding appropriate contact between staff and students via telecommunication devices and social networking sites. These policies are found at *Wireless Telecommunication Devices (Employees)*. Students shall only engage in approved and authorized contact with school employees and shall report any inappropriate contact immediately.

Students found to be using any electronic communications device for any illegal purpose, in a manner volatile of privacy, or to in any way send or receive personal messages, data, or information that would contribute to or constitute cheating on tests or examinations, or to harass or intimidate students or staff members shall be subject to discipline and the device shall be confiscated and not returned until a parent conference has been held. Using a phone for harassment purposes includes using a phone's features such as text or picture messaging, internet uploading and downloading, camera, and/or audio/visual recording features. Acts such as "upskirting" or "downblousing" are prohibited and are considered harassment of an individual. Students violating this policy will not be allowed to carry any personal communication device following the incident unless a genuine health emergency exists, and may also be subject to other disciplinary action.

WARNING:

The taking, dissemination, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, and other modes of electronic communication) may constitute a CRIME under state and/or federal law. Any person taking, dissemination, transferring, or sharing obscene, pornographic, lewd or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution, and inclusion on sexual offender registries.

WITHDRAWAL FROM SCHOOL

When a student must withdraw from Guthrie Public Schools during the term, he/she must report to the registrar in the morning of the day he/she leaves to begin formal withdrawal from school. Students will not be withdrawn until the parent or guardian has made contact.

WHEN WITHDRAWING FROM SCHOOL, PLEASE ADHERE TO THE FOLLOWING PROCEDURE TO LEAVE GUTHRIE PUBLIC SCHOOLS WITH A CLEAR RECORD:

1. Arrange a conference with the counselor to explain the reason for withdrawal, leave a forwarding address, and secure a permit to withdraw from the appropriate office.
2. Secure teacher signatures on the withdrawal permit and return textbooks to those teachers. The locker should also be cleaned out.
3. Leave the signed withdrawal form in the office with the registrar showing a clear record.
4. A transcript of the student's work will be forwarded, upon request, to the new school.

ASBESTOS MANAGEMENT PLAN

In Accordance with Federal law, Guthrie Public Schools has been inspected and approved for asbestos management.

Asbestos plans are available for viewing during regular school hours Monday-Friday by contacting Jerry Gammill at the Maintenance Department located at 200 Crooks Drive, Bldg. #4, Guthrie, OK 73044.

DISCLAIMER

The preceding discipline steps are meant as a guide only. In severe or unusual cases, the judgment of the Administrator will take precedence. The Guthrie Public School Policy Manual will also be used in regard to school-student relationships. A copy of this policy can be viewed at Guthrie High School, Guthrie Junior High, or the Guthrie Public Schools Administration Building.

In accordance with the *Every Student Succeeds Act* PARENTS' RIGHT-TO-KNOW, this is a notification from Guthrie Public Schools to every parent of a student in a Title I school that you have the right to request and receive in a timely manner:

- a) information regarding the professional qualifications of your student's classroom teachers. The information regarding the professional qualifications of your student's classroom teachers shall include the following:
 - If the teacher has met state qualification and licensing criteria for the grade level and subject areas taught;
 - If the teacher is teaching under emergency or temporary status in which the state qualifications and licensing criteria are waived;
 - The teachers baccalaureate degree major, graduate certification, and field of discipline; and
 - Whether the student is provided services by paraprofessionals, and if so, their qualifications [ESSA 1112(e)(1)(A)(i)-(ii)]
- b) information regarding any State or local educational agency policy regarding student participation in any assessments mandated by section 1111(b)(2) and by the State or local educational agency, which shall include a policy, procedure, or parental right to opt the child out of such assessment, where applicable. [ESSA 1112(e)(2)(A)]
- c) In addition to the above information you will be notified if your student has been taught for four or more consecutive weeks by a teacher who does not meet the applicable state certification for licensure requirements at the grade level and subject area in which the teacher has been assigned. [ESSA 1112(e)(1)(B)(ii)]

If you have questions or concerns, please feel free to contact your student's Principal.

Sincerely,

Mike Simpson, Ed. D.

ACTIVITIES / SPORTS

Numerous extra-curricular activities are offered at Guthrie High School.

Requirements for membership in these organizations can be obtained from the sponsors / coaches. Students are encouraged to participate in activities in which they can excel because of special interests, talent, and/or ability.

The maximum number of absences for activities, whether sponsored by the school or an outside agency / organization, which removes the student from the classroom shall be ten (10) for any one class period of each school year. Excluded from this number are **qualifying** / state and national levels of school-sponsored contests. State and national contests are those for which students must earn the right to compete. Students participating in school activities will not be allowed to participate in these activities after missing class, or a portion of class, during the day of the activity except for documented reasons or administrative approval.

ATTENDANCE

There is a close relationship between academic success and school attendance. Good attendance habits learned and developed in school will be carried over into the world of work. The rewards for good attendance at GHS & Faver are increased learning and an increased probability that students will be successful. Of equal importance is the development and practice of dependability and punctuality (two essential skills in the world of work.) Most important is the need to attend in order to learn from both teacher and classmates. To our knowledge, no student who had perfect attendance has ever failed in learning.

Definition of an absence:

An absence is defined as any time a student misses more than 10% of a Faver school day. Continuing absences & tardies will require time to be made up after Faver's regular school day is complete.

Notification of an absence by parents:

By state statute, it is the duty of the parent or guardian of a student to notify the school concerning the cause of any absence. This should be done as early as possible on the day the student misses school. School personnel will make every reasonable effort to notify the parent or guardian via an automatic calling system of an absence for any part of the school day unless the parent or guardian notifies the school of such absence. It is important for a student to accept responsibility for his/her behavior.

Unauthorized Absence:

A student who fails to check out when leaving school anytime during the school day, leaves class without permission, or does not report to a specific location is subject to disciplinary action.

Examples of but not limited to:

- Leaving campus and not checking out and receiving an early dismissal slip;
- Presenting an unacceptable verification or note for an excused absence; (see Excused Absence)
- Failing to have parent/guardian authorization;
- Oversleeping;
- Missing the bus or having car trouble.

Any unexcused absence becomes an Unexcused Truancy if it is not cleared within 48 hours by parent or documentation.

Absences for Extracurricular Activity:

An absence for a student who has to miss school for a Guthrie High School activity will be counted as an activity absence. This absence will not count toward administrative failure. Students should pay close attention to the state's ten-day activity absence policy.

College Visits:

Guthrie High School seniors are given two days per year to visit a college of their choice, which could include residual ACT dates or college enrollment. This absence does not count against the ten-day rule, administrative failure, or semester test exemptions. Documentation from the school visited may be required upon the student's return.

Parent-Verified Absence:

- A parent must ~~make contact by phone or in person to~~ **notify** the Attendance office.
- A parent notifying the office does not make the absence a documented absence (see below).

Documented Absence

A documented absence can be defined as:

- a doctor's note (document must be original; faxes must be received directly from the doctor's office);
- a court document;

- funeral information (immediate family).

The Attendance Office must have this documentation; if not, the absence will count as an unexcused absence, which counts towards administrative failure.

- Documentation must be turned in within five days of the absence or it will not count as a documented absence. The principal will make the determination if circumstances prevented the absence from being cleared within the time limit.
- The principal will make the final determination as to whether or not an absence is excused or unexcused and the acceptability of documentation.

Attendance Reports:

High School students may request an attendance report from the Office. A parent may come in and pick up an attendance report at any time in the Office.

Attendance Codes:

The following is a list of attendance codes as they pertain to student absences.

AB – personal business. If appropriate documentation is submitted, this will be changed to an AD.

AC – college day. Seniors may use two college days per year.

AD – documented absence. This does not count against the student's nine (9) allowable absences.

AM – medical. If appropriate documentation is submitted, this will be changed to an AD.

AR – vo-tech absence. Attendance taken at vo-tech is turned in to GHS for attendance recording.

AU – unaccounted for. Student is absent and was not called in by a parent.

EG – testing. This is not counted as an absence.

EI – in school suspension. This is not counted as an absence.

TU – tardy.

EC, ED, EE, EF, EL, EN, EO, ES, EX – these codes are on- or off-campus student activities and are not counted as an absence.

BEFORE AND AFTER SCHOOL

Building hours will be posted outside the Office. No student will be in the building before or after these hours unless requested by a teacher or participating in a supervised activity.

CAFETERIA

Students are expected to behave in an appropriate manner regard to meal area & distributions. Students are responsible for maintaining their school, table, the area around their table, and for disposing all trays, plates, and trash in the designated cans.

Meal Area / Distribution Guidelines:

- Students will be required to present ID numbers to purchase meals.
- There will be no charging of meals in the cafeteria.
- Students may deposit additional money to their account balance ~~any morning before school~~ **when the serving line is open.**
- Checks will be accepted for the full amount only. No change can be given.
- Payment can be made anytime online via the PaySchools link on the Guthrie Public Schools' website.
- Free or reduced accounts cannot be used more than once per day and can only be used by the appropriate owner.
- Ala Carte and extra items are CASH only.
- Cashiers are not allowed to make change without a purchase.
- Federal and state laws govern reimbursable meals to the following:
 - Breakfast must be 3 or 4 items; Lunch must be 3 to 5 items.
- Infractions of cafeteria rules (i.e., leaving your tray/plate on the table, leaving your table dirty, throwing objects, taking the food of others, etc.) will result in the appropriate disciplinary action.
- No food deliveries will be allowed on campus during the school day with the exception of parents delivering food to the office for their own student at the beginning of the lunch period.

CELL PHONES / STUDENT POSSESSION OF WIRELESS COMMUNICATION DEVICES

Students may possess a cellular telephone while on school premises and while in transit under the authority of the school. The term "cell phone" includes but is not limited to cellular phones, mobile phones, VoIP, iPhones, smart phones, smart watches, internet phones, or similar devices.

Students will keep cellular telephones turned off and out of sight during scheduled class time and during all school or school-related activities. During these times, students shall be restricted from text or picture messaging, calling, electronic mailing, instant messaging, uploading, downloading, gaming, web surfing, accessing social networking sites, or using any features or applications installed on communication devices.

Students may only use cellular telephones before and after school and at break. Likewise, students may use cellular telephones while attending a function sponsored or authorized by the school, subject to the same restrictions applicable to instructional periods.

Due to safety concerns, the use or display of earbuds or headphones while on campus, with the exception of use during online coursework, is prohibited. The use of earbuds or headphones during extra-curricular activities is up to the discretion of the activity sponsor.

Disciplinary Actions:

- 1st Offense: phone or ear device is confiscated. The phone will be returned at the END of the session.
- Subsequent Offenses: device confiscated and the Office will administer additional discipline ranging from community service to out-of-school suspension.

Failure to surrender a device upon request will result in a three (3) day out-of-school suspension.

CHANGE OF ADDRESS

Any change of address or telephone number should be reported to the Office. Any phone number changes for the School Messenger / Remind system should be turned in immediately to the Office.

CHEATING / PLAGIARISM

Cheating will be considered the act or intent of giving or gaining knowledge for an assignment or test or to answer by fraudulent means.

Consequences:

The penalty for cheating will be a zero for the assignment or test. Frequent acts of cheating will require further consequences as per teacher / administrator discretion.

Plagiarism is the intention or accidental use of another's ideas, words, or writing as one's own without appropriate documentation or relying too heavily on outside resources for the completion of an assignment.

Faver Disciplinary Action:

- 1st Offense: parents will be notified and a grade of "0" for the assignment or test will be given.
- 2nd Offense: above consequences apply plus a 1-day suspension
- 3rd Offense: grade of "0" for assignment or test plus a 3-day suspension
- 4th Offense: loss of credit in the respective class for the semester.

CHECKING OUT PROCEDURE

If it is necessary for a student to leave school, notification to the Office by the parent/guardian is required before the student will be allowed to check out. Students must sign out in the Office before leaving campus. Upon returning to school, the student is required to check back in at the Office. Failure to comply with this procedure may result in disciplinary actions.

Faver Alternative School operates under a closed campus policy. Leaving campus without permission will result in disciplinary action from the Office

CONCURRENT ENROLLMENT

A junior or senior enrolled at Guthrie High School is eligible to participate in enrollment at high school and college simultaneously.

Permission must be obtained by the principal and is subject to current Oklahoma State Department of Education regulations. See the Course Selection Handbook for complete information.

DANCES

Dances will be held periodically during the school year under the direction of various Guthrie High School organizations. Only those students enrolled at Guthrie High School are eligible to attend; junior high school age students will not be allowed to attend. All students wanting to attend prom who do not attend Guthrie Schools must be pre-approved by the principal.

Any student attending a school-sponsored dance, including the Junior-Senior Prom, may be subject to a BAC (Breath Alcohol Content) Test.

Students are not allowed to gather in the parking lot or cars or drive around the parking lot during a dance. Once students leave the dance, they are to leave the school grounds / dance site. No readmission is allowed once students leave the dance site.

DRESS CODE AND APPEARANCE

The educational process includes preparing students to deal with rules and laws outside the school setting. By recognizing that appropriate dress is an issue which is addressed in the "real world" by workplace requirements or professional standards and expectations, students have an opportunity to learn that what is acceptable and appropriate in one situation is not acceptable in other situations. Clothing that may be fun or appropriate on the weekend may not be appropriate for school. Standards of dress are provided so clothing does not distract from the educational process. It is hoped that a minimum amount of time and effort is spent on enforcement; however, it is the responsibility of the student and parent to adhere to these guidelines.

APPEARANCE:

- All students are required to wear shoes. House shoes, house slippers, cleated shoes, or wheeled shoes are not permissible in the school building.
- Skirts, dresses, and shorts should be no shorter than the longest fingertip when held at sides. The length of these items must be the appropriate length all the way around the body.
- Leggings and other stretchy clothing are allowed but should be covered by an outer garment that reaches the longest fingertip when held at sides. The length of these items must be the appropriate length all the way around the body.
- Headwear is not to be worn in the building. This includes, but is not limited to, hats, bandanas, earmuffs, and hair picks.
- The principal may make exceptions for spirit days or special activities.

Examples of inappropriate attire are, but are not limited to:

1. Clothing that inappropriately exposes the body.
 - a. Clothing that allows undergarments to be visible.
 - b. Pants with holes/rips/tears above the longest fingertip point of the thigh.

DIABETES MANAGEMENT

Guthrie Public Schools provides nursing services that promote a student's ability to learn. Our goals are to:

- assist students in learning how to take care of their health.
- ensure a safe school environment.
- promote good control of a student's health condition so they are ready to learn.

Diabetes can affect a student's ability to learn if it is not under good control. To help us meet these goals, Guthrie Public Schools has a nurse who is a certified diabetes educator. She works with school, personnel, individual students with diabetes and their families, and the student's health care provider.

As a reminder, each year we need to have the following information for your child:

- written diabetes management plan from your health care provider.
- signed authorization by parent/guardian for medication and treatment at school.
- completed Diabetes Questionnaire filled out by parent/guardian/student.

In addition, adequate supplies, as listed in the student's diabetes management plan, must be provided at school:

- snacks or glucose tablets to treat low blood sugar
- medications
- blood glucose meter, strips, and supplies
- ketone testing strips and equipment
- Glucagon

We are looking forward to helping your child with diabetes be successful in school. Please feel free to contact us with any questions or concerns.

ELIGIBILITY

When co-curricular and/or interscholastic programs are scheduled during the school day, a student must be eligible according to the following guidelines of the Oklahoma Secondary Schools Activities Association:

A. ATTENDANCE REGULATIONS

1. School Activity: These are extracurricular activities, whether sponsored by the school or outside agency, which remove the student from class for more than half a class period.
2. The total number of student activity absences allowed for one class period per student shall be ten (10).
3. Once a student has had ten student activity absences (per school year) from any one class period, the student must be reported to the principal's office for consideration for further absences for student activities.
4. A student is expected to attend classes 90% of the time in order to participate in school-sponsored activities.

B. SCHOLASTIC ELIGIBILITY

(Information taken from OSSAA RULES AND REGULATIONS)

Section 1: Semester Grades

- a) A student must have received a passing grade in all subjects counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. If a student does not meet minimum scholastic standard he/she will not be eligible to participate during the first six weeks of the next semester he/she attends.
- b) A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- c) Pupils enrolled for the first time must comply with the same requirements of scholarship. The passing grades required for the preceding semester should be obtained from the records in the school last attended.

Section 2: Student Eligibility during a Semester

- a) Scholastic eligibility for students will be checked at the end of the third week of a semester and each succeeding week thereafter.
- b) A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. If a student is still failing one or more classes at the end of his/her probationary one-week period, he/she will be ineligible to participate during the next one-week period. The eligibility periods will begin Monday and end on Sunday.
- c) A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one-week period (Monday through Sunday).
- d) "Passing grade" means work of such character that credit would be entered on the records were the semester to close at that time.

Section 3. Special Provisions

- a) An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three (3) weeks. A student may regain his/her eligibility by achieving the scholastic standard in Rule 3, Section 2-b at the end of a three (3) week period.
- b) Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision Rule 3, Section 3-c, if the incomplete grade was caused by an unavoidable hardship. (Example of such hardships would be illness, injury, death in family, and natural disaster.) (Board policy allows a maximum of two (2) weeks to apply this exception.)
- c) Schools may choose to run eligibility checks on any day of the week. The period of ineligibility will always begin the Monday following the day eligibility is checked.

Section 4. Special Education Students

- a) Students who are enrolled in special education class, have an Individual Educational Plan, and have been certified by the principal as doing a quality of work which may, with the approval of the Board of Directors, be accepted as eligible under this rule.

ASVAB TESTING AND STUDENT ACCESS TO MILITARY RECRUITERS

It is the policy of the board of education to take part in testing programs with the aim of providing all students with information designed to help them recognize their talents and to assist them in planning their education and career paths. The ASVAB or alternative assessment will be scheduled during normal school day hours and at a time that limits conflicts with extracurricular activities. The district will provide to students and their parents or legal guardians in grades ten through twelve (10–12) the date, time, and location of the scheduled administration of the ASVAB or alternative assessment.

At the discretion of the board of education, the district may administer an alternative assessment in lieu of the ASVAB, provided the alternative assessment meets the following criteria:

1. it assesses a student's aptitude for success in a career field other than a career field that requires postsecondary education;
2. is free to administer;
3. requires minimal training and support of school faculty and staff to administer the test; and
4. provides each student with a professional interpretation of the test results that allows the student to explore occupations that are consistent with each student's interests and skills and to develop strategies to attain career goals.

Regardless of whether the district offers the ASVAB or an alternative assessment, the district will permit each student taking the assessment with an opportunity to consult with a military recruiter. Individual student meetings with recruiters will be permitted on dates and times approved by the building principal or the principal's designee, which will be advertised to students and their parents and legal guardians.

GUTHRIE HIGH SCHOOL PARENT-STUDENT-TEACHER COMPACT

We at Guthrie High School are committed to providing the best education possible for each of our students. It is our goal to give every child the opportunity to reach his/her full potential in intellectual, emotional, and physical growth. We know that learning can take place if there is a combination of effort, interest, and motivation on the part of the school, the home, and the community working toward that end. This compact is a voluntary agreement and a promise of commitment to help *your student* progress in school, promoting his/her achievement. We believe that this agreement can be fulfilled through our team effort.

- Communicate regularly with families about student progress.
- Provide a warm, safe, and caring learning environment.
- Provide meaningful assignments to reinforce and extend learning.
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and communities.
- Actively participate in collaborative decision making and consistently work with families and my school colleagues to make schools accessible and welcoming places for families which help each student achieve the school's high academic standards.

AS A TEAM, WE CAN WORK TOGETHER TO CARRY THIS OUT!

Dear Parents and Guardians:

In accordance with the *Every Student Succeeds Act* PARENTS' RIGHT-TO-KNOW, this is a notification from Guthrie Public Schools to every parent of a student in a Title I school that you have the right to request and receive in a timely manner:

ACTIVITIES / SPORTS

Numerous extra-curricular activities are offered at Guthrie High School.

Requirements for membership in these organizations can be obtained from the sponsors / coaches. Students are encouraged to participate in activities in which they can excel because of special interests, talent, and/or ability.

The maximum number of absences for activities, whether sponsored by the school or an outside agency / organization, which removes the student from the classroom shall be ten (10) for any one class period of each school year. Excluded from this number are **qualifying** / state and national levels of school-sponsored contests. State and national contests are those for which students must earn the right to compete. Students participating in school activities will not be allowed to participate in these activities after missing class, or a portion of class, during the day of the activity except for documented reasons or administrative approval.

ANNOUNCEMENTS

A daily bulletin will be read at the end of the fourth hour on a regular basis. The announcements are available on the HS website for parents and also for students who are absent. Announcements must be approved by the sponsor of an organization and must be submitted to the principal's secretary for posting.

ASSIGNMENTS WHEN ABSENT

When a student is absent from class for more than three (3) days, homework assignments may be requested by emailing individual teachers or checking Google Classroom.

ATTENDANCE

There is a close relationship between academic success and school attendance. Good attendance habits learned and developed in school will be carried over into the world of work. The rewards for good attendance at GHS are increased learning and an increased probability that students will be successful. Of equal importance is the development and practice of dependability and punctuality (two essential skills in the world of work.) Most important is the need to attend in order to learn from both teacher and classmates. To our knowledge, no student who had perfect attendance has ever failed in learning.

Parents can monitor a student's attendance through the District's online gradebook portal.

Definition of an absence:

An absence is defined as any time a student misses more than 10% of a class period during the school day.

Notification of an absence by parents:

By state statute, it is the duty of the parent or guardian of a student to notify the school concerning the cause of any absence. This should be done as early as possible on the day the student misses school. School personnel will make every reasonable effort to notify the parent or guardian via an automatic calling system of an absence for any part of the school day unless the parent or guardian notifies the school of such absence. It is important for a student to accept responsibility for his/her behavior. Accordingly, if a student is out of school without his/her parent's permission, he/she may receive a zero for all work missed. An absence of this nature is known as an UNEXCUSED absence.

Unexcused absence:

Examples of but not limited to:

- Leaving campus and not checking out and receiving an early dismissal slip;
- Presenting an unacceptable verification or note for an excused absence; (see Excused Absence)
- Failing to have parent/guardian authorization;
- Oversleeping;
- Missing the bus or having car trouble.

Any unexcused absence becomes an Unexcused Truancy if it is not cleared within 48 hours by parent or documentation.

Absences for Extracurricular Activity:

An absence for a student who has to miss school for a Guthrie High School activity will be counted as an activity absence. This absence will not count toward administrative failure. Students should pay close attention to the state's ten-day activity absence policy.

College Visits:

Guthrie High School seniors are given two days per year to visit a college of their choice, which could include residual ACT dates or college enrollment. This absence does not count against the ten-day rule, administrative failure, or semester test exemptions. Documentation from the school visited may be required upon the student's return.

Parent-Verified Absence:

- A parent must ~~make contact by phone or in person to~~ **notify** the Attendance office.
- A parent notifying the office does not make the absence a documented absence (see below).

Documented Absence:

A documented absence is necessary to keep the student out of administrative failure. A documented absence can be defined as:

- a doctor's note (document must be original; faxes must be received directly from the doctor's office);
- a court document;
- funeral information (immediate family).

The Attendance Office must have this documentation; if not, the absence may count as an unexcused absence, which counts towards administrative failure.

- Documentation must be turned in within five days of the absence or it may not count as a documented absence. The principal will make the determination if circumstances prevented the absence from being cleared within the time limit.
- The principal will make the final determination as to whether or not an absence is excused or unexcused and the acceptability of documentation.

Administrative Failure:

To implement the school policy of administrative failure and encourage attendance in school, the following procedures and guidelines shall be used:

- No student shall be absent more than nine (9) times in any one semester without proper documentation (see Documented Absence.)
- Any student who has more than nine (9) absences (without proper documentation) may not receive a passing grade in the appropriate subjects or grade level for that semester.
- If a student has an unexcused absence, the student may receive a zero for all work missed. The student is still expected to make up the work. Also, the student should expect disciplinary action.
- In the event a student has exceeded the allowable number of absences, the following is the appeal process that will be utilized: a written request must be made by the parent/guardian within 10 days of receipt of the appeal letter. An appeal committee will consider extenuating circumstances on an individual basis.

Periodic attendance letters may be mailed throughout each semester. Students who accumulate more than nine (9) undocumented absences for the semester will be in danger of receiving No Credit for the classes in which excessive absences occur.

Ten Day Drop:

After the 10th consecutive day of unauthorized absence, students will be dropped from attendance rolls.

Truancy Law:

Parents can be fined if they allow students to remain absent from school. Under the State Truancy Law, the district must report truancy to the appropriate authorities. Penalties may be assessed by a truancy officer.

Unauthorized Absence:

A student who fails to check out when leaving school anytime during the school day, leaves class without permission, or does not report to a specific location is subject to disciplinary action.

Disciplinary action will include, but not be limited to:

- 1st Offense: one (1) Saturday School
- 2nd Offense: two (2) days ISS
- 3rd Offense: three (3) days ISS
- 4th Offense: three (3) day suspension
- 5th Offense: five (5) day suspension

Any further offenses may result in suspension for the remainder of the semester and possibly the following semester.

Attendance Reports:

High School students may request an attendance report from the Attendance Office. A parent may come in and pick up an attendance report at any time in the Attendance Office.

Attendance Codes:

The following is a list of attendance codes as they pertain to student absences.

- AB – personal business. If appropriate documentation is submitted, this will be changed to an AD.
- AC – college day. Seniors may use two college days per year.
- AD – documented absence. This does not count against the student's nine (9) allowable absences.
- AM – medical. If appropriate documentation is submitted, this will be changed to an AD.
- AR – vo-tech absence. Attendance taken at vo-tech is turned in to GHS for attendance recording.
- AU – unaccounted for. Student is absent and was not called in by a parent.
- EG – testing. This is not counted as an absence.
- EI – in school suspension. This is not counted as an absence.
- TU – tardy.

EC, ED, EE, EF, EL, EN, EO, ES, EX – these codes are on- or off-campus student activities and are not counted as an absence.

No student will be in the building before 7:00 a.m. or after 3:45 p.m. unless requested by a teacher or participating in a supervised activity.

- There will be no charging of meals in the cafeteria.
- Students may deposit additional money to their account balance ~~any morning before school~~ **when the serving line is open.**

 - Breakfast must be 3 or 4 items.
 - Lunch must be 3 to 5 items.

Cafeteria Offenses:

Cutting in line, leaving a tray or dirty table, not following instruction of a staff member, and other minor offenses during lunch may result in three (3) lunch detentions per offense. Major infractions will be handled as outlined elsewhere in this handbook.

CELL PHONES / STUDENT POSSESSION OF WIRELESS COMMUNICATION DEVICES

Students may possess a cellular telephone while on school premises and while in transit under the authority of the school. The term "cell phone" includes but is not limited to cellular phones, mobile phones, VoIP, iPhones, smart phones, smart watches, internet phones, or similar devices.

Students will keep cellular telephones turned off and out of sight during scheduled class time. During these times, students shall be restricted from text or picture messaging, calling, electronic mailing, instant messaging, uploading, downloading, gaming, web surfing, accessing social networking sites, or using any features or applications installed on communication devices.

Students may only use cellular telephones before and after school and at lunch or during break periods. Likewise, students may use cellular telephones while attending a function sponsored or authorized by the school, subject to the same restrictions applicable to instructional periods.

Due to safety concerns, the use or display of earbuds or headphones while on campus, with the exception of use during online coursework, is prohibited. The use of earbuds or headphones during extra-curricular activities is up to the discretion of the activity sponsor.

Disciplinary Actions:

- 1st Offense: phone or ear device is confiscated AND Saturday School. The phone will be returned at the END of the day.
- Subsequent Offenses: device confiscated AND two days ISS.

Failure to surrender a device upon request will result in a three (3) day out-of-school suspension.

CHANGE OF ADDRESS

Any change of address or telephone number should be reported to the Office. Any phone number changes for the School Messenger system should be turned in immediately to the Office.

CHEATING / PLAGIARISM

Cheating will be considered the act or intent of giving or gaining knowledge for an assignment or test or to answer by fraudulent means.

Consequences:

The penalty for cheating will be a zero for the assignment or test. Frequent acts of cheating will require further consequences as per teacher / administrator discretion.

Plagiarism is the intention or accidental use of another's ideas, words, or writing as one's own without appropriate documentation. .

Disciplinary Action:

- 1st Offense: parents will be notified and a grade of "0" for the assignment or test will be given.
- 2nd Offense: above consequences apply plus a Saturday School will be assigned.
- 3rd Offense: 3-day suspension
- 4th Offense: loss of credit in the respective class for the semester.

CHECKING OUT PROCEDURE

If it is necessary for a student to leave school, notification to the Attendance Office by the parent/guardian is required before the student will be allowed to check out. Students must sign out in the Attendance Office before leaving campus. Upon returning to school, the student is required to check back in at the Attendance Office. Failure to comply with this procedure may result in disciplinary actions. Students are only allowed to use the office telephone in case of illness or emergency.

Guthrie High School operates under a closed campus policy. Leaving campus without permission during lunch may result in disciplinary action from the Attendance Office. A student cannot check out during the lunch period UNLESS:

1. A parent guardian comes to the Office and checks the student out.
or
2. The student is leaving for the remainder of the day.

CLASS OFFICERS AND QUEENS

It is the policy of the Guthrie Public Schools for every student to have an opportunity for leadership. With this in mind, no student can be elected or appointed to more than three (3) offices during the school year and may be president of only one (1) organization or class per year. This rule applies to the editor(s) of the yearbook and the editor(s) of the school newspaper.

During the course of the school year, a girl may be elected queen of one (1) team or organization and attendant of any two (2) organizations. No girl may be queen twice in one year.

This rule will be enforced through the mutual cooperation of faculty and students. If any student is elected to too many offices, he/she will be allowed to make a choice as to which office to keep. Any problems concerning the enforcement of this rule will be reported to the building principal for action.

Candidates for any office (including queens or attendants) must meet the following qualifications:

- Meet the eligibility requirements of the OSSAA.
- Be in regular attendance.
- Be free of recent disciplinary reports of a serious or chronic nature.
- Not be president of any other organization or activity.
- Not be president and queen of the same organization.

CONCURRENT ENROLLMENT

A junior or senior enrolled at Guthrie High School is eligible to participate in enrollment at high school and college simultaneously.

Permission must be obtained by the principal and is subject to current Oklahoma State Department of Education regulations. See the Course Selection Handbook for complete information.

DANCES

Dances will be held periodically during the school year under the direction of various Guthrie High School organizations. Only those students enrolled at Guthrie High School are eligible to attend; junior high school age students will not be allowed to attend. All students wanting to attend prom who do not attend Guthrie Schools must be pre-approved by the principal.

Any student attending a school-sponsored dance, including the Junior-Senior Prom, may be subject to a BAC (Breath Alcohol Content) Test.

Students are not allowed to gather in the parking lot or cars or drive around the parking lot during a dance. Once students leave the dance, they are to leave the school grounds / dance site. No readmission is allowed once students leave the dance site.

DETENTION

Students assigned detention by an administrator are to report to the assigned detention area. The following rules apply to all administrator-assigned detentions.

Failure to show for detention will result in the following disciplinary action: **two (2) days of ISS.**

Detentions assigned by a teacher will be served with that teacher. Failure to serve such detentions will result in the following actions:

- Detentions will double when given to the Discipline Office.
- Failure to serve detentions assigned by the office will result in two days of ISS.

DRESS CODE AND APPEARANCE

The educational process includes preparing students to deal with rules and laws outside the school setting. By recognizing that appropriate dress is an issue which is addressed in the "real world" by workplace requirements or professional standards and expectations, students have an opportunity to learn that what is acceptable and appropriate in one situation is not acceptable in other situations. Clothing that may be fun or appropriate on the weekend may not be appropriate for school. Standards of dress are provided so clothing does not distract from the educational process. It is hoped that a minimum amount of time and effort is spent on enforcement; however, it is the responsibility of the student and parent to adhere to these guidelines.

APPEARANCE:

- All students are required to wear shoes. House shoes, house slippers, cleated shoes, or wheeled shoes are not permissible in the school building.
- Skirts, dresses, and shorts should be no shorter than the longest fingertip when held at sides. The length of these items must be the appropriate length all the way around the body.
- Leggings and other stretchy clothing are allowed but should be covered by an outer garment that reaches the longest fingertip when held at sides. The length of these items must be the appropriate length all the way around the body.
- Headwear is not to be worn in the building. This includes, but is not limited to, hats, bandanas, earmuffs, and hair picks.
- The principal may make exceptions for spirit days or special activities.

Examples of inappropriate attire are, but are not limited to:

1. Clothing that inappropriately exposes the body.
 - a. Clothing that allows undergarments to be visible.
 - b. Pants with holes/rips/tears above the longest fingertip point of the thigh.
 - c. Clothing that exposes the midriff.
 - d. Shirts not long enough to be tucked in or to drop two (2) inches below the waistline without tugging or stretching the shirt.
 - e. Sleeveless shirts, blouses, and dresses whose straps are not at least one-dollar bill's width.
 - f. Sleeveless shirts, blouses, and dresses not fitted under the arm.
 - g. Shirts not worn on both shoulders.
 - h. Mesh jersey or fishnet type clothing unless a t-shirt or other appropriate lining is underneath.
 - i. Pants below the waistline. Pants, sweats, skirts, or shorts rolled at the waist.
2. Sunglasses (including when worn as headwear.)
3. Bandanas.
4. Gang related attire or paraphernalia.
5. Clothing, badges, jewelry, or other items advertising drugs, alcohol, tobacco products or practices. Clothing, badges, jewelry, or other items reflecting messages of a suggestive, immoral, derogatory, hateful, or vulgar nature.
6. Apparel identifying a student as "security," "staff," "police," or comparable position.
7. Onesie pajamas.
8. Blankets used as coats.
9. Chains or "spikes" on clothing, attached to wallets, or worn as a necklace or bracelet.
10. Clothing not worn in accordance with the design (such as both straps being worn on overalls, or legs on pants being worn at their full length.)
11. Clothing that is excessively baggy or long, including trench coats.

Any clothing that disrupts the learning atmosphere of the school is prohibited. Clothing with possible implied meanings, intended or not, may be offensive and will fall under this policy.

DRESS CODE POLICY:

When a student has worn inappropriate clothing to school, the parent(s) of the student may be contacted. The student may be sent home to change clothing, or parents may be requested to bring appropriate clothing to school. If parent(s) are unavailable, the student will be assigned to in-school supervision. Time missed in procuring appropriate clothing will count as an unexcused tardy or absence in accordance with the attendance policy.

DRUGS AND ALCOHOL

It is the policy of the Guthrie Public Schools that no student shall possess, use, transmit, share, provide, sell, conspire to sell or possess, be in the chain of sale or distribution or be under the influence of any prohibited or controlled substance including a/an narcotic drug, illicit drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, **any CBD that has any percentage of THC**, or any other controlled substances, alcoholic beverage or non-intoxicating beverage (defined by law, i.e. 3.2 beer). Counterfeit drugs (turkey drugs), drug paraphernalia and chemicals which provide a mood-altering effect are included as controlled substances. Illicit drugs include steroids, and prescription and over-the-counter medications being used for an abusive purpose. This prohibition applies to competitions, on school transportation, on school premises, at school functions, school-sponsored activities, performances, contests, athletics competitions, during lunch, or while under the supervision of school personnel. This policy is adopted in compliance with the Drug-Free Schools and Communities Act Amendments of 1989.

It is the responsibility of all school personnel to report suspected violations of this policy to an administrator. The administrator will notify the parents, impose appropriate consequences according to the discipline policy, and report the incident to the local authorities. School discipline will be imposed independent of any court action. A confidential drug/alcohol report, completed by the administrator, will be sent to the Superintendent or his/her designee and to the Drug Free Schools office.

Any student violating this policy and his/her parents will be provided a list of resources and encouraged to obtain drug/alcohol education, counseling, and/or chemical dependence treatment as appropriate and at the parent's expense.

Copies of this Policy shall be provided to all students and their parents at the beginning of each school year.

CONSEQUENCES FOR STUDENT VIOLATION OF DRUG/ALCOHOL POLICY

- A. Conspiracy/Chain/Sale/Distribution/Delivery of Drugs or Alcohol (for personal gain, monetary privilege or gain): Student will be suspended out of school for the remainder of the current semester and all of the succeeding semester.
- B. Possession/Use/Sharing/Being Under the Influence of Drugs or Alcohol:
Students suspected of being under the influence may be subject to a field sobriety test conducted by a member of law enforcement. Failure to comply will result in first offense disciplinary action.
 1. **First Offense:** Ninety (90) day out-of-school suspension (1 semester equivalency)
 - A. A thirty (30)-day suspension may be granted if the student and the parents/guardians agree to the following:
 - (1) to meet with the District Counseling Service representative;
 - (2) to obtain, from a licensed practitioner, an alcohol/drug use assessment which may recommend counseling, education, treatment, and/or drug testing. The cost of any assessment or recommended counseling, education, treatment, etc. will be the sole responsibility of the student's parent or guardian.
 2. **Second Offense:** Suspension out-of-school for the remainder of the current semester and all of the succeeding semester.

Nothing in this policy is intended to limit or restrict the ability of the School District to take other disciplinary action against a student in a particular case in accordance with other policies governing student discipline. A school principal or the principal's designees may devise an appropriate disciplinary plan for an individual student relating to the substance abuse in question and may submit that plan to the Superintendent, Superintendent's designee, or principal for approval. If such disciplinary plan is approved by the Superintendent, Superintendent's designee, or Principal it may be implemented for the student in question.

NOTE: Procedural Due Process Rights: For ALL out-of-school suspensions, the due process steps outlined in the GPS Policy Manual and this handbook will govern administrative procedures to be followed in the enforcement of this policy.

REPORTING STUDENT SUBSTANCE ABUSE

- A. The Board recognizes the complexity of problems which may be associated with student substance abuse. The concern is for the well-being and best interests of students at all times. Therefore, the following procedure will be utilized by teachers and administrators in

reporting students who appear to be under the influence, as defined by law, of: low-point beer, alcoholic beverages, or controlled dangerous substances. This policy is adopted in compliance with Oklahoma Statute tit. 70§24-138.

- B. When it appears to a teacher or administrator that a student may be under the influence of low-point beer, alcoholic beverages, or controlled substances (drugs), the teacher or administrator will report the matter in writing to the school principal or his/her designee. Whenever possible, the teacher or administrator should attempt to obtain a corroborative observation from another teacher or administrator.
- C. The report of the teacher or administrator will state the date, time, and place of the incident. It will also describe the actions of the student or other circumstances from which the teacher or administrator concluded that the student appeared to be under the influence of low-point beer, alcoholic beverages, or controlled substances.

DUE PROCESS

A. SUSPENSION OF TEN DAYS OR LESS

1. An appeal to the building level Appeals Committee can be requested, by letter, to the school principal within five (5) calendar days after the principal's out-of-school suspension decision is received by the student and/or his or her parent. The out-of-school decision becomes final and non-appealable if a request for appeal is not received within the time frame described above.
2. Upon receipt of the appeal request, the principal shall confirm that the student's out-of-school suspension falls within the category out-of-school suspensions for which an appeal to the Appeals Committee is authorized to hear. If for any reason the short-term out-of-school suspension is extended beyond ten (10) school days prior to the committee hearing, the procedures applicable to the long-term out-of-school suspension must be followed.
3. The Appeals Committee will conduct an investigation, in an informal manner, and make a decision (by majority vote) as to the guilt or innocence of the student and the reasonableness of the term of the out-of-school suspension. **The Appeals Committee reserves the right to amend, rescind, or alter the length of suspension based on its findings.**
4. The decision of the Appeals Committee shall be final and non-appealable.

B. SUSPENSION IN EXCESS OF TEN DAYS:

1. A parent or student may appeal the out-of-school suspension decision of the principal to the Superintendent of Schools.
2. An appeal must be submitted to the Superintendent of Schools, or designee, at 802 East Vilas, Guthrie, OK.
3. If no appeal is received within five (5) calendar days from the parent or student, the principal's decision will be final.
4. The Superintendent reserves the right to amend, rescind, or alter the length of suspension based on the findings of the investigation.

EARLY GRADUATION

Students enrolled through Guthrie Public Schools are afforded the opportunity to graduate early via online coursework, the Bluejay Academy, or Faver Alternative School. If the required coursework is completed prior to commencement exercises in May, diplomas will be issued in early June with the other members of the current academic year's graduating class.

ELECTIONS

There will be a number of elections at Guthrie High School. Before an election is held, sponsors must submit qualifications, rules, and dates to the principal for approval. A copy of the written rules shall be posted on the student or class bulletin board for at least one week before students file for office or before they are nominated.

Written Ballots must be prepared for all elections, and all ballots for any elections will be counted in the office of the Principal/Activities Coordinator where they will be tabulated and results will be determined. The sponsor and representatives of the organizations are responsible for this tabulation. No student can be elected president of two school organizations during the same year. Candidates for any office (including queens or attendants) must meet the following qualifications:

It is a privilege and honor for Guthrie Public School students to attend and represent our school at various activities through the course of the year. Inappropriate behavior on these trips may warrant severe disciplinary action. Students must ride the school bus to and from the activity. During any trip, major inappropriate behavior (such as curfew being broken) may result in the student:

- Being sent home at his/her own expense.
- Suspension from school for an appropriate amount of time.
- Loss of the privilege to go on any future school trips.

FIGHTING / ASSAULT

Fighting will not be tolerated at Guthrie Public Schools due to a chance of injury and/or property damage. Fighting is defined as any situation in which there is participation in an incident involving physical violence. Assault is defined as a physical act and/or an act, criminal or tortuous, that threatens physical harm to a person, whether or not actual harm is done. Disciplinary action will be taken by the administrator if either person involved fit the above definition. A student that has been suspended out of school may be required to attend a conference with the principal before the individual is allowed to return to his/her regular classes. If a student participates in a fight, the following may apply, and Administration reserves the right to modify any discipline consequences.

Disciplinary Action

- 1st Offense: suspension from school for five (5) consecutive days. (See Suspension Policy.)

- Students will not be permitted to wear pants below the waistline (sagging and bagging.)

CELEBRATE FREEDOM WEEK

Act 682 of 2003 created "Celebrate Freedom week" in public schools the week in which November 11 falls. This law was created to educate students about the sacrifices made for freedom in the founding of this country and the values on which this country was founded. During "Celebrate Freedom Week" all social studies classes shall include instruction to help students focus on the freedoms offered in the United States of America. Suggested topics of study are included in the text of Act 682 of 2003, but the instruction is left up to the individual school district. In an effort to assist educators and curriculum coordinators with program and lesson plans for Celebrate Freedom Week, ADE has compiled the following ideas. These are only suggestions, and school are encouraged to select their own creative ideas for "Celebrate Freedom Week." To view the wording of the law, please refer teachers in your district to: <http://arkedu.state.ar.us/commemos/customer.cig>.

DIABETES MANAGEMENT

Guthrie Public Schools provides nursing services that promote a student's ability to learn. Our goals are to:

- assist students in learning how to take care of their health.
- ensure a safe school environment.
- promote good control of a student's health condition so they are ready to learn.

Diabetes can affect a student's ability to learn if it is not under good control. To help us meet these goals, Guthrie Public Schools has a nurse who is a certified diabetes educator. She works with school, personnel, individual students with diabetes and their families, and the student's health care provider.

As a reminder, each year we need to have the following information for your child:

- **written diabetes management plan from your health care provider.**
- **signed authorization by parent/guardian for medication and treatment at school.**
- **completed Diabetes Questionnaire filled out by parent/guardian/student.**

In addition, adequate supplies, as listed in the student's diabetes management plan, must be provided at school:

- snacks or glucose tablets to treat low blood sugar
- medications
- blood glucose meter, strips, and supplies
- ketone testing strips and equipment
- Glucagon

We are looking forward to helping your child with diabetes be successful in school. Please feel free to contact us with any questions or concerns.

ELIGIBILITY

When co-curricular and/or interscholastic programs are scheduled during the school day, a student must be eligible according to the following guidelines of the Oklahoma Secondary Schools Activities Association:

A. ATTENDANCE REGULATIONS

1. School Activity: These are extracurricular activities, whether sponsored by the school or outside agency, which remove the student from class for more than half a class period.
2. The total number of student activity absences allowed for one class period per student shall be ten (10).
3. Once a student has had ten student activity absences (per school year) from any one class period, the student must be reported to the principal's office for consideration for further absences for student activities.
4. A student is expected to attend classes 90% of the time in order to participate in school-sponsored activities.

B. SCHOLASTIC ELIGIBILITY

(Information taken from OSSAA RULES AND REGULATIONS)

Section 1: Semester Grades

- a) A student must have received a passing grade in all subjects counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. If a student does not meet minimum scholastic standard he/she will not be eligible to participate during the first six weeks of the next semester he/she attends.
- b) A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- c) Pupils enrolled for the first time must comply with the same requirements of scholarship. The passing grades required for the preceding semester should be obtained from the records in the school last attended.

Section 2: Student Eligibility during a Semester

- a) Scholastic eligibility for students will be checked at the end of the third week of a semester and each succeeding week thereafter.
- b) A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. If a student is still failing one or more classes at the end of his/her probationary one-week period, he/she will be ineligible to participate during the next one-week period. The eligibility periods will begin Monday and end on Sunday.
- c) A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one-week period (Monday through Sunday).
- d) "Passing grade" means work of such character that credit would be entered on the records were the semester to close at that time.

Section 3. Special Provisions

- a) An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three (3) weeks. A student may regain his/her eligibility by achieving the scholastic standard in Rule 3, Section 2-b at the end of a three (3) week period.
- b) Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision Rule 3, Section 3-c, if the incomplete grade was caused by an unavoidable hardship. (Example of such hardships would be illness, injury, death in family, and natural disaster.) (Board policy allows a maximum of two (2) weeks to apply this exception.)
- c) Schools may choose to run eligibility checks on any day of the week. The period of ineligibility will always begin the Monday following the day eligibility is checked.

Section 4. Special Education Students

- a) Students who are enrolled in special education class, have an Individual Educational Plan, and have been certified by the principal as doing a quality of work which may, with the approval of the Board of Directors, be accepted as eligible under this rule.

ASVAB TESTING AND STUDENT ACCESS TO MILITARY RECRUITERS

It is the policy of the board of education to take part in testing programs with the aim of providing all students with information designed to help them recognize their talents and to assist them in planning their education and career paths. Therefore, the district will provide students in grades ten through twelve (10–12) an opportunity to take the Armed Services Vocational Aptitude Battery test (ASVAB), or an alternative assessment as provided below, and to consult with a military recruiter.

The ASVAB or alternative assessment will be scheduled during normal school day hours and at a time that limits conflicts with extracurricular activities. The district will provide to students and their parents or legal guardians in grades ten through twelve (10–12) the date, time, and location of the scheduled administration of the ASVAB or alternative assessment.

At the discretion of the board of education, the district may administer an alternative assessment in lieu of the ASVAB, provided the alternative assessment meets the following criteria:

1. it assesses a student's aptitude for success in a career field other than a career field that requires postsecondary education;
2. is free to administer;
3. requires minimal training and support of school faculty and staff to administer the test; and
4. provides each student with a professional interpretation of the test results that allows the student to explore occupations that are consistent with each student's interests and skills and to develop strategies to attain career goals.

Regardless of whether the district offers the ASVAB or an alternative assessment, the district will permit each student taking the assessment with an opportunity to consult with a military recruiter. Individual student meetings with recruiters will be permitted on dates and times approved by the building principal or the principal's designee, which will be advertised to students and their parents and legal guardians.

OKLAHOMA SCHOOL TESTING PROGRAM

Guthrie High School will fully participate in the Oklahoma School Testing program implemented in 2000 by the state legislature. The purpose of these tests is to measure the state-mandated curriculum. These tests will be administered according to state-mandated schedules in the spring of each school year.

Testing Requirements

In order to comply with state law, all students will be required to take a state assessment in English/Language Arts, Mathematics, Science and U.S. History prior to graduating from high school.

PRE-ACT

As a precursor to the ACT that will be taken their junior year, students will be given the Pre-ACT the fall of their sophomore year. This will enable students to experience a college entrance exam and assess their level of readiness for the actual ACT.

COLLEGE ENTRANCE REQUIREMENTS

College entrance requirements exceed the minimum high school graduation requirements.

COLLEGE BOUND STUDENTS NEED TO PLAN ACCORDINGLY.

Students who plan on attending Vo-Tech during their 11th and/or 12th grades must see a counselor to pre-enroll for 9th grade and establish a four-year plan of study.

A full year of computers is an EXIT requirement for all Oklahoma colleges, including junior colleges. A student must demonstrate computer proficiency when LEAVING college. The computer requirement may be met by taking a full year (2 semesters) of computers in high school. Keyboarding is not counted as a semester of computers.

ADVANCED PLACEMENT (AP) COURSE OFFERINGS

Advanced Placement courses are designed to allow students to receive both high school and college credit simultaneously. AP courses are intended to replace those normally taken during the freshman, sophomore, or junior years at the college level. Students who successfully pass a national examination during the spring semester can receive college credit. AP courses challenge the academically capable students while helping them gain analytical and study skills required to succeed in college courses. AP coursework motivates students to undertake more challenging work in both high school and college and provides direction in selecting college majors.

Students take AP courses and exams for a variety of reasons: the challenge, the sense of accomplishment, the strengthening of their college applications, and the time and money saved. Even if students decide not to take the AP examinations, they should be more than prepared to pass a CLEP exam that covers similar material at their chosen college.

If taken, AP examinations vary in price. Please see your instructor for details.

CONCURRENT CREDIT OFFERINGS

According to the Oklahoma State Department of Education, a high school student may enroll in a combined number of high school and college courses per semester not to exceed a full-time college workload of 19 semester-credit-hours. A student may enroll in a maximum of nine semester-credit-hours during a summer session or term at a college or university of the State System without the necessity of being concurrently enrolled in high school classes during the summer term. For purposes of calculating workload, one-half high school unit shall be equivalent to three semester-credit-hours of college work. Students wishing to

exceed these limits may petition the selected higher education institution. The appropriate institutional officials will evaluate the student's academic performance and potential for success in determining the student's load, which may not exceed the number of semester-credit-hours 50 percent greater than the number of weeks in the applicable semester/term. The college should provide appropriate academic advising prior to and continuing throughout the student's enrollment.

Guthrie High School is pleased to work with Rose State College, Langston University, and other state universities in providing concurrent enrollment for juniors and seniors through the Interactive Video classroom. Refer to pages 40 & 41 of this handbook for College Concurrent enrollment information, requirements, class substitutions, and grading weights.

Students may also participate in on-campus offerings from local universities such as the University of Central Oklahoma.

If a student withdraws from a college course by the "Withdraw Without Grade" (or equivalent) deadline, or does not attend the course, the student will receive an NC on their transcript and will be enrolled immediately in a class at GHS.

According to the Oklahoma State Department of Education regulations, a high school student may enroll in a combined number of high school and college courses per semester not to exceed a full-time college workload of 19 semester-credit-hours. A student may enroll in a maximum of nine semester-credit-hours during a summer session or term at a college or university of the state system without the necessity of being concurrently enrolled in high school classes during summer term. For purposes of calculating workload, one-half high school unit shall be equivalent to three semester-credit-hours of college work.

Students wishing to exceed these limits may petition the selected higher education institution. The appropriate institutional officials will evaluate the student's academic performance and potential for success in determining the student's load, which may not exceed the number of semester-credit-hours 50 percent greater than the number of weeks in the applicable semester/term. The college should provide appropriate academic advising prior to and continuing throughout the student's enrollment.

PARENT & STUDENT

***School Bus Rider Safety &
Disciplinary Handbook
with Rules and Guidelines***

Board Approved on ~~7/12/2021~~

School Bus Rider Guidelines

PARENT/GUARDIAN: Please keep these SAFETY guidelines for future reference.

The Guthrie Board of Education realizes that school bus transportation is an integral part of the modern-day educational process. At the same time, the State of Oklahoma has determined that school bus transportation is to be considered a **privilege** and **not a right** of the students attending the state's public schools (70 OS 9101). Because of these two facts, and because the Board has decided to extend transportation privileges to those who are eligible, the following procedures have been established to facilitate safe transportation of the district's students.

These **safety** procedures are not in place to create a hardship on parents or guardians. They are in place to provide for the **safety** of all students that are transported by bus. They will not supersede, but are in addition to all Board adopted policies, and building level student handbooks as **the bus is an extension of the classroom**.

We carry the most precious cargo in the world: our children. We ask that you appreciate the efforts being put forth to care for your children and to cooperate with school administrators in their pursuit of **safe** transportation.

ELEMENTARY and SECONDARY ROUTE BUS TRANSPORTATION

- Each student rider will be assigned a bus to the school associated with their **primary residence ONLY**.
- There will be new bus stop locations throughout the district and school boundaries for ALL route bus riders
- Walk zone to each school is 1 1/2 miles from your residence.
- **Walk distance to each stop is up to 1/2 mile from the bus stop to your residence**
- We will no longer provide transportation by shuttling students from school to school

Application for Student Rider(s)

Each student must be registered as a bus route rider before they can ride a school bus. Proof of residency is required, see the “Parent’s Backpack” on the website for more information. IF residency is not verified student may lose rider privileges.

The GPS Transportation Department has several ways to submit a student’s application.

1. **ONLINE** : We encourage each household to register their student(s) online at <http://guthrie.ezrouting.com>, with this option you can make any necessary changes (like phone numbers, address, etc.) that might happen during the school year without having to come into our office. **You will also be required to change the information with the school site before changes can be revised in our system.**

* With this option we can have your student(s) assigned to a bus in approximately 3 days.

* **We suggest you use the same email/ID and password you used to enroll your student(s).**

2. **WEBSITE** : ~~A paper application that can be printed off and brought to the transportation office or faxed to (405) 282-5948~~ (**www.guthrieeps.net click on Departments and drop down to Transportation**).

3. **OFFICE**: ~~Paper application forms will be available for those who choose this option.~~

Parents must complete this application process and submit ~~and/or return~~ it to the transportation office at least **5 days before** the student wishes to start riding the bus. **Once** the student’s application has been **approved and entered** in our routing program; you will be notified of the route number, approximate morning pickup time, and stop location via email and/or text message. **IF** the application is **denied** you will be notified via email and/or text with a brief reason as to why.

Because you requested transportation, you and your student(s) are agreeing to follow the Bus Rider **Safety & Disciplinary** Handbook approved by GPS Board of Education.

Route Students

Students will ride only their assigned bus. Students will only get on and off the bus at their assigned stop. If a Route student does not ride for two (2) consecutive mornings, without notifying transportation the bus will not return or stop until you notify the Transportation Office (405-282-5919) that the student(s) will again be riding.

Students must arrive at the bus stop ten (10) minutes prior to designated bus pick-up time and wait in a **safe** and orderly manner out of the roadway and off private property.

Students must not approach the bus until it has come to a complete stop and are signaled by the driver to board the bus.

Driver will wait two (2) minutes at residential stops & one (1) minute for group stops before pulling away from stop. There will be no going back. However, the bus can be met at the next approved stop location.

Please wait at least ten (10) minutes after the regular pick up time before calling transportation about the bus being late.

RIDING A DIFFERENT BUS

Notes to the driver or monitor are not acceptable.

ANY Students who wish to ride another bus other than their assigned bus (i.e. coming from or going to a friend or relative's house, childcare, etc.) will provide their own transportation. **This means parents are responsible for providing this type of transportation.**

Rider Waiver: In special unforeseen circumstances (i.e. medical emergency), it **MAY** be possible for a student to obtain permission to ride another bus or get off at another stop. However, the waiver will be subject to space available, and on a case by case basis. These waivers are for **ONE RIDE ONLY**. Then other arrangements need to be made.

BUS SAFETY & DISCIPLINE

It is our goal at Guthrie Public Schools to provide an orderly and **safe** transportation experience. **Riding the bus is a privilege** and as such can be granted or taken away based on the student's conduct and behavior.

Safety is the responsibility of parents, students, teachers, bus drivers, bus monitors, and administrators.

BUSTER SAYS

**SEAT TO SEAT – BACK TO
BACK – FEET ON THE
FLOOR – STAY SEATED--
ARMS AROUND BACKPACK!**

The student is responsible for his/her conduct. Because not every problem that may arise can be foreseen, students should use good common sense to govern their behavior. They

should treat each other, the bus driver, faculty, staff and property with respect. They should be aware that when their behavior distracts from the ability to provide **safe** transportation services a **Safety** Violation will result.

It is the responsibility of the parent to instill in their child the value of appropriate behavior, good conduct, and to reinforce the **safety** policies and goals of the school.

It is the bus driver's responsibility to set high standards for student behavior and to enforce the rules as they relate to transporting students **safely**.

It is the responsibility of the administrator to take appropriate measures when **safety** violations, disciplinary action, and when general transportation rules and school policies have been disregarded or when crimes under Oklahoma Statutes have been committed.

The administrators will also step in; after all other possibilities have been exhausted, to administer more severe consequences to those students who continually disrupt the quality or **safety** of the transportation experience.

The safety and disciplinary violation process are cumulative throughout the school year. Students are held responsible to be good bus citizens over the entire course of the school year.

Students are expected to:

- a. Behave **safely** while on the bus
- b. Board and exit the bus quietly and orderly
- c. take their assigned seats if applicable
- d. remain seated correctly
- e. converse quietly with their nearest neighbor.
- f. Behave similar to the classroom

THE BUS DRIVER IS IN CHARGE OF THEIR BUS

(Just like the teacher in a classroom)

Student behavior is expected to be similar to that in the classroom. The bus driver may or can assign seats by name and/or grade.

Any disrespect, defiant conduct, obscene language and/or gestures, verbal and/or physical assault, or any other serious infraction directed toward a driver, monitor, or other transportation representative by a student, his or her parent/guardian, or other representative will result in IMMEDIATE termination of riding privileges for a minimum of 5 school days up to the rest of the school year.

The SAFETY & Disciplinary Rules

These rules are in place to provide the **safest** ride to and from school and/or school activities. Violation of safety procedures endangers everyone on the bus.

Any infraction of the following rules will place the student into the bus **safety/disciplinary** process.

1. Cell phones and some other electronic devices for music, and other appropriate uses are allowed only if headphones / earbuds are used and it does not create a disturbance on the bus. Students are to leave one ear uncovered; should the driver or monitor need to give instruction.

NO Cameras and any other device that may disturb or distract the driver or other students are not to be used on the bus.

Taking pictures and/or selfies with others, videos, or making voice recordings of another person on the bus is prohibited. This is a violation of the FERPA Law (Family Educational Rights and Privacy Act) and the device may be confiscated.

Our route buses are rated to transport 71 passengers.

The student may be assigned to sit 3 to a seat.

4. **Students shall ride only their assigned bus.** Students will only be allowed to get on or off at their assigned stop location.
5. When requested by, a transportation official, students must immediately and correctly identify themselves. Failure to do so will result in an automatic 3-day suspension from ALL buses.
6. Students must enter and leave the bus in a **safe** an orderly manner in view of the driver. Using the handrails is necessary for the **safety** of your student. If they must cross the road, they must do so in front of the bus (never behind it) and wait for the driver to signal the student when it is **safe** to cross.
7. Students are to remain properly seated (seat to seat: back to back) facing the front of the bus at all times. No standing, no moving from seat to seat, no facing backward, no sitting on your knees, no sitting on your back pack or other personal items. Feet belong on the floor at all times.
8. No student shall at any time extend head, hands, arms, or any body part out of the windows whether the school bus is in motion or standing still.

15. Illegal substances or alcoholic materials or their paraphernalia are not allowed on school buses. Violation of this rule will result in an automatic 10-day suspension from the bus.
16. Eating or drinking other than bottled water on a school bus is not permissible: no gum, no candy, no pop, no pastries, no other types of food or confectionaries. Exceptions to this rule only apply to documented medical needs. Students must maintain clean bus interiors by keeping trash off the floor. Students may **not** throw anything out of the windows.
17. Aisles must be kept clear for emergency and safety visual checks. Personal belongings, books, instruments, projects, etc. must be held on a student's lap.
18. Large items which cannot be held in the student's lap **will not** be transported on the school bus without prior approval from the transportation department. This includes large Band instruments, Sports equipment, Fundraisers, Food Backpacks, etc.
19. No hats, no hoodies or other garments that makes it difficult to identify the student is allowed to be worn on the bus.
20. No wearing gang colors, displaying gang tags, or making gang symbols. Per district policy.

23.Improperly clothed - changing or removing clothes. Classroom dress code must be observed at all times and on all buses.

When applicable facial masks will be included in this rule.

24.No Balloons for **safety** reasons, they can block the view of the driver out windows and make a loud POP noise causing a distraction.

25.If student leaves school property for any reason other than for a verified school related activity, they will not be allowed to ride the bus to their residence

Safety Violation & Disciplinary Steps & Procedures

For any offense, the driver or monitor may choose to re-assign the student to a specific seat, confer with the student, or call the parent. If several verbal warnings fail to improve the student’s behavior, the offense will be documented following the steps and procedures outlined.

Any of the above steps or procedures may be skipped dependent upon the severity of the offense. Punishments may be designed to coordinate with the districts school building policies. Some incidents have an automatic suspension from bus and/or school.

The safety and disciplinary violations are cumulative throughout the school year.

ALL SUSPENSIONS ARE SUBJECT TO SCHOOL DAYS

27. Profane, vulgar, or suggestive language is not permitted on the bus, during or around any school activity or on school property. This includes the transportation complex.

28. No drivers or monitors are allowed beyond the yellow line in the garage. This is a safety violation and could result in a fine from OSHA. Employees are not permitted to congregate in the garage. The transportation lounge is provided for your use prior to, and after running, their bus routes.

29. Report all school related injuries that happen either to yourself or a student, immediately to a supervisor. An accident/incident form is available in the Transportation office.

Use of Cellular Phones

Most drivers carry cellular phones; however, they are not to be used while the bus district vehicle is in motion. They are to be used only for an emergency situation that may arise during the time the route is being driven. If a cellular phone must be used, pull over at a safe location, secure the bus, and then make the call or text (H.B. 1965 & S.B.183) Driver headsets and/or Bluetooth items are not permitted on a bus.

Most monitors carry cell phones. They may be used to contact parents/guardians in reference to student care and contacting dispatch.

Child Check Procedure

Before exiting the bus, the driver and /or monitor will make a walk-through of the bus to inspect for sleeping students, lost or forgotten items, vandalism, or other damage to the interior of the bus.

LEAVING A CHILD ON A BUS ALONE COULD RESULT IN CORRECTIVE ACTION UP TO AND INCLUDING TERMINATION.

Parking — Buses and Personal Vehicles

All school buses are to be parked in the designated spaces only. No buses are to be left unattended in and around the office and garage area. This area can become quite congested which increases the possibility of an accident.

Personal vehicles are to be parked in the lot on the west side of the football field, the area west of the bus lot between the pavement and the maintenance dumpster, or the upper parking lot to the east of the garage area. Personal vehicles may be parked temporarily in the office parking area while signing in or out in the dispatch office. Vehicles may not be left in this parking area otherwise. This area is reserved for office personnel and visitors. No double parking. Please park in the designated areas only.

Bus Assignments

Buses are assigned to routes by the Director of Operation, Route Supervisor and Route Coordinator and are subject to change at any time.

Proper care and/or lifespan of any bus are key factors when assigning or changing buses.

Route Assignments

Routes are assigned to drivers and monitors by the Director of Operations, Route Supervisor and Route Coordinator are subject to change at any time. Drivers and monitors may be consulted as a part of the change process, but must be willing to gracefully accept any required change in their route assignment.

Route Openings

The following procedures are the method by which the Transportation Department will attempt to fill open routes. It should be noted, however, that this procedure is subject to change when deemed necessary. Openings will be posted for three days. At the end of three days, at 5:00pm, the posting will be closed.

1. Drivers desiring an open route will apply for the Open Route posting.
2. Selection will be based on attendance history, driving skills, accident record, adherence to District policies, professionalism, legitimate complaints received and student management, though not weighted in that order.
3. The Director of Operations or designee will make the final selection after review.

Substitutes, Coaches, & Trip Drivers

Substitutes, Coaches, and Trip drivers carry the same responsibilities and expectations as a regular driver and are subject to the same rules and regulations.

There are three categories of substitutes:

1. Full time substitutes - 6-hour AM & PM drivers who report to the dispatch office at a specific time each day. They will drive any route assigned to them by the dispatch office.
2. Part-Time substitutes - 3-hour drivers who report to transportation at a specific time each day. They can either drive or monitor any route assigned to them by dispatch.
3. On call substitutes - drivers who are used on an "as needed" basis, driving a specific route as assigned by the dispatch office.

Evaluations & Bus Observations & Discipline

All employees will undergo a written evaluation of their performance annually. The Director of Operations, or another supervisor will conduct this written evaluation. Employees who are found deficient in any area will be put on a plan of improvement. Bus observations may be conducted by the Director, a Supervisor or their assigns anytime and are used as part of the evaluation process.

Discipline procedures will follow a progressive pattern as follows:

- a. 1st Offense, Verbal Warning is issued and documented in Personnel File
- b. 2nd Offense, Written warning is issued with possible suspension without pay
- c. 3rd Offense, Written warning, corrective action up to and including termination.

Driving Regular Bus Routes

Regular bus route, as used in this handbook, refers to any regularly scheduled trip a bus makes for which there is a printed schedule. All bus routes have a printed schedule with designated stops, a list of students riding by stop, and a corresponding map. Keeping these documents current is the responsibility of the driver and a supervisor.

Dry runs, (practicing assigned routes on a bus) is mandatory within three (3) days prior to the first day of school. Check directions, timing and stops listed on your route sheet to ensure on time performance and route information integrity. If edits are required, please see a supervisor immediately to set an appointment for revisions needed.

General Information and Requirements

Drivers will follow the designated route exactly as printed and will make no changes. Exceptions to this are roadwork/construction areas, accident, weather factors or an emergency as determined by a Supervisor. When this happens, the Transportation Office will be notified immediately and an alternate route may be formulated. When the exception is cleared, the designated route will again be followed.

1. Drivers will make their first stop exactly at the time printed on the route sheet and subsequent stops as printed or a couple of minutes later but never early. Update routes often with a supervisor.
2. No driver will arrive at the first school before **7:20 a.m.** and will not unload students until an office radio all-call is made to release students at **7:30 a.m.**
3. **Idle time is a max. of 10 minutes! Turn key to accessory position and listen for radio traffic.**
4. In the afternoon, NO DRIVERS will be at their first school before ~~3:05~~ **3:00 p.m.** **Except those traveling to Charter Oak ES.**
5. No driver will leave any school before ~~3:20~~ **3:17 p.m.** after an office radio all-call is made authorizing departure for all buses unless prior approval is obtained from a supervisor.
6. Stop for students to get on or off the bus only at the location designated by the route sheet.
7. Transportation Office must approve any exception in advance. Once departed, Drivers will not go back to schools or stops (AM & PM) without prior approval from a Supervisor. CALL DISPATCH FOR PERMISSION
8. Drivers will never pass a waiting bus without prior approval from a Supervisor. CALL DISPATCH FOR PERMISSION
9. Seat assignments are **mandatory**, either by name or grade, on all regular route buses. A seating chart must be provided to the Transportation office, kept on file and up to date as seating charts change. (This is required information when an incident and/or accident occurs)
10. Drivers must wear their seat belts when driving a bus. Cited violations are the driver's responsibility.
11. All students must be seated before moving the bus.
12. Let no student on or off of the bus except at designated stops. The Transportation Office must approve any exception in advance. Should a student insist on disembarking at a stop that is not his own, do not physically try to stop the student. Follow district disciplinary procedures upon returning to the office.
13. Drivers/monitors should make every effort to control the students on their bus. Enforcement of the bus rules should be consistent and reported in a timely manner.
14. Students are never allowed to sit in the driver's seat or operate any of the bus equipment.
15. Drivers/monitors do not have the authority to remove a student from the bus or deny them riding privileges if they are properly registered on that route. The district discipline policy will be followed to remove a student from the bus.
16. **All drivers/monitors must use extreme caution about touching students. Unless it is absolutely necessary and for safety purposes only.**
 - a. Document all counseling done with students.
17. Never swing, point, or throw any object at a student, or threaten to strike a student.
18. Observe all traffic laws.
19. If you exit the bus for any reason, turn the ignition off and take the key with you.

20. Backing a school bus requires prior approval from a Supervisor, except when it is a necessary turn around on route or backing into the bus lot. **CALL DISPATCH FOR PERMISSION**
21. Drivers are expected to abide by the same rules as the students in regard to eating and drinking on the bus. Drivers may only take bottled water on the route with them. Exceptions for students and drivers are for documented medical reasons only that may require food.

Traffic Violations

In addition to the regulations in effect under the State Department of Education and the State Department of Public Safety (which enforces the federal Commercial Driver's License — CDL regulations), the following policies will be in effect as well:

1. Drivers who receive citations or failure to devote full time and attention to driving while in the execution of their duties are subject to suspension or dismissal upon a plea of guilty, a forfeiture of bond, or conviction. Verified, formal complaints of the same will merit the same treatment.
2. Drivers who lose their CDL through Department of Public Safety action will immediately be suspended, pending investigation, and are subject to dismissal.
3. All other traffic violations not mentioned above will be addressed on a case-by-case basis, using these policies as guidelines.
4. Drivers must report any citation received, either on or off duty, immediately to their Supervisor. Failure to do so could result in corrective action up to and including termination.

Pre-Trip & Post-Trip ... Also see Addendums H & G

Before starting out, the driver must be satisfied that the motor vehicle is in safe operating condition. If the last vehicle inspection report notes any deficiencies, the driver should review and sign, noting that necessary repairs have been completed.

Safety is the most important reason you inspect your vehicle. Safety for yourself and for other road users.

Federal and state laws require that drivers inspect their vehicles prior to each trip. (FMCSR Part 396 Inspection and Repair) Failure to inspect your vehicle, as required by law, could result in corrective action up to and including termination. Federal and state inspectors may also inspect your vehicles. If they judge the vehicle to be unsafe, they will put it "out of service" until it is fixed.

Daily Trip Sheets & Work Orders

1. Fill out a Daily Trip Sheet for your regular routes each day. Complete it fully and place it in the basket located on the dispatcher's counter.
2. If you discover something on your bus that needs immediate attention, write the problem on the daily trip sheet. IF the mechanic has a question they will come to you.
3. Drivers you will be using our FMX Work Order System and will be putting in your own work orders.
4. **NO WORK ORDER = NO REPAIR**

Proper Use of Two-Way Radios

Radios are to be used for school business only; personal use is not only against policy, it is also illegal. Always identify yourself when beginning and ending your conversation, i.e., "Bus 29 to Base" and "Bus 29 Clear".

1. Adjust the volume on your radio and leave them at that setting.
2. Leave the microphone in its hanger unless you are using it.
3. Do not say anything over the radio that would compromise our position as a school district or that could impact anyone in a negative way. Do not make jokes or wise cracks. Always be professional.

Two-way radios are to be used for the following:

1. To report heavy traffic congestion.
2. To report vehicle accidents.
3. To report severe discipline problems on and off the bus.
4. To report breakdowns.
5. To report difficult or hazardous road conditions.
6. To ask for directions.
7. To report or receive rider information.
8. To report or receive weather conditions.
9. To report an angry patron approaching or attempting to board the bus.
10. To report bus loading zone problems.
11. To report or receive field trip information or problems.
12. To report vandalism.
13. To report medical problems.
14. To report questionable behavior on the part of a patron.
15. To report or receive route information.

**These reasons are not all inclusive but should provide parameters
by which the driver can properly use the system.**

Driver Accident Procedures

Drivers are required to know and follow district accident procedures.

The accident procedures, a driver checklist, and a seating assignment chart, should be included in a clipboard or expanding file and carried on each bus or school district vehicle at all times during use.

ANY time a bus or another district vehicle is damaged in ANY way, it is considered an accident.

If and when a driver is involved in an accident, these steps are required:

1. Stop and secure the vehicle - Be sure to properly place reflective triangles. Do not let your vehicle become involved in another accident or be the cause of another accident.
2. ASK IF THERE ARE ANY INJURIES, ETC.
3. Radio/Call into dispatch with location and a brief description of the accident. (fender bender with another vehicle etc.)
4. Make sure the students stay where they are seated.
5. Render aid - first to your students and then to any other injured people.
6. Fill out Seating Assignments report with the full name of student & grade. *AGAIN, ask each student individually if they are injured.
7. Do not leave the students unattended.
8. Follow all instructions from law-enforcement.
9. Do not release students to leave the bus or school vehicle until released by law enforcement. If transferring to another bus or school vehicle take precautions for a safe transfer. If released to their parents (you must have positive identification and approval of the Director or Route Supervisor).
10. Make statements only to law-enforcement, school personnel, or our insurance company.
11. A report must be made, in writing, on all accidents no matter how minor the damage.
12. Failure to report an accident will be grounds for dismissal.

Mechanical Breakdown

1. Secure the bus or district vehicle in a safe location, if possible.
Let the students know you are having mechanical problems.
Place the reflective triangles according to state law. CALL DISPATCH. Try to have some idea of the problem and relay that information.
2. Do not allow anyone to attempt any mechanical repair except school personnel or their designees.
3. If the bus is stuck do not allow anyone to attempt to pull it out except school personnel or their designees.
4. Under no circumstance should you leave the location until transportation personnel have arrived.
5. Let the students know you are having mechanical problems
6. Do not release students to anyone except their parents or guardians (you must have positive identification and approval of the Director or Route Supervisor).
7. Do not allow students to walk home.
8. Take special care in the transferring of the students from your bus to the replacement

Drug Testing

In compliance with the Omnibus Transportation Employee Testing Act of 1991, the Guthrie Public Schools has implemented Drug and Alcohol Testing as of January 1, 1995. Compliance will consist of the following:

1. Pre-employment drug and alcohol testing - every applicant who is offered employment with the district as a school bus driver will be tested for the presence of alcohol and drugs, as defined by the Testing Act. A positive result will be grounds for the withdrawal of the offer of employment.
2. Random testing - all district drivers who hold an Oklahoma Commercial Driver's License will be put into a pool from which the random selections will be made. Selections are computer generated. Once the selection for that particular test is made, those names will go back into the pool this means that it is possible that a driver could be tested two times in a row.
3. Note: Testing will be conducted without prior notice. As a rule, testing will be conducted at the Maintenance Office.
4. Post-accident - under certain conditions, post-accident drug and alcohol testing is required when an accident is involved. Contact the Transportation Office immediately after every accident for further instructions.
5. Reasonable suspicion - Supervisors have received intensive training to recognize symptoms of drug and alcohol abuse. Drivers who exhibit unusual behavior will be subject to drug and alcohol testing.

For further information regarding the policies and procedures, ask for a copy of the district drug and alcohol testing policy.

The Following Offenses could result in corrective action up to and including termination.

1. Excessive Absenteeism
2. Using a cell phone while driving a bus, includes headsets, Bluetooth and other distracting technology devices.
3. Using tobacco, alcohol or drugs while on school property, whether students are present or not.
4. Giving students cigarettes or tobacco in any form.
5. Knowingly allowing students to use tobacco, alcohol, drugs on school property at any time.
6. Giving students alcohol or drugs in any form.
7. Leaving school sites before the scheduled departure time in the afternoon.
8. Altering bus routes without prior approval, unless the roads are impassable.
9. Excessive accidents.
10. Knowingly letting a student off of or on the bus at any place except their assigned bus stop.
11. Failing to perform driver pre- and post-trip inspections and fluid level checks.
12. Any other offense as addressed by District policy.
13. Failure to report an accident in which the driver is involved.
14. Failure to report any traffic violation, on and off duty, or driver's license suspension.
15. Careless or reckless driving of a school bus.
16. Insubordination

Addendum A

Philosophy

Guthrie Public Schools buses are operated as a service to transport students to and from school, and other Board approved functions safely and efficiently. Were it not for this, there would be no need for buses, drivers, or a Transportation Department.

Driving a bus should not be an interruption in our day, and it is our intent that the experience students have with the Transportation Department is a pleasant one.

We will attempt, within our capabilities and resources, to treat everyone equally. Any service provided for one student, school, or patron will be provided for all others under similar circumstances.

The school district intends for all employees to be treated fairly. Every effort will be made to make the bus employee's job as pleasant as possible. A cooperative effort on the part of the employee, site principals, and Central Office personnel should result in a smooth operation of the Transportation Department.

All the rules and regulations concerning school bus operations were made for a reason. Some are required by law and others by the school board. None are made without serious thought, and ALL must be adhered to strictly both for the safety of the riders and the functionality of the equipment.

Today, it costs over \$80,000 to purchase one bus. Therefore, we are all responsible for carrying out our jobs in performing the inspections and maintenance of buses, being careful and safe drivers, and controlling our students so that our buses enjoy a long and safe life.

Addendum B

Beyond Driving

Few people realize that ALL employees and the Transportation Department as a whole are most vital to the education of students and also to the school system's public relations program. Transportation is so vital that school will be dismissed if the buses cannot run their routes. Since approximately eighty percent (80%) of Guthrie School students are transported, school bus drivers and monitors have a great opportunity to enhance public relations with the district's patrons. Also, those taxpayers who have no children riding the bus come in contact almost daily with school buses on the streets. Because of this, the Transportation Department, as much or more than any other single department, affects public opinion toward our schools.

School bus drivers should be aware at all times that they are very conspicuous when driving a big, yellow vehicle. Everyone connected with the schools represents the school system. Often, public attitude

toward the system is determined by the actions of a single representative, and because school buses have district identification on the sides of them, public opinion may be swayed

by the action of one bus. Drivers who are especially courteous create a good image for their school district. Please think before you act. Common sense, courtesy and good judgment will prevent or solve most problems before they develop into a crisis.

The bus driver is the first school representative a student meets each morning. If it is a pleasant meeting and a pleasant ride to school, the student has a much greater opportunity for a successful learning experience that day. If the bus ride is unpleasant, the student often begins the day with a negative or hostile attitude toward school.

Likewise, since the last school representative a bus rider sees in the afternoon is the driver, we can send him or her home with a pleasant feeling toward school by making the trip home a positive experience. It is advantageous for all transportation personnel to make every effort to see that a student's time on the bus is as pleasant as possible.

This handbook is intended to provide Guthrie Public Schools transportation employees with the basic information, rules and regulations necessary to effectively operate and maintain the department. The information contained in this book is to be used in conjunction with the District Support Personnel

Handbook, Parent/Student Bus Rider Handbook, the School Bus Driver Manual published by the State Department of Education and the Oklahoma Commercial Driver's Manual published by the Oklahoma Department of Public Safety.

Routine Responsibilities of the Bus Driver

1. Operate the school bus in a safe and effective manner in order to minimize the risk of injury, property damage or loss of life
2. Perform and record your pre- and post-trip inspections. If any of the following conditions are found during the pre-trip inspection, notify the Transportation Office, and the bus will be taken out of service until repairs are made:
Fluid leaks; cracked or broken glass; service door and/or emergency exits not functioning properly; flat tire; separated tread or cords showing; head light, stop light, or turn signal light burned out; load lights not working.
3. When you fuel your bus, stay with it. When the tank is full, replace the fuel cap, hang up the hose, and move your bus. Please be very careful that the information put into the computer at the pumps is correct. Never put the tenths of a mile shown on your odometer into the computer.
4. YOU MUST SUBMIT A WORK ORDER FOR ALL MAINTENANCE NEEDS
5. Maintain the accuracy of your route sheets, student rider list, route map and seat assignments.
6. Follow your route and schedule as printed. When you are unable to do so, report the reason you cannot so that proper adjustment(s) can be made. Be sure you do not leave your first stop early. It is much better to run one or two minutes late than to run even one minute early.
7. If a child does not know where to disembark from the bus, notify the office as soon as you have made your discovery and you will be instructed as to what you should do.
8. While students should know how to operate the emergency door, no student is to enter or exit through this door except during emergency drills or in the event of a real emergency.
9. No one other than your normal route students will be allowed on your bus.
10. No buses are to be parked in the office area, including in front of the garage, except when fueling. Park your bus at the end of each run and after trips in its assigned parking area only.

11. Close all windows, doors, and top vents, and lock the emergency door and the loading door at the end of each run and after returning from field trips.
12. Before you move your bus, look around to be sure you can begin to move without hitting something. Stay away from canopies at drive-in restaurants and service stations. Pay attention to what you are doing at all times.
13. Follow the prescribed 15-step loading/unloading procedure as per state law 47 OS 15-109:
 - Start amber warning lights 300-100 feet before the bus stop. 2) Turn on the right directional signal.
 - Pull completely off the road or as far to the right as possible and stop.
 - Set the parking brake and shift to neutral gear.
 - Turn off right directional signal.
 - Visual search.
 - On older buses crack door, start red loading lights, on newer buses flip the appropriate toggle switch to start the red loading lights.
 - Visual search.
 - Open door.
 - Visual search (direct students).
 - Close door.
 - Select gear and release the parking brake.
 - Visual search.
 - Turn on left directional signal.
 - Visual search, then proceed.
14. Check the interior of your bus after every run to make certain there are no sleeping children, or forgotten items, and to make sure that the bus is clean.
15. Place a box or suitable container for trash in the right front corner of the bus under the glove box. Keep this trash can empty and clean after each trip.
16. Every bus is to be swept a minimum of once each day. If two people drive the same bus, the bus should be swept after every trip. Trash is not to be swept onto the lot or the ground. Put it in a trash can!
17. If it is not necessary for you to fuel your bus each day, please fuel it when it reads 1/2 full. Do not park a bus with less than 1/2 tank of fuel in it. There is no excuse for running out of fuel on your route.
18. Make certain your bus has a fire extinguisher, first-aid kit, clean up kit, and reflective triangles every time your bus leaves the bus lot. These items should be properly secured.
19. Inspect the fire extinguisher at least once a month to determine that it is still fully charged, if it is initial the tag. If the fire extinguisher is not charged notify a mechanic.
20. Never leave the ignition key in your bus while it is parked. If you must leave the bus unattended, even for a very short period of time, take the key with you.
21. If you are using a spare key return the key to the box after each trip. The only reason to take a spare key with you is if you have an after- hours trip. Regular drivers will have a key to their route bus issued to them, they are responsible for bringing and keeping the bus key.
22. The speed limit around the bus complex is 5 MPH.
23. Be sure your bus is parked in its proper place, the windows are closed, all lights are turned off, and all doors are locked.

Addendum F

Transportation for Special Needs, IEP's, and Other Student Concerns

Responsibilities of the driver and/or monitor

An orientation for transporting students with special needs, IEP's and other student concerns will be scheduled at the beginning of each school year. The transportation orientation will include student information pertinent to the school bus driver and monitor regarding the student's physical, mental, and emotional needs to assure a successful bus ride for their assigned students.

The district's special needs staff should be aware of the individual concerns of those students riding a school bus and should share such information with the bus drivers. Some common concerns are listed below, but it is not an all-inclusive list.

1. A communication system must be clearly defined so that information can be shared quickly and efficiently, even on a day-to-day basis if necessary, between drivers and personnel responsible for the educational program of students with special needs and other concerns.
2. Prior to the first bus run, drivers should be told of students with any type of disability who may require a monitor's assistance to get on/off the bus due to braces, prosthesis, vision, hearing, etc.
3. The parent (or their designee) is responsible for "door-to-curb," "curb-to-door," and "street crossing" of the child to the loading and unloading point, and should be advised to use extreme caution.
4. The bus driver and monitor needs to be told of their passengers with autism, allergies, behavior concerns, epilepsy, diabetes, cerebral palsy, etc. Specific procedures for pupils with such conditions should be clearly outlined and understood by the driver and monitor in case of a medical emergency on the bus.
5. Bus drivers and monitors should be trained in the proper way of lifting students with orthopedic braces, etc., and the techniques for strapping such students in the bus seat to assure a safe ride in consideration of their specific needs.
6. If there is a student riding a school bus who needs social support or emotional support (for any reason), their district's teachers should communicate the student's needs with the bus driver and monitor and develop techniques to ensure the daily commute to and from school is safe and successful
7. Socialization is necessary for all children. Bus drivers and monitors should share in the responsibility of assisting children and youth with disabilities to remain as "normalized" as possible with other students by developing a posture of expectation, kindness, and understanding of each individual's need while under their responsibility to and from school or other school related activities.
8. CPI Training — before you are allowed to touch or restrain a student.

9. Bus monitors are responsible for assisting children with getting on and off of the bus safely. They must also make sure that children are in their assigned seats. They must make sure that children get off of the bus at the correct stops and that they are being released to the correct guardians.

Additional Responsibilities of the Monitor

The duties of a bus monitor include making sure that children remain safely seated while the bus is in motion, maintaining order on the bus, understanding and following written and oral instructions, following basic principles of childhood development and establishing good relationships with the children, the bus driver, the parents and other staff.

Monitors must also make sure that there aren't any children left behind after the bus route is completed and pick up any trash left behind on the buses

Need to be aware of the route pattern and its stops in case you have a substitute driver.

Need to be familiar with all the equipment on the bus and be able to do the pre-trip and start the bus. You must know how to operate the lift on the wheelchair buses.

Skills needed to be a Bus Monitor

The skills required to become a bus monitor consist of active listening skills, instructing skills, speaking skills, and oral expression skills. Bus monitors should be able to give full attention to what children, parents or other staff are saying. They should be able to teach children how to do things, like put their seat belts on or sit back and follow procedures. Speaking skills come into play when communicating with children, the bus driver, parents or other staff. Bus monitors have to be able to convey information effectively. Bus monitors should also be able to communicate information that others understand which will be easier with oral expression skills. Bus monitors should also possess social perceptiveness, problem sensitivity, speech clarity and inductive reasoning skills. They need to be able to speak clearly, tell when something is wrong, be aware of others' reactions and understanding why they react the way that they do. Being able to combine pieces of information to form general rules or conclusions is of utmost important when caring for children.

Knowledge needed to be a Bus Monitor

Bus monitors should have knowledge of the English language, public safety and security policies and procedures, psychology, and personal service. Assessing the needs of children and others around them is important for a bus monitor. Having knowledge of human behavior and performance is imperative in dealing with children and their parents, as well as other staff. Being able to safely and securely carry out safety procedures when it comes to children is the most important thing to consider as a bus monitor. They should have knowledge of relevant equipment, policies, procedures and strategies.

Working Conditions

Bus monitors have hours and a work schedule that are determined on an annual basis. They may have to deal with loud and unruly children and harsh weather conditions when helping children on and off the bus. Bus monitors usually work full-time (6 hours) and sometimes on a seasonal basis, as they only work when school is in session. They usually are off on the holidays.

Guthrie Public Schools

Memo

To: Dr. Simpson and Guthrie Board of Education
From: Carmen Walters, Executive Director
Date: June 20, 2022
Re: Measures of Academic Progress (MAP Testing) Agreement

Attached is a copy of the 2023 agreement between Guthrie Public Schools and Northwest Evaluation Association (NWEA). Measures of Academic Progress (MAP testing) for students enrolled in 5th - 6th grades is an assessment published by Northwest Evaluation Association (NWEA). NWEA's computerized adaptive test provides educators the information needed to support effective teaching and learning. Educators use growth and achievement data from Measures of Academic Progress (MAP) tests to develop targeted instructional strategies and to plan for overall school improvement. MAP testing results help educators make student-focused, data-driven decisions. MAP tests are available in reading, language, mathematics and science. The tests are adaptive and provide an individual learning pathway for each student. MAP provides a suite of reports designed to give teachers and administrators data on which instructional decisions can be based. MAP data can also be used as a predictor to state assessments along with identifying Lexile ranges for students. MAP is aligned to state standards.

The cost for the 2022-2023 Agreement for the MAP Testing web-based program is \$7,125.00 which is an increase of \$1,625.00 over the FY22 agreement. This increase is due to an increase in student numbers and the fact that our district has been shielded from all price increases since 2013. General funds will be utilized to cover the cost of the program.

I recommend approval of the license agreement between Guthrie Public Schools and Northwest Evaluation Association.

Re: EduSkills, LLC Agreement

Attached is a copy of the 2022-2023 agreement between Guthrie Public Schools and EduSkills, LLC. EduSkills, LLC is a cloud-based software and consulting company that assists school districts with the reporting requirements for EL (English Learner), and Bilingual students and helps teachers and administrators customize curriculum to improve learning for EL students.

The cost for the 2022-2023 EduSkills, LLC agreement is \$11,440.00, which is not a price increase from the 2022 agreement. This cost includes training and support with all program users, EL form scanning and processing HLS (Home Language Surveys), for identifying EL students for the October 1 consolidated report and the bilingual audit. In addition, the agreement includes support to help teachers and administrators write ELAPS (English Language Academic Plans), and track WIDA (World-Class Instructional Design and Assessment), testing for all EL students. This process has proven to increase efficiency by taking paperwork processing and organization out of the educators' hands. Teachers and administrators will also be able to generate individual learning plans to track EL student progress toward English acquisition and generate parent letters in multiple languages.

The cost of the agreement is now on a fiscal agreement from July 1, 2022 - June 30, 2023. Title III, Part A-EL federal funds will be utilized to cover the cost of the program.

I recommend approval of the agreement between Guthrie Public Schools and EduSkills, LLC.
