Lazy E Arena to host Guthrie High School Commencement Exercises

The Lazy E Arena has been secured to host the Guthrie High School Commencement Exercises honoring the Class of 2023. The ceremonies will be on Friday, May 19, 2023, beginning at 7:30 p.m. Graduation announcements will come with an insert which identifies the Lazy E Arena as the location of the ceremonies.

Quotes from Guthrie Superintendent Dr. Mike Simpson:

"We feel fortunate to have secured the Lazy E Arena for the commencement exercises honoring the Class of 2023. They had an event move dates recently which opened up this date for us. Having the event at the Lazy E eliminates the need to limit attendance in the event of rain."
