Listed below are the Pre-K options we intend to continue for the new school year pending enrollment numbers.

If you choose Full Day Intergenerational Pre-K, the lottery drawing to see if your child got in will take place on Tuesday, May 23, 2023. You will be notified by phone if your child got into the program. If you DO NOT receive a phone call, your child DID NOT get into one of the Intergenerational Pre-K programs.

Official online enrollment for all students will be announced at a later date. Your child is NOT officially enrolled until this is completed.

How do I know my child is ready for Pre-K? Can your child.....

- Answer yes/no questions
- Respond when their name is called
- Verbalize basic wants and needs
- Listen and respond when someone talks to them
- Follow simple directions
- Speak clearly enough that a familiar adult can usually understand

Students must also be fully potty trained.

***If you can't answer yes to all of these you may want to consider half day Pre-K.**
